Set in 1940s colonial Korea and Japanese-occupied Manchuria, *Endless Blue Sky* tells the love story between Korean writer Ilma and Russian dancer Nadia. The novel is both a thrilling melodrama set in glamorous locations that would shortly be tragically ravaged by war, and a bold piece of writing espousing new ideas on love, marriage, and race. Reading this tale of cosmopolitan socialites finding their way in a new world of luxury hotels, racetracks, and cabarets, one gets a sense of the enthusiasm for the future that some felt in Korea at the time. USA Today Bestseller “Fall in love with Jill Shalvis! She’s my go-to read for humor and heart.”— Susan Mallery, New York Times bestselling author *Beloved* New York Times bestselling author Jill Shalvis begins a new series—*Sunrise Cove*—set near beautiful Lake Tahoe, with a heartwarming story of found family and love. During the snowstorm of the century Levi Cutler is stranded on a ski lift with a beautiful stranger named Jane. After strong winds hurl the gondola in front of them into the ground, Levi calls his parents to prepare them for the worst...but can’t bring himself to say goodbye. Instead, wanting to fulfill his mother’s lifelong wish, he impulsively tells her he’s happily settled and Jane is his girlfriend—right before his phone dies. But Levi and Jane do not. Now Levi’s family is desperate to meet “The One.” Though Jane agrees to be his pretend girlfriend for just one dinner, she’s nervous. After a traumatic childhood, Jane isn’t sure she knows how to be around a tight-knit family that cherishes one another. She’s terrified, and a little jealous. But an unexpected series of events and a host of new friends soon show Jane that perhaps this is the life she was always meant to have. As Jane and Levi spend more time together, pretend feelings quickly turn into real ones. Now all Jane has to do is admit to herself she can’t live without the man she’s fallen in love with and the family she has always dreamed of. Your Memory * She Knows When You're on My Mind. In alternating voices, the Wampanoag Indians and the Pilgrims chronicle their perspectives on King Philip's War. Full color. "Fascinating . . . memorable . . . revealing . . . perhaps the best of Carl Sagan's books."—The Washington Post Book World (front page review) In *Cosmos*, the late astronomer Carl Sagan cast his gaze over the magnificent mystery of the Universe and made it accessible to millions of people around the world. Now in this stunning sequel, Carl Sagan completes his revolutionary journey through space and time. Future generations will look back on our epoch as the time when the human race finally broke into a radically new frontier—space. In *Pale Blue Dot*, Sagan traces the spellbinding history of our launch into the cosmos and assesses the future that looms before us as we move out into our own solar system and on to distant galaxies beyond. The exploration and eventual settlement of other worlds is neither a fantasy nor luxury, insists Sagan, but rather a necessary condition for the survival of the human race. "Takes readers far beyond *Cosmos* . . . Sagan sees humanity's future in the stars."—Chicago Tribune Based on Emily Schuman's popular lifestyle blog of the same name, *Cupcakes and Cashmere* is the must-have guide for those looking to establish their own sense of style, organize and decorate their home, or throw an easy and stylish party. Organized by season, the book expands on Schuman's blog by including DIY projects, organization tips, party-planning ideas, beauty how-tos, and seasonal recipes. *Cupcakes and Cashmere* features original material that has not been previously published on the site. With her signature photographic layouts, Emily creates a lifestyle that is chic and achievable for every reader, making this the ultimate style guide for living a fashionable life. Praise for *Cupcakes and Cashmere*: "Inspiration for anyone looking to update her wardrobe, decorate her home, or throw a fab party." —Shape magazine THE SPORTS BOOK OF THE YEAR Daily Mail As a young boy of eight, Jonny Bairstow was dealt a cruel blow. His father David 'Bluey' Bairstow, the combative and very popular wicketkeeper and captain of Yorkshire, took his own life at the age of forty-six. David left behind Jonny, Jonny's sister Becky and half-brother Andy, and his wife Janet, who had recently been diagnosed with cancer at the time of his death. From these incredibly tough circumstances, Jonny and his family strived to find an even keel and come to terms with the loss of their father and husband. Jonny found his way through his dedication to sport. He was a gifted and natural athlete, with