**STORM APPROACHING** The first volume of the Mercenaries series Leaving the Institute for the Homeless, Andiriel longs for excitement. Befriended by a knight of the illustrious Sovereign Order, she enters the Orders auxiliary services and finds herself on a strange mission leading to a challenging future in a job she hardly expects. ----- No magic swords or mighty rings, no orphans who are really kings, No elves or dwarfs or prophecies, no ghouls and vampires, if you please. A mercenary regiment, its men (and women), where it's sent, Its training, tactics, work and play; A growing threat (still far away): That's Storm

Approaching. Kindly look at this self-published, worthwhile book. ----- More information at: <http://andiriel.blogspot.com> "An engaging and fascinating narrative of the entrepreneurs and mercenaries who 'ravished' Central America between 1880 and 1930." -The Americas Ambitious entrepreneurs, isthmian politicians, and mercenaries who dramatically altered Central America's political culture, economies, and even its traditional social values populate this lively story of a generation of North and Central Americans and their roles in the transformation of Central America from the late nineteenth century until the onset of the Depression. The Banana Men is a study of modernization, its benefits, and its often frightful costs. The colorful characters in this study are fascinating, if not always admirable. Sam "the Banana Man" Zemurray, a Bessarabian Jewish immigrant, made a fortune in Honduran bananas after he got into the business of "revolutin," and his exploits are now legendary. His hired mercenary Lee Christmas, a bellicose Mississippian, made a reputation in Honduras as a man who could use a weapon. The supporting cast includes Minor Keith, a railroad builder and banana baron; Manuel Bonilla, the Honduran whose cause Zemurray subsidized; and Jose Santos Zelaya, who ruled Nicaragua from 1893 to 1910. The political and social turmoil of modern Central America cannot be understood without reference to the fifty-year epoch in which the United States imposed its political and economic influence on vulnerable Central American societies. The predicament of Central Americans today, as isthmian peoples know, is rooted in their past, and North Americans have had a great deal to do with the shaping of their history, for better or worse. "Recounts incredible stories within the framework of social imperialism and dependency theory." -Latin American Research Review A contract broken... Ryan Church and Jill Paxon enjoyed their life as Master and

submissive until the day Ryan's entire world crumbled. No longer able to fulfill his end of the contract, Ryan did what he thought was best for Jill. He let her go. An unexpected reunion... Eighteen months later, Ryan is working for Ian Taggart as the Dom in Residence at the elite BDSM club Sanctum when his former submissive walks through the door looking for a job. Jill has changed, but his desire for her is still insatiable. Jill, shattered by his past rejection, can't trust Ryan, but she needs the job. Back in the community where she once felt safe and secure, she longs for the life she lost and the man she loved. A last chance for love... Ryan is presented with an opportunity to restore his wealth and name, but it could cost him his last chance at rebuilding a life with the woman he loves. When the secrets Jill has carefully hidden from Ryan are exposed, a terrible twist of fate might take her out of his life forever.

A Masters and Mercenaries Novella by Lexi Blake  
From New York Times and USA Today bestselling author Lexi Blake comes a new story in her Masters and Mercenaries series... Brian "Boomer" Ward believes in sheltering strays. After all, the men and women of McKay-Taggart made him family when he had none. So when the kid next door needs help one night, he thinks nothing of protecting her until her mom gets home. But when he meets Daphne Carlton, the thoughts hit him hard. She's stunning and hardworking and obviously in need of someone to put her first. It doesn't hurt that she's as sweet as the cupcakes she bakes. Daphne Carlton's life revolves around two things—her kid and her business. Daphne's Delights is her dream—to take the recipes of her childhood and share them with the world. Her daughter, Lou, is the best kid she could have hoped for. Lula's got a genius-level intelligence and a heart of gold. But she also has two grandparents who control her access to private school and the fortune her father left behind. They're impossible to please, and Daphne worries

that one wrong move on her part could cost her daughter the life she deserves. As Daphne and Boomer find themselves getting closer, outside forces put pressure on the new couple. But if they make it through the storm, love will just be the icing on the cake because family is the real prize. \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\*

Reviews for *Delighted*:  
"Funny, flirty and full of all the emotion, this is one of my favourites in a favourite series. If you haven't met them yet you are in for a whole lot of stellar reading!" ~ Diane, 1-Click Addict Support Group

"*DELIGHTED* was another wonderful romantic suspense story in this amazing series. It's seductive, sexy, sweet, and suspenseful, with characters that I fell for easily, and a story line that was thoroughly intriguing." ~ Ria, Reading Is Our Satisfaction

