Screeno Jul 14 2022 Delmore Schwartz (1913-1966) was one of the finest writers of his generation. Winner of the prestigious Bollingen prize and the Poetry Society of America's Shelley Memorial Award, he was hailed by John Ashbery as one of the major twentieth-century poets. Schwartz's stories were also widely read and loved, admired by James Atlas for their unique style that enabled Schwartz to depict his characters with a sort of childlike verisimilitude. Graced with an introduction by Cynthia Ozick, this New Directions Bibelot, Screeno: Stories and Poems, gathers many of Schwartz's most popular stories and poems, including: Screeno, In Dreams Begin Responsibilities, America, America and The Heavy Bear who Goes with Me. Also included is a newly discovered story, The Heights of Joy, which appeared in the magazine Boulevard in 2002. Delmore Schwartz's life is legendary; yet it is his work that endures: What complicates and enriches Schwartz's comedy, says Irving Howe, is,

I think, a reaching out toward nobility, a shy aspiring spirituality, a moment or two of achieved purity of feeling.

Very Sensible Stories and Poems for Grown Persons Jan 28 2021 Why hello, dear reader. You have in your hands a copy of Jason Taniguchi's *Very Sensible Stories and Poems for Grown Persons*, which just may be the most singular artefact of our times. Yes, it contains some fine stories. Yes, it also provides some pleasing poetry. But that's not all: already there are powerful forces at work upon you. Depending on your genre proclivities, this may consist of a host of automated nanobots activated by the warmth of your touch and skittering from the spine of the book onto your unsuspecting fingertips; or dark eldritch creatures from the netherworld twining their bony fingers around your spirit; or tiny invisible fairies flittering just above the typeface, pointing

their little wands right at you; or, for you genre-mashing fans, perhaps tiny invisible fairies ordering dark eldritch creatures to unleash a host of automated nanobots, probably by means of some sort of steampunky device with gears and pistons and even a primitive sort of spell-check. Regardless, these forces are even now meddling with your mind, nudging your neurons, sidling up to your spirit, so that you are saying to yourself, “Hmm! This looks like just the sort of unconventional book I’ve been looking for! A quick flip through the contents suggests that it consists of a delightful mélange of strikingly captivating stories, astonishingly accessible poems, and some sort of fantastical-mystical-technological device that makes me want to buy it! Well, say no more—you had me at ‘fantastical-mystical-technological device that makes me want to buy it’!” These are stories and poems. You are a grown person. Why not do the sensible thing?

His vanity was small and could not call, His egoism

to the dubious hall, of fame, where average artists spend their hour..."

Tell Me Another Story Jan 08 2022 In *Tell Me Another Story*, Marucci examines those closest to her—her grandfather, nephew, and husband—as well as those she hardly knows—the women sitting at the next table in the diner; the roofer she meets on the train. Part 1: Me, is comprised of Emmy's own story—raw and personal—while Part 2: You tells the stories of others. With genuine curiosity and tenderness, Marucci asks of herself, her loved ones, and perfect strangers the child's perennial question: "Will you tell me a story?"

Poems Seven Jul 22 2020 *Poems Seven: New and Complete Poetry*, the winner of the National Book Award, presents the life work of a giant of American letters, tracks a forty-year career of honest, tough artistry, and shows a man at nearly 80 years of age and still at the height of his poetic power. Dugan's new poems continue his career-long concerns with renewed vigor: the poet's insistence that art is a grounded practice threatened by pretension, the wry wit, the jibes at the academic and sententious, and the arresting observations on the quotidian battles of life. All the while he peppers his

poems with humorous images of the grim and daunting topics of existential emptiness. *Selected Stories and Poems* Oct 05 2021 The stories and poems selected for this volume give a true picture of Poe's artistry and genius.