potential careers ahead of him in rugby and football, but he eventually chose cricket and came to build a career that followed in his father's footsteps, eventually reaching the pinnacle of the sport and breaking the record for most Test runs in a year by a wicketkeeper. Written with multiple-award-winning writer Duncan Hamilton, this is an incredible story of triumph over adversity and a memoir with far-reaching lessons about determination and the will to overcome. Food, consumption, demand, agricultural research, fertilizer, land, water resources, infrastructure, domestic grain, international grain market, economy, business, markets, tariffs, environment, health, productivity, pollution, energy, industry, water, urban transportation, pension reform, elderly, education, employment, rural, urban, income, poverty. 26/11, 9/11, 7/7-these are dates that have changed the way we see ourselves and those around us. Dates that have changed the world, and not for the better. It's about time we had an honest conversation about religion, race, caste and the mindsets that divide us. In this collection, writers from India, Sri Lanka and Pakistan-Gulzar, Elmo Jayawardena, Manjula Padmanabhan, Poile

Sengupta, Komail Aijazuddin, Bulbul Sharma and others-write about the various kinds of conflicts that plague our world today. There are poems that articulate pleas for peace and understanding as well as stories that make us sit upright and contemplate our own actions. Some pieces are dark, others full of light and hope, and some outright funny as they portray mindless bigots for what they are. This book shows us that there may be a way for us to better understand different viewpoints, after all. Two young girls from very different backgrounds discover what they hold in common in this funny Australian classic. People talk about the cold, hard light of day. There's no escaping what you can see by it. There can be no confusing, in that early morning light, the truth with the wished-for reality of dreams. The body was still there. He was still dead. Abandoned by her lover, Manda finds solace in bird-watching, a hobby her ex-partner introduced her to. The birds provide Manda with an escape from her troubled past - and an uncertain future. But then she falls prey to the ever more sinister attentions of another birdwatcher. As the harassment builds up, she is forced to flee, and details of her complicated past start to emerge. Haunted by her tenuous relationship with her family and memories of her African childhood, Manda is struggling with the choice between safety and freedom as she tries to escape her elusive stalker. Tempted by the promise of her friend Tom's protection, she wonders if she should finally trust someone before it's too late . . . Told through the vivid images of birds, *Out of a Clear Sky* is an unsettling psychological thriller which will grip you until the startling, unforeseen end. On September 11th 2001, 32-year-old Elizabeth Turner was working at Channel 4 when news broke of the attacks on the World Trade Centre. Surrounded by TV screens, like her colleagues, she watched as the horror unfolded. But for Elizabeth, the atrocities were all the more painful - her husband Simon was at a meeting in the restaurant at the top of the towers as the planes crashed into them. Elizabeth was seven months pregnant with their first child. As the destruction unfolded, and Simon did not call, Elizabeth's world crumbled, and she spiralled into an abyss of grief more painful than most of us can imagine. This immensely moving memoir packs a powerful emotional punch, and hooks the reader from the first page. The author eloquently describes how she had to hit rock bottom before she could start rebuilding a life for herself and her young son William. That she was able to recover at all is testament to the power of the human spirit. But more than this, Elizabeth has forged a completely new life and career and is now living what she calls her 'ultimate life'. Her story offers hope that there is a way through the worst experiences - not with quick-fix solutions but by moving deep within yourself to bring about complete healing and recovery. Sakae Sugiura working hard to become a teacher, gets an assistant teacher position at an elementary school. There he meets his old elementary school homeroom teacher, Ryuji Fukada. Fukada-Sensei was someone Sakae looked up to, someone who supported him. Now, Sakae is shocked by how different Fukada is and feels lost. But since he's no longer a student, will his feelings towards Fukada change...? Kate Sheridan rents a house in Cornwall so that her family can relax and renew their bonds, but an elderly woman with a chilling secret is making her way to their summer home. Is there such a thing as a perfect marriage? David thought so. But when his wife Mary Rose dies suddenly he has to think again. In reliving their twenty years together David sees that the ground beneath them had shifted and he simply hadn't noticed. Or had chosen not to. Figuring out who Mary Rose really was and the secrets that she kept - some of these hidden in plain sight - makes David