"This is by far the best short story I have read in a long time." ~ Jen, Read. Review. Repeat Blog

"I really loved this book! *Delighted* was a real treat." ~ Janine, The World Was Hers for the Reading

"Boomer and Daphne have a sweet and sexy story, a little bit of drama, and a whole lot of finding your match and enjoying life." ~ Dar Gee Reads

*A Wall Street Journal* bestseller. Danger rises and love is threatened in *New York Times* bestselling author Susan Stoker's fourth book of the *Mountain Mercenaries* series. Lowell "Black" Lockard, former Navy SEAL, has watched his fellow *Mountain Mercenaries* settle down with the women of their dreams, but he's convinced he doesn't need love. Then he gets a call from Harlow Reese--a chef at a local women's shelter--and begins to reconsider his decision. After being continually harassed by a local band of punks, Harlow asks Lowell to give the women of the shelter lessons in self-defense. She doesn't expect him to take such a special interest in her safety, but

he insists on escorting her to and from work, never taking no for an answer. Not that Harlow minds the personal touch...especially when it's coming from her former teenage crush. Despite her long history of bad dating luck, seeing Black again makes Harlow rethink her self-imposed celibacy. Easy on the eyes and hard to forget, the man has morphed into an alpha stud. And Harlow may be exactly the type of woman Black is looking for. Making her feel safe isn't only a duty; it's a pleasure. But the threats are escalating. The motives are a mystery. And as the danger burns almost as hot as their passion, there's much more at risk than their hearts. *Greek Mercenaries* is an analysis of the political, social and economic aspects of classical Greek mercenary service. Remy Guidry doesn't do relationships. He tried the marriage thing once, back in Louisiana, and learned the hard way that all he really needs in life is a cold beer, some good friends, and the occasional hookup. His job as a bodyguard with McKay-Taggart gives him purpose and lovely perks, like access to Sanctum. The last thing he needs in his life is a woman with stars in her eyes and babies in her future. Lisa Daley's life is going in the right direction. She has graduated from college after years of putting herself through school. She's got a new job at an accounting firm and she's finished her Sanctum training. Finally on her own and having fun, her life seems pretty perfect. Except she's lonely and the one man she wants won't give her a second look. There is one other little glitch. Apparently, her new firm is really a front for the mob and now they want her dead. Assassins can really ruin a fun girls' night out. Suddenly strapped to the very same six-foot-five-inch hunk of a bodyguard who makes her heart pound, Lisa can't decide if this situation is a blessing or a curse. As the mob closes in, Remy takes his tempting new charge back to the safest place he knows—his home in the bayou. Surrounded

by his past, he can't help wondering if Lisa is his future. To answer that question, he just has to keep her alive. From New York Times and USA Today bestselling author Lexi Blake comes a new story in her Masters and Mercenaries series... A snarky submissive princess Sarah Stevens's life is pretty sweet. By day, she's a dedicated trauma nurse and by night, a fun-loving club sub. She adores her job, has a group of friends who have her back, and is a member of the hottest club in Dallas. So why does it all feel hollow? Could it be because she fell for her dream man and can't forgive him for walking away from her? Nope. She's not going there again. No matter how much she wants to. A prince of the silver screen Jared Johns might be one of the most popular actors in Hollywood, but he lost more than a fan when he walked away from Sarah. He lost the only woman he's ever loved. He's been trying to get her back, but she won't return his calls. A trip to Dallas to visit his brother might be exactly what he needs to jump-start his quest to claim the woman who holds his heart. A masquerade to remember For Charlotte Taggart's birthday, Sanctum becomes a fantasyland of kinky fun and games. Every unattached sub gets a new Dom for the festivities. The twist? The Doms must conceal their identities until the stroke of midnight at the end of the party. It's exactly what Sarah needs to forget the fact that Jared is pursuing her. She can't give in to him, and the mysterious Master D is making her rethink her position when it comes to signing a contract. Jared knows he was born to play this role, dashing suitor by day and dirty Dom at night. When the masks come off, will she be able to forgive the man who loves her, or will she leave him forever? \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\* A man with everything Michael Malone

