A Rich Man's Secret May 04 2021 It's the key to wealth and wisdom. It's an intriguing mystery. It's a novel that will fascinate and educate. It's A Rich Man's Secret by Ken Roberts. Ken Roberts spent years studying self-help guides, moving from job to job, and worrying about how to achieve personal and professional success. He thought he knew the answer, but his schemes fizzled. Then he discovered the inner principle that you will learn in A Rich Man's Secret. This book is unique, with no recycled and fruitless adages. Does it work? Ken Roberts is more than just an American "everyman" who found success. Today, his philosophical and financial guidance has reached over 200,000 subscribers in eighty-six countries. His guides to prosperity have grossed over forty million dollars and have international acclaim. Rather than simply tell you the spiritual and financial truths (which could be ignored or overlooked for their simplicity), A Rich Man's Secret is an exciting novel that will touch your heart and instill you with his elegant and clear presentation of ancient tenets leading to success. The story is about Victor Truman, a person who represents many people. He spends his days scanning the want ads, going to get-rich-quick seminars and listening to talk radio. But his every effort leaves him impoverished in spirit . . . and in his wallet. One day, while retrieving an errant golf ball, he stumbles upon a forgotten woodland cemetery and a tombstone engraved with a strange message. "Take the first step-no more, no less-and the next will be revealed." Puzzled, Victor Truman starts out to find out what this means. Is the tombstone really that of a wealthy industrialist? What are the next steps? Why do the clues seem to be left specifically for him? Crackling with the suspense of a detective story, yet soothing in its homespun wisdom and common sense, A Rich Man's Secret delivers scene upon scene of the quiet trials and tribulations we all experience during life. The conclusion will have you nodding in agreement at the way success can be had in all aspects of life: spiritual, emotional, and financial. Get A Rich Man's Secret for a better future.

Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we can't remember if we have read it or not. And that's a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That's not good. This summary is taken from the most important themes of the original book. Most people don't like books. People just want to know what the book says they have to do. If you trust the source you don't need the arguments. So much of a book is arguing its points, but often you don't need the argument if you trust the source you can just get the point. This summary takes the effort to distill the blahs into themes for the people who are just not going to read the whole book. All this information is in the original book.

The Richest Man Who Ever Lived Dec 11 2021 In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon's breakthrough strategies to achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn't succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In *The Richest Man Who Ever Lived*, Scott reveals Solomon's key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon's insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, *The Richest Man Who Ever Lived* weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.

Secrets of the Millionaire Mind Jun 24 2020 Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money -- and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

The Richest Man in Babylon Dec 31 2020 Read by millions, this classic offers today's readers a path to success, prosperity, and happiness. Easy to read stories packed with wisdom use parables set 6,000 years ago in ancient Babylon.

The Wealth Choice Feb 25 2023 It's no secret that these hard times have been even harder for the Black community. Approximately 35 percent of African Americans had no measurable assets in 2009, and 24 percent of these same households had only a motor vehicle. Dennis Kimbro, observing how the weight of the continuing housing and credit crises disproportionately impacts the African-American community, takes a sharp look at a carefully cultivated group of individuals who've scaled the heights of success and how others can emulate them. Based on a seven year study of 1,000 of the wealthiest African Americans, *The Wealth Choice* offers a trove of sound and surprising advice about climbing the economic ladder, even when the odds seem stacked against you. Readers will learn about how business leaders, entrepreneurs, and celebrities like Bob Johnson, Spike Lee, L. A. Reid, Herman Cain, T. D. Jakes and Tyrese Gibson found their paths to wealth; what they did or didn't learn about money early on; what they had to sacrifice to get to the top; and the role of discipline in managing their success. Through these stories, which include men and women at every stage of life and in every industry, Dennis Kimbro shows readers how to:

- Develop a wealth-generating mindset and habits
- Commit to lifelong learning
- Craft goals that match your passion
- Make short-term sacrifices for long-term gain
- Take calculated risks when opportunity presents itself