wonder if he really knew her. Did he even know himself? Nothing But Blue Sky is a precise and tender story of love in marriage - a gripping examination of what binds couples together and of what keeps them apart. _____ 'Touching and enthralling' Sunday Times 'What a beautiful novel ... Needing closure, Jenny trades the Manhattan skyline for her hometown up the Hudson, where she'll start her own business and bask in her sister Rachel's picture-perfect family life...and maybe even find a little romance of her own with Leo, her downstairs neighbor, who's utterly irresistible and annoyingly distant at the same time. Rachel's idyllic marriage, however, is imploding after she discovers what looks like her husband's infidelity. She always thought she'd walk away in this situation but now she's wavering, much to Jenny's surprise. Rachel points to their parents' perfect marriage as a shining example of patience and forgiveness; but to protect her sister, Jenny may have to tarnish that memory—and their relationship—and reveal a family secret she's been keeping since childhood. Both Rachel and Jenny will have to come to terms with the past and the present, and find a way to help each other get what they want most of all. This would be easier if I were writing about someone else. Then I could change it, fatten up the thin parts and leave out the dull ones, turning them twice like frayed collars and cuffs, making them over into something more romantic than they really were, but then the remembering would be neither so painful, nor so sweet. I suppose you can't have one without the other. . . Evangeline Glennon knows plenty about life's highs and lows. Still, she feels lucky, surrounded as she is by people who care deeply: Papa, who's never lost his Irish brogue or the twinkle in his eye; endlessly practical, generous Mama; and steadfast best friend Ruby. Romance would be too much for a girl like Eva to expect. Then again, love has a tendency to find those who aren't looking for it. . . Out of a clear blue sky, a dashing young aviator makes an impossibly gentle landing in Papa's Oklahoma wheat field. After taking her up in his plane, "Slim" leaves Eva with an exhilarating new perspective--and an even more precious gift that changes her forever. But that's only the beginning. The world is changing, too--and only the strongest in body and spirit will weather what is to come. Now, while tracing from afar the progress of the brave young barnstormer she knew so briefly, Eva stitches her heart and soul into intricate quilts whose images take extraordinary form from the heartbreak and joy of parallel lives. . . An inspiring and patriotic tribute to the beauty of the American flag, a symbol of America's history, landscape, and people, illustrated by New York Times bestselling and Caldecott-honor winning artist Kadir Nelson. Wonderfully spare, deceptively simple verses pair with richly evocative paintings to celebrate the iconic imagery of our nation, beginning with the American flag. Each spread, sumptuously illustrated by award-winning artist Kadir Nelson, depicts a stirring tableau, from the view of the Statue of Liberty at Ellis Island to civil rights marchers shoulder to shoulder, to a spacecraft at Cape Canaveral blasting off. This book is an ode to America then and now, from sea to shining sea. "A heart-wrenching page-turner told with warmth and humor."—People Magazine (Pick of the Week) "A rich testament to the power of second chances."—Women's World A Publishers Weekly and USA Today Bestseller! From the New York Times bestselling author of *Good Luck with That* comes a new novel about a blue-blood grandmother and her black-sheep granddaughter who discover they are truly two sides of the same coin. Emma London never thought she had anything in common with her grandmother Genevieve London. The regal old woman came from wealthy and bluest-blood New England stock, but that didn't protect her from life's cruelest blows: the disappearance of Genevieve's young son, followed by the premature death of her husband. But Genevieve rose from those ashes of grief and built a fashion empire that was respected the world over, even when it meant neglecting her