seems to have it all. A wealthy, loving family. A job that fulfills him. Friends he can count on. But something is missing. He's spent years watching his brother and close friends get married and start families, but it hasn't happened for him. When an assignment comes up to investigate fallen Hollywood star Vanessa Hale, he jumps at the chance. She's gorgeous and potentially deadly. Playing the spy game with her might be just the thing to take his mind off his troubles. A woman with nothing left to lose Vanessa Hale had big dreams that ended in scandal. She returned home with nothing but heartache and the desire to find her sister's killer. The trail points to someone at Lodge Corp, so taking a job with Julian Lodge's mysterious company is her best option for finding the truth. While she hunts for a killer during the day, she hopes to find some solace at night in The Club. Meeting the gorgeous, sexy and seemingly kind Michael Malone, their chemistry sparks in a way she's never felt before, and Vanessa thinks maybe her luck has finally changed. A love that might save them both When Michael's true motives are revealed, she will have to find a way to forgive his betrayal. The killer has made Vanessa their next target. Working together and stopping this monster is the only chance for them to have the real love they both deserve. Meet Blackwater USA, the private army that the US government has quietly hired to operate in international war zones and on American soil. Its contacts run from military and intelligence agencies to the upper echelons of the White House; it has a military base, a fleet of aircraft and 20,000 troops, but since September 2007 the firm has been hit by a series of scandals that, far from damaging the company, have led to an unprecedented period of expansion. This revised and updated edition includes Scahill's continued investigative work into one of the outrages of our time: the privatisation of war. Top restaurant has become the hot spot in Dallas for

elevated comfort food—and a side of spicy romance. Run by executive chef Sean Taggart, *Top* is the premiere fictional destination for gourmet food. Join creator, *New York Times* bestselling author Lexi Blake, and Southern food expert Suzanne Johnson as they guide you through the world of *Masters and Mercenaries* via the secret recipes behind the food served in *Top*. But what would a gourmet meal be without some company? Spend an evening with your favorite characters from McKay-Taggart as they celebrate the special moments that make up their happily ever afters. Learn how to make Sean's specialty dishes and Macon's desserts while exploring the private lives of the characters who make up the world. From Charlie and Ian's next demon spawn to a change in path for Simon and Chelsea, these are the times that bind us together, the moments that make us a family. Good meals, good times, good friends. Bon appétit! From *New York Times* and *USA Today* bestselling author Lexi Blake comes a new story in her *Masters and Mercenaries* series... JT Malone is lucky, and he knows it. He is the heir to a billion-dollar petroleum empire, and he has a loving family. Between his good looks and his charm, he can have almost any woman he wants. The world is his oyster, and he really likes oysters. So why does it all feel so empty? Nina Blunt is pretty sure she's cursed. She worked her way up through the ranks at Interpol, fighting for every step with hard work and discipline. Then she lost it all because she loved the wrong person. Rebuilding her career with McKay-Taggart, she can't help but feel lonely. It seems everyone around her is finding love and starting families. But she knows that isn't for her. She has vowed never to make the mistake of falling in love again. JT comes to McKay-Taggart for assistance rooting out a corporate spy, and Nina signs on to the job. Their working relationship becomes tricky, however, as their personal chemistry flares like a wildfire. Completing the assignment without giving in to the

attraction that threatens to overwhelm them seems like it might be the most difficult part of the job. When danger strikes, will they be able to count on each other when the bullets are flying? If not, JT's charmed life might just come to an end. \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\*

**THE PLAN:**

- \* Smuggle diamonds from Liberia to Morocco
- \* Make the trip in three days
- \* Don't get caught
- \* Don't kill each other
- \* Don't have sex with each other
- \* Don't fall for each other

**STICK TO THE PLAN** This is the story of what happens when an unlikely bond is formed between enemies, causing tensions to rise, and igniting a chemistry that threatens to burn them both. Together, they'll learn that sometimes even the best laid plans can fail.

Second volume of Deutscher prize-winning trilogy on the future of IR, tracing the defining characteristics of 'foreign encounters' over time. In a twist of fate that rocks the Galactic Empire, James McGill finds himself negotiating the future of a thousand inhabited worlds. An artificial object made of compressed stardust is barreling toward Earth. Is it an invasion ship? A doomsday weapon? Perhaps it's the final response of Squanto, the Warlord of Rigel who McGill has repeatedly humiliated. Or could it be from the Mogwa, sent to avenge McGill's assassination of Earth's Imperial Governor? No one knows the truth of its origins, but the object is huge and unstoppable. Whoever hurled this rock at us isn't answering our calls. Every weapon bounces off, and the people of Earth begin to go mad as they realize their destruction is only hours away.