The Secret Code of Success Jul 26 2020 Americans spend more than \$11 billion a year on self-help products—everything from books to diet pills to career coaches to seminars. So why—with all this time, money, and energy being spent—are so few people living the life they really want? Why are millions of smart, talented, motivated people still going through life with one foot on the brake? Here's the real Secret: You don't need any more how-to-succeed information to reach your full potential. The problem isn't lack of motivation or lack of information. The real problem is that most people focus on the "how-to" aspects of success taught by traditional self-help programs, without coming to terms with what productivity expert Noah St. John calls your "head trash"—the subconscious, emotional roadblocks that prevent people from acting on their real hopes, dreams, and ambitions. In this groundbreaking book, based on work with thousands of clients around the world, Noah St. John has created a remarkable, step-by-step approach that helps you achieve long-term happiness, success, and wealth. In *The Secret Code of Success*, you will learn how to: Eliminate the causes of self-sabotage and fear of success Allow yourself to make more money Remove stress while dramatically increasing personal productivity Improve relationships with coworkers, family, and friends Experience enhanced feelings of happiness, connection, and love *The Secret Code of Success* shows that, when it comes to success, the conscious mind is exactly the wrong place to start. It's only when we first conquer the self-sabotage of our subconscious (which accounts for 90 percent of our behavior) that we can truly begin to enjoy a life filled with success. This insight is at the core of *The Secret Code of Success* and leads to Noah's revolutionary 7-step method for eliminating these psychological obstacles. True financial freedom and personal success is possible at last! *The Secret Code of Success* shows you how to get your foot off the brake and start living the life you deserve.

The Science of Getting Rich Feb 19 2020 Wallace D. Wattles introduced the world to the power of positive thinking. In his book, Wattles stresses the power of the human mind claiming that one's way of thinking can attract or repel wealth. According to him, there are certain laws that govern the process of acquiring riches. Once these laws are obeyed by any person, he will get rich with certainty. Discover the law of attracting wealth from among the first master to propagate it. Discover the secret of how to get rich, starting from where you are, with what you have. 'The Science of Getting Rich' holds the secret to how economic and emotional security can be achieved in a practical, imaginative and non-competitive way, while maintaining a loving and harmonious relationship with all of life. 'The Science of Getting Rich' remains relevant more than 100 years after its initial publication. "'Whatever may be said in praise of poverty, the fact remains that it is not possible to live a really complete or successful life unless one is rich. No man can rise to his greatest possible height in talent or soul development unless he has plenty of money; for to unfold the soul and to develop talent he must have many things to use, and he cannot have these things unless he has money to buy them.'" -'The Science of Getting Rich'. About the Author: Wallace D. Wattles was an

American author and a pioneer success writer. A practical author, Wattles encouraged his readers to test his theories on themselves rather than take his word as an authority, and he claimed to have tested his methods on himself and others before publishing them. Born in the mid 1800s during the War between the States, Wallace D. Wattles experienced a life of failure after failure, until he formulated and put into practice the principles laid out in 'The Science of Getting Rich'. His daughter Florence notes that in those last years, ""He wrote almost constantly. It was then that he formed his mental picture. He saw himself as a successful writer, a personality of power, an advancing man, and he began to work toward the realization of this vision. He lived every page... His life was truly the powerful life."" Although Mr. Wattles died relatively young, and although his work was largely forgotten for years, those who have studied and applied these principles throughout the 20th century have experienced remarkable results. They have gotten rich! Rhonda Byrne told a Newsweek interviewer that her inspiration for creating the 2006 hit film *The Secret* and the subsequent book by the same name, was her exposure to Wattles's *The Science of Getting Rich*. Byrne's daughter, Hayley, had given her mother a copy of the Wattles book to help her recover from her breakdown.

How to be Rich Dec 19 2019

Affirmations of Wealth May 16 2022 The purpose of this book is to help you develop a positive mindset to achieve success in all areas of your life. Unfortunately, we are exposed to negative thinking every day...on our jobs, in the media, and in the words and actions of the people we meet. This negative thinking has a profound impact on how we perceive ourselves and what we become. Every truly successful person who discovers his or her inner strength, who achieves great things, does so with a positive frame of mind. A positive mental attitude can be developed and maintained by following the process revealed in this book. Without a doubt, to accomplish any goal you need to develop the proper mindset. Confidence, which is cultivated through applied faith, can be an acquired virtue. It is a well established fact that repetition of thought in the form of daily affirmations or convictions will dramatically increase self-confidence. Upon acquiring the confidence necessary to take actions on your dreams and desires, you are well on the way to accomplishing any goal or fulfilling any mission.