other son. When Emma's own mother died, her father abandoned her on his mother's doorstep. Genevieve took Emma in and reluctantly raised her--until Emma got pregnant her senior year of high school. Genevieve kicked her out with nothing but the clothes on her back...but Emma took with her the most important London possession: the strength not just to survive but to thrive. And indeed, Emma has built a wonderful life for herself and her teenage daughter, Riley. So what is Emma to do when Genevieve does the one thing Emma never expected of her and, after not speaking to her for nearly two decades, calls and asks for help? They used to joke about it. Like many brilliant scientists, Josh sometimes had trouble remembering things that needed doing in the "real" world—like buying groceries, eating regular meals, and talking to people. But he was happy to have his beloved wife, Lauren, remind him with her "honey do" lists. He just never realized how much he would need one when she was gone. Being a widower is not something Joshua Park ever expected. Given his solitary job, small circle of friends and family, and the social awkwardness he's always suffered from, Josh has no idea how to negotiate this new, unwanted phase of life. But Lauren had a plan to keep him moving forward. A plan hidden in the letters she leaves him, giving him a task for every month in the year after her death. A plan that leads Joshua with a loving hand on a journey through grief, anger, and denial. It's a journey that will take Joshua from his first outing as a widower to buy groceries...to an attempt at a dinner party where his lack of experience hosting creates a comic disaster...to finding a new best friend while weeping in the dressing room of a clothing store. As his grief makes room for new friendships and experiences, Joshua learns Lauren's most valuable lesson: The path to

happiness doesn't follow a straight line. Funny, sometimes heart-wrenching, and always uplifting, this novel from New York Times bestselling author Kristan Higgins illuminates how life's greatest joys are often hiding in plain sight. From the bestselling author of the hit Netflix series, *Virgin River* Three friends journey to discover the value of family, second chances, and choosing to live your best life in this fan-favorite romance by #1 New York Times bestselling author Robyn Carr. Nikki survived a terrible marriage and a worse divorce, but now suddenly has custody of her kids again. Dixie is through with looking for love when all she gets are expensive gifts and heartache. Carlisle is trying to move forward from a bad relationship that has destroyed his trust. When Nikki, Dixie and Carlisle are offered the chance to join a new airline in Las Vegas, they don't hesitate. It's 1942: Tomi Itano, 12, is a second-generation Japanese American who lives in California with her family on their strawberry farm. Although her parents came from Japan and her grandparents still live there, Tomi considers herself an American. She doesn't speak Japanese and has never been to Japan. But after the Japanese attack on Pearl Harbor, things change. No Japs Allowed signs hang in store windows and Tomi's family is ostracized. Things get much worse. Suspected as a spy, Tomi's father is taken away. The rest of the Itano family is sent to an internment camp in Colorado. Many other Japanese American families face a similar fate. Tomi becomes bitter, wondering how her country could treat her and her family like the enemy. What does she need to do to prove she is an honorable American? Sandra Dallas shines a light on a dark period of American history in this story of a young Japanese American girl caught up in the prejudices and World War II. A 2018 Most Anticipated Young Adult book from debut author Adrienne Young, *Sky in the Deep* is part Wonder Woman, part Vikings—and all heart. **OND ELDR. BREATHE FIRE.** Raised to be a warrior, seventeen-year-old Eelyn fights alongside her Aska clansmen in an ancient, rivalry against the Riki clan. Her life is brutal but simple: fight and survive. Until the day she sees the impossible on the battlefield—her brother, fighting with the enemy—the brother she watched die five years ago. Faced with her brother's betrayal, she must survive the winter in the mountains with the Riki, in a village where every neighbor is an enemy, every battle scar possibly one she delivered. But when the Riki village is raided by a ruthless clan thought to be a legend, Eelyn is even more desperate to get back to her beloved family. She is given no choice but to trust Fiske, her brother's friend, who sees her as a threat. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and her growing love for Fiske, Eelyn must confront her own definition of loyalty and family while daring to put her faith in the people she's spent her life hating. **Attack** exposes Hubbard's bizarre imagination and behavior, tracing the creation of Scientology in the years following World War II to perhaps its final schism following Hubbard's death in 1986. A shocking book that reveals all: the abuses, falsehoods, paranoia, and greed of Hubbard and his pseudo-military Scientologist henchmen. Winner of the Christopher Ewart-Biggs Literary Award, and nominated for the PEN/JR Ackerley prize. The powerful memoir of a Mullaghmore bombing survivor, as dramatised in **THE CROWN**