**ARMOR WORLD** is the eleventh book of the Undying Mercenaries Series. With over three million copies sold, author B. V. Larson is the king of modern military science fiction. He loves the sweet life Greg Hutchins is reluctantly adulting

these days. He's settled in his job, recently bought his first house, and has a network of friends he can call family. But there's something missing in his life, and he can't quite put his finger on it. When he's assigned to a case that involves investigating a biochemical company, he meets a woman who's sweeter than any candy. Maybe she's just the thing to make him feel complete. She's ready for the future Noelle LaVigne has faced plenty of tragedy in her life, but she's on the right path now. Between her new job and settling into a new city, she's got no time for dating or relationships. She's worked hard to get where she is, and no man is going to push her off track. Except the minute Hutch crosses her path she can't seem to think about anything but the handsome security expert. He's there to find a corporate spy, but late-night work sessions make her think they've both found something much more meaningful. A twist they never saw coming When the case becomes dangerous, both of their futures are on the line. And when the bullets start flying, they will have to learn to trust in each other if they hope to survive. Ashe is in trouble with a capital T. As merchandise heading to an intergalactic auction, Ashe's future looks grim. So when a too-sexy-for-his-own-good alien outlaw solicits her help to break them out of lockup, she jumps on the chance. Ashe only needs to survive long enough with the known criminal to get her end of the bargain: freedom. She trusts the clawed and fanged Tallean warrior to keep her safe, but who will keep her safe from him? A Tallean mercenary claims what he wants, and he wants her! As captain of an infamous mercenary vessel, Zeylum carefully crafts his dastardly reputation with crass words and a brutish exterior. But the little human triggers his need to own and protect, and Zey finds himself bonded to the one female he promised to let free. Will Ashe look past his rough facade and fall for the male beneath? Because now that he's had a taste of

his mate, he will never let her go! Feisty heroine, growly mercenary, and lots of action ahead. HEA guaranteed! The Galactics arrived with their Battle fleet in 2052. Rather than being exterminated under a barrage of hell-burners, Earth joined a vast Empire that spanned the Milky Way. Our only worthwhile trade goods are our infamous mercenary legions, elite troops we sell to the highest alien bidder. In the third book in the series, James McGill is deployed on another alien world. His third interstellar tour is different in every way. Rather than meeting up with a primitive society, this time he's headed to an advanced world. Tau Ceti, better known as Tech World, is the central trading capital of Frontier 921. McGill figures he's lucked out. The assignment looks dull but luxurious. Tau Ceti boasts a planet-wide city with a trillion inhabitants, all of whom are only interested in making a few credits. But all is not well on Tech World. The Empire is crumbling, an invasion is coming, and McGill's easy ride through life and death has come to an end. Tech World is a military science fiction novel by bestselling author B. V. Larson. I've always had a guardian angel. As kids, Griffin scared away my bullies and nightmares. He protected me. Cherished me. And when he left, he broke my heart. A lot can change in five years. Him. Me. Our secrets. When he returns, it's like a dream. But it quickly dissolves into a nightmare. People are after him—and by proxy, me. Turns out, hurting me is the easiest way to get to Griffin. But now we're in too deep, and I can't warn him— The one who will end up hurting him the most... Is me. This steamy, dark friends-to-lovers romance is a standalone in the Broken Mercenaries series. Sadie Jennings was used to being protected. As the niece of Sean Taggart, and the receptionist at McKay-Taggart Group, she was constantly surrounded by Alpha men more than capable, and willing, to lay down their life for her. But when she visits her

friend in San Antonio, and acts on suspicious activity at Milena's workplace, Sadie puts both of them in the crosshairs of a madman. After several harrowing weeks, her friend is now safe, but for Sadie, the repercussions of her rash act linger on. Chase Jackson, no stranger to dangerous situations as a captain in the US Army, has volunteered himself as Sadie's bodyguard. He fell head over heels for the beautiful woman the first time he laid eyes on her. With a Delta Force team at his back, he reassures the Taggart's that Sadie will be safe. But when the situation in San Antonio catches up with her, Chase has to use everything he's learned over his career to keep his promise...and to keep Sadie alive long enough to officially make her his. --- Taken. Prized. Possessed. Loved. --- Clover is an orphan and has led a tough and chaotic life. No stability. No money. No friends. He trusts no one. His already miserable life takes a nosedive when he ends up in the hands of a human trafficking gang. Someone has placed a request for a young albino man, and Clover is to become the property of a mysterious buyer who will stop at nothing to satisfy their depraved desire. Clover's fate seems sealed until four bounty hunters appear to take out his captors and accidentally save him. The four mercenaries want to move on, but when Clover pleads for protection, they offer it to him at a price. In the beginning, the arrangement is all kinds of shady, but as he gets to know the four men who've taken him on a wild ride, his developing feelings might become as dangerous as the elusive buyer. But can a relationship with four such different men even work? Men who kill for a living? Men so full of contradictions? Tank. The massive ex-soldier eager to be Clover's Daddy. Pyro. Wild, tattooed, with a filthy mouth and an itch for violence. Boar. Ginger, bearded, a big teddy bear who can turn into a grizzly. Drake. Dark and dangerous, with a tongue as sharp as his knives. Can these men provide him with the love and