Moments Aug 03 2021 Come. Take a moment to delve into tales from the dark side, have fun with fantasy, dabble in dystopia, and court danger in a little science fiction. These tales touch upon death, grieving, war, fresh starts, hope, courage, change, choices, and encouragement. And then, after all that, you'll find the poems. From the lonely echoes of an empty house to the soaring heights of unexpected love and joy and learning to live as free as clouds and water. For each of us, a moment encompasses a lifetime and, yet, passes in but the blink of an eye. In but a moment, everything can change. And in this very moment, life beckons in all its potentiality. When the shadows fall, what will you do? (Please note, some of these stories have appeared in various anthologies elsewhere.)

A Collection of Short Stories & Poems Aug 15 2022 This is a book of short stories of everyday human emotional experiences. Stories of profound loss. Stories of great friendships. Stories of growing old with a dog, of going to war, and of course, stories of

deep romantic love. I hope the stories encourage the reader to do some introspection on what it means to be human. I believe the poems, like all art, will mean more to some than to others.

Cuentos Y Poesías Feb 21 2023 Presents selections of Rubên Darão's writings, with English translations appearing beside the original Spanish, and includes annotations for each story and poem.

The Collected Tales and Poems of Edgar Allan Poe Dec 27 2020 Edgar Allan Poe was one of the most original writers in the history of American letters, a genius who was tragically misunderstood in his lifetime. He was a seminal figure in the development of science fiction and the detective story, and exerted a great influence on Dostoyevsky, Arthur Conan Doyle, Jules Verne, and Charles Baudelaire, who championed him long before Poe was appreciated in his own country. Baudelaire's enthusiasm brought Poe a wide audience in Europe, and his writing came to have enormous importance for modern French literature. This edition includes his most well-known works--"The Raven," "The Pit and the Pendulum," "Annabel Lee," "The Fall of the House of Usher," "The Murders in the Rue Morgue"--as well as less-familiar stories, poems, and essays.

Mapping the Nation Nov 25 2020 Focusing specifically on the poetic construction of India, 'Mapping the Nation' offers a broad selection of poetry written by Indians in

English during the period 1870–1920. Centering upon the “mapping” of India – both as a regional location and as a poetic ideal – this unique anthology presents poetry from various geographical nodal points of the subcontinent, as well as that written in the imperial metropole of England, to illustrate how the variety of India’s poetical imagining corresponded to the diversity of her inhabitants and geography.

War Stories Sep 23 2020 Howard Nemerov has written often about wars great and small, the overtly political and the deeply personal. But only with the passage of time, a heightening of technique and deepening of insight, has he been able to write from his experience in World War II as he does here, where historical past and personal history finally dovetail. From "The War in the Heavens" to "The War in the Streets," Nemerov chronicles with devastating grace the harrowing of life. "These new poems of Howard Nemerov are the poems of a master at his best. What is more, they are accessible. They speak out in a beautiful unclouded voice of the experience of a flyer of the Second World War. Although as 'war poems' they take their place among the best of that genre, they resonate far beyond their history with an arresting immediacy."—Karl Shapiro
"Nemerov is the poet of our sanity, his the vision of the heroic ordinary. . . . Forty years after W. W. II, Nemerov's experiences in that war translate into timeless poetry. . . . Nemerov's poetry will outlast our generation: to read it now is to take part in something

of ourselves and our world that will—and should—endure."—The Virginia Quarterly Review "Throughout all his verse, formal language sets up a proscenium, keeping sentiment at a distance. In this elegant theatre, he tells stories that always, first, are works of art."—Denise Low, Kansas City Star

The Complete Stories and Poems of Lewis Carroll Jul 02 2021 This commemorative oversized volume of the complete collection of stories and poems of Lewis Carol showcases his ingenious use of word play, inverted logic and satire. Lewis Carroll was the pen name and, it could be claimed, the alter ego of the Reverend Charles Lutwidge Dodgson, a mathematician, writer and photographer. His creations, especially "Alice's Adventures in Wonderland" and "Through the Looking Glass and What Alice Found There," have been translated into countless languages and are as loved now as they have ever been. His neologisms ("curiouser and curiouser") and turns of phrase have forever infiltrated and enriched our language and culture.