On the August bank holiday weekend in 1979, 14-year-old Timothy Knatchbull went on a boat trip off the shore of Mullaghmore in

County Sligo, Ireland, with many members of his family. By noon, an IRA bomb had destroyed the boat, leaving four dead. The author survived, but his grandparents, a family friend, and his 14-year-old twin brother did not. Lord Mountbatten, his grandfather - and uncle to the Duke of Edinburgh - was the target, and became one of the IRA's most high-profile assassinations. In telling this story for the first time, Knatchbull is not only revisiting the terrible events he and his family lived through, but also writing an intensely personal account of human triumph over tragedy. It is a story of recovery, not just from physical wounds but deep emotional trauma. Knatchbull and his parents were too badly injured to attend the funerals of those killed, a sadness that intensified their profound sense of loss. Taking place in Ireland at the height of the Troubles, it gives a compelling insight into that period of Irish history. But more importantly it brings home that although tragedy can strike at any moment, the human spirit is able to forgive, to heal and to move on. It will resonate with readers the world over.

_____ 'From a Clear Blue Sky is a minute by minute story of what happened that day, and what happened afterwards. It is a proper four-hanky bawler, and the exactitude of the story is what makes it so moving ... He provides a convincing account of the extent to which he has been able to accept, forgive and move on. His narrative power is such that the reader can't always share his equanimity. It is a book that is as saddening as it is sad - but much more angering than it is angry' Daily Mail 'This is an extremely moving book. Beyond providing a phenomenally detailed evocation of his own family's trauma, Knatchbull has lots of wise things to say about how we survive horrors - of all kinds - in our lives. He writes with great tenderness and an admirable lack of sentimentality' Zoe Heller 'Affecting and intimate' Mail on Sunday 'Testament to a remarkable, benevolent soul ... With this public love letter he has found a way to say goodbye' The Sunday Times Delightful and intriguing, 'Why the Sky is Blue' shows how the attempt to answer this age-old and deceptively simple question only enhances the magic of the blue sky we see above us. This is the new, unexpurgated, unabridged version of the classic history of L. Ron Hubbard and Scientology. Exposing Hubbard's false claims to be a war hero, a nuclear physicist, an explorer and a protege of Eastern gurus, and showing the true malevolence of Scientology. Invaluable for its history and insight into the character of its founder, L. Ron Hubbard. This is the standard reference among serious students of authoritarian belief systems. NATIONAL BESTSELLER • The Pulitzer Prize-winning author of *The Sixth Extinction* returns to humanity's transformative impact on the environment, now asking: After doing so much damage, can we change nature, this time to save it? RECOMMENDED BY PRESIDENT OBAMA AND BILL GATES • SHORTLISTED FOR THE WAINWRIGHT PRIZE FOR WRITING • ONE OF THE TEN BEST BOOKS OF THE YEAR: The Washington Post • ONE OF THE BEST BOOKS OF THE YEAR: Time, Esquire, Smithsonian Magazine, Vulture, Publishers Weekly, Kirkus Reviews, Library Journal • "Beautifully and insistently, Kolbert shows us that it is time to think radically about the ways we manage the environment."—Helen Macdonald, The New York Times That man should have dominion "over all the earth, and over every creeping thing that creepeth upon the earth" is a prophecy that has hardened into fact. So pervasive are human impacts on the planet that it's said we live in a new geological epoch: the Anthropocene. In *Under a White Sky*, Elizabeth Kolbert takes a hard look at the new world we are creating. Along the way, she meets biologists who are trying to preserve

the world's rarest fish, which lives in a single tiny pool in the middle of the Mojave; engineers who are turning carbon emissions to stone in Iceland; Australian researchers who are trying to develop a "super coral" that can survive on a hotter globe; and physicists who are contemplating shooting tiny diamonds into the stratosphere to cool the earth. One way to look at human civilization, says Kolbert, is as a ten-thousand-year exercise in defying nature. In *The Sixth Extinction*, she explored the ways in which our capacity for destruction has reshaped the natural world. Now she examines how the very sorts of interventions that have imperiled our planet are increasingly seen as the only hope for its salvation. By turns inspiring, terrifying, and darkly comic, *Under a White Sky* is an utterly original examination of the challenges we face. 26/11, 9/11, 7/7—dates that have changed the way we see ourselves and those around us. Dates that have changed the world, and not for the better. Why is the world getting increasingly fragmented? Is there a way for us to understand different viewpoints better? In this collection, writers from India, Sri Lanka and Pakistan—Gulzar, Elmo Jayawardena, Manjula Padmanabhan, Poile Sengupta, Suchitra Krishnamoorthi, Subhadra Sen Gupta and others—write about various kinds of conflict in our society and history. Some stories are dark, others full of light and hope, and some outright funny as they portray mindless bigots for what they are. When a church burns in Bangalore, the altar cloth ends up in the hands of Mubina, whose grandmother can clean and repair it like no one else; years after the Partition tore a friendship apart, two people try to find the happiness that was once within their reach; and while chasing away courting couples from the Delhi Ridge, a young thug learns a lesson about what really makes Indian 'culture'. Interspersed with poems that articulate pleas for peace and understanding, this collection is sure to start a conversation on religion, race, caste, and mindsets that divide us. For almost 40 years, the author has lived and worked all over the world, from the United Kingdom to South Korea, Indonesia, China, Ukraine, Mongolia and Sri Lanka. He witnessed revolutions, debated with the International Monetary Fund, played golf with Chief Financial Officers of some of the world's largest companies, discussed bond financing with Ministers of Finance, and saw currencies lose 500% of their value in just a few months. He travelled extensively and went above and beyond what tourists and journalists typically get to see when visiting countries. He paints a picture of political, financial economic crises with devastating detail and a cool sense of humour. He has no compassion with politicians or corporate citizens who pretend all is fine and blame everything that goes wrong on the outside world, instead of themselves. *Mongolia: Cracks in the Eternal Blue Sky* is the first book in the series *Life is Good, Potentially*. The author takes us on a journey starting in 2016 when he arrives in Mongolia and ends in 2020 after abruptly being locked out of the country because of the Covid-19 pandemic. With deep emotional engagement he writes about the state of the country, from semi-feral horses on nearly pristine steppe, to failed property projects in Ulaanbaatar. He describes in painful accuracy why presidents and politicians are the reason why Mongolia is not the rich country it could - and should - be, how chicanery in the banking sector destroyed what little international credibility the country had, and why the number of people living below the poverty line does not reduce when the economy booms. The people the author writes about all have a name, the issues are all true and the facts accurate. Still, the book is meant to be generic. The author hopes it will contribute to an improvement of the political and social situation of Mongolia, a

country where Life is Good, not just potentially. "Jeff Kuhn survived the unthinkable: burns on over 80 percent of his body and a rare neurological muscular disease. Despite it all, Jeff found the courage to keep moving on. In *Blue Sky Lightning*, he shares his unbelievable journey through trauma and what those experiences taught him. You are not alone. Your mental fortitude is stronger than you think. Small victories make huge differences. Unconditional love lives in unexpected places (sometimes, even in non-human hearts). And, as long as the odds are not zero, you can win. *Blue Sky Lightning* is a beacon of hope for the hopeless, a call to share your own inspiring story, and proof that anyone can overcome even the most dire catastrophies." -- back cover.

The prophecy of the Seiran boys' dormitory is that whoever ends up being the chief R.A.'s roommate will become romantically involved with him. Chief R.A. Ryoichiro Kihara, wanting a little excitement in his life, rigs a lottery process to win the aloof Kyosuke Yoshimi to be his roommate. Sometimes you have to break a family to fix it. From New York Times bestselling author Kristan Higgins, a new novel examining a family at the breaking point—in all its messy, difficult, wonderful complexity. The Frosts are a typical American family. Barb and John, married almost fifty years, are testy and bored with each other...who could blame them after all this time? At least they have their daughters-- Barb's favorite, the perfect, brilliant Juliet; and John's darling, the free-spirited Sadie. The girls themselves couldn't be more different, but at least they got along, more or less. It was fine. It was enough. Until the day John had a stroke, and their house of cards came tumbling down. Now Sadie has to put her career as a teacher and struggling artist in New York on hold to come back and care for her beloved dad--and face the love of her life, whose heart she broke, and who broke hers. Now Juliet has to wonder if people will notice that despite her perfect career as a successful architect, her perfect marriage to a charming Brit, and her two perfect daughters, she's spending an increasing amount of time in the closet having panic attacks. And now Barb and John will finally have to face what's been going on in their marriage all along.

In its heyday, *The Golden Hotel* was the crown jewel of the hotter-than-hot Catskills vacation scene. For more than sixty years, the Goldman and Weingold families – best friends and business partners – have presided over this glamorous resort which served as a second home for well-heeled guests and celebrities. But the Catskills are not what they used to be – and neither is the relationship between the Goldmans and the Weingolds. As the facilities and management begin to fall apart, a tempting offer to sell forces the two families together again to make a heart-wrenching decision. Can they save their beloved Golden or is it too late? Long-buried secrets emerge, new dramas and financial scandal erupt, and everyone from the traditional grandparents to the millennial grandchildren wants a say in the hotel's future. Business and pleasure clash in this fast-paced, hilarious, nostalgia-filled story, where the hotel owners rediscover the magic of a bygone era of nonstop fun even as they grapple with what may be their last resort. A warm

and unforgettable portrait of a family letting go of the known world to encounter an unfamiliar one filled with rich possibilities and new understandings. Bruce Kirkby had fallen into a pattern of looking mindlessly at his phone for hours, flipping between emails and social media, ignoring his children and wife and everything alive in his world, when a thought struck him. This wasn't living; this wasn't him. This moment of clarity started a chain reaction which ended with a grand plan: he was going to take his wife and two young sons, jump on a freighter and head for the Himalaya. In *Blue Sky Kingdom*, we follow Bruce and his family's remarkable three months journey, where they would end up living amongst the Lamas of Zanskar Valley, a forgotten appendage of the ancient Tibetan empire, and one of the last places on earth where Himalayan Buddhism is still practiced freely in its original setting. Richly evocative, *Blue Sky Kingdom* explores the themes of modern distraction and the loss of ancient wisdom coupled with Bruce coming to terms with his elder son's diagnosis on the Autism Spectrum. Despite the natural wonders all around them at times, Bruce's experience will strike a chord with any parent—from rushing to catch a train with the whole family to the wonderment and beauty that comes with experience the world anew with your children. From New York Times bestselling author Kristan Higgins comes a funny and surprising new novel about losing it all—and getting back more than you ever expected. Lillie Silva knew life as an empty nester would be hard after her only child left for college, but when her husband abruptly dumps her for another woman just as her son leaves, her world comes crashing down. Besides the fact that this announcement is a complete surprise (to say the least), what shocks Lillie most is that she isn't heartbroken. She's furious. Lillie has loved her life on Cape Cod, but as a mother, wife, and nurse-midwife, she's used to caring for other people . . . not taking care of herself. Now, alone for the first time in her life, she finds herself going a little rogue. Is it over the top to crash her ex-husband's wedding dressed like the angel of death? Sure! Should she release a skunk into his perfect new home? Probably not! But it beats staying home and moping. She finds an unexpected ally in her glamorous sister, with whom she's had a tense relationship all these years. And an unexpected babysitter in, of all people, Ben Hollowell, the driver in a car accident that nearly killed Lillie twenty years ago. And then there's Ophelia, her ex-husband's oddly lost niece, who could really use a friend. It's the end of Lillie's life as she knew it. But sometimes the perfect next chapter surprises you . . . out of the clear blue sky. This isn't an ordinary Civil War tale. It is the all-true but little-known story of Adam "Stovepipe" Johnson-Kentucky legend, Texas hero, and Confederate cavalry officer-who boldly led the first Confederate raid across the Mason-Dixon Line to capture the thriving river-port community of Newburgh, Indiana, during the American Civil War. Not a shot was fired. With the politically divided landscape of Civil War Kentucky and the steamboat economy of the Ohio River as its backdrop, this is the historically accurate account of surprise nocturnal strikes, opportunistic military occupations, and a swashbuckling Rebel icon's daring daylight invasion into the Northern homeland that sealed the fate of western Kentucky for the remainder of the war. Vivid, thorough, and painstakingly researched, *Thunder from a Clear Sky* documents five critical weeks of 1862 Civil War history and shares the untold tale of one man's immeasurable impact on a nation at war. "A fascinating account of how a skilled former Indian fighter gathered a few Kentucky rebels and 'woke up' the slumbering Indiana Home Guard." -Evansville Courier & Press Book Reviews "An

important and, until now, largely neglected story about the American Civil War... Thunder from a Clear Sky stands as a fresh and important contribution in a field long studied." - Professor Randy K. Mills, Ph.D., Oakland City University, author of Jonathan Jennings: Indiana's First Governor From New York Times bestselling author Kristan Higgins comes a funny and surprising new novel about losing it all—and getting back more than you ever expected. Lillie Silva knew life as an empty nester would be hard after her only child left for college, but when her husband abruptly dumps her for another woman just as her son leaves, her world comes crashing down. Besides the fact that this announcement is a complete surprise (to say the least), what shocks Lillie most is that she isn't heartbroken. She's furious. But sometimes the perfect next chapter surprises you . . . out of the clear blue sky. "Exactly what I needed! Highly recommend!"—Elin Hilderbrand, #1 New York Times bestselling author of 28 Summers The author of Nine Women, One Dress delivers a charming, unforgettable novel about four women, one little lie, and the big repercussions that unite them all. It wasn't supposed to happen this way. When Eliza Hunt created The Hudson Valley Ladies' Bulletin Board fifteen years ago she was happily entrenched in her picture-perfect suburban life with her husband and twin preschoolers. Now, with an empty nest and a crippling case of agoraphobia, the once-fun hobby has become her lifeline. So when a rival parenting forum threatens the site's existence, she doesn't think twice before fabricating a salacious rumor to spark things up a bit. It doesn't take long before that spark becomes a flame. Across town, new mom and site devotee Olivia York is thrown into a tailspin by what she reads on the Bulletin Board. Allison Le is making cyber friends with a woman who isn't quite who she says she is. And Amanda Cole, Eliza's childhood friend, may just hold the key to unearthing why Eliza can't step out of her front door. In all this chaos, one thing is for sure...Hudson Valley will never be the same. Funny, romantic, raw, and hopeful, this is a story about being a woman and of the healing power of sisterhood.