security he craves? Or has Clover made the worst mistake of his life? *THEIR BOUNTY* is a dark gay harem contemporary romance, book 1 in the "Four Mercenaries" trilogy. The story contains scenes of explicit violence, offensive language, morally ambiguous characters and lots of scorching hot, emotional, explicit scenes.

**POSSIBLE SPOILERS:** Themes: abduction, polyamory, mercenaries, bounty hunters, albinism, commitment issues, indecent proposal, dark past, male bonding, human trafficking, size difference, enemies to lovers, danger, alpha male, found family, size difference, distrust, shared, victim and protector Length: 90,000 words An Amazon Charts bestseller. Protection leads to passion in New York Times bestselling author Susan Stoker's dangerously hot Mountain Mercenaries adventure. Dispatched to the Dominican Republic to rescue a kidnapped child, former Marine Archer "Arrow" Kane makes a startling discovery: another hostage--Morgan Byrd, a very beautiful and very well-known missing person who disappeared off the streets of Atlanta a year ago. She's brave, resilient, and unbroken. All Arrow wants to know is why she ended up in a shack in Santo Domingo. All he feels is the desire to protect. Morgan is done being the victim and is determined to find out who hates her so much that they want her gone--but not dead. Until then, she has Arrow, an alpha stranger who's offering a warm and safe place to hide. But as the passion between them flares, so does the fear that whoever took Morgan will do anything to get her back. For Arrow, protecting this woman with a mysterious enemy is the most dangerous mission of his life. And it's worth every beat of his heart. 2009 Moonbeam Young Adult Fantasy Award Winner for Excellence in Literature. Named Dragon Roots Magazine's Best New Fantasy Saga of 2009. In a sleepy farming stead, a young man, Alant Cor, is found to be one of the few Humans who can manipulate the Essence. And, not simply manipulate it. Alant has more power over

this magical force than any Human in known history. Does his younger brother, Arderi Cor, possess the same ability, or something more sinister? Clytus Rillion, the commander of a mercenary troop, embarks on a quest to cure his dying son, Sindian. Though he doubts he will survive the journey, he will pay any price to save his son's life. The beast, known only as Klain, born a slave and now used to entertain the masses in a bloodthirsty sport known as the Games, finds out his true value to those who own him lies with his death. All are resigned to walk the paths fate has put them upon. Yet, is this of their own accord? Or, is an ancient and powerful race, the Elmorrr'Antiens, manipulating the other inhabitants of Talic'Nauth? Change is falling upon the Plane. Some Elmorrr'Antiens are making preparations to weather the storms ahead - others intend to use the coming chaos to seize power over all the races. Follow these seemingly unrelated lives as their paths are set on a course that none can hope to survive. Readers of the Genesis of Oblivion Saga will immerse themselves in the depth of a unique world culture, the grandeur of its civilizations, and the sheer awe of more than ninety-six thousand years of history! From New York Times and USA Today bestselling author Lexi Blake comes a new story in her Masters and Mercenaries series... A woman's work Amy Slaten has devoted her life to Slaten Industries. After ousting her corrupt father and taking over the CEO role, she thought she could relax and enjoy taking her company to the next level. But an old business rivalry rears its ugly head. The only thing that can possibly take her mind off business is the training class at Sanctum...and her training partner, the gorgeous and funny Flynn Adler. If she can just manage to best her mysterious business rival, life might be perfect. A man's commitment Flynn Adler never thought he would fall for the enemy. Business is war, or so his father always claimed. He was raised to be ruthless when it came to

the family company, and now he's raising his brother to one day work with him. The first order of business? The hostile takeover of Slaten Industries. It's a stressful job so when his brother offers him a spot in Sanctum's training program, Flynn jumps at the chance. A lifetime of devotion... When Flynn realizes the woman he's falling for is none other than the CEO of the firm he needs to take down, he has to make a choice. Does he take care of the woman he's falling in love with or the business he's worked a lifetime to build? And when Amy finally understands the man she's come to trust is none other than the enemy, will she walk away from him or fight for the love she's come to depend on? \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\* Kill those who betray you. Never trust someone with nothing to lose. Family is business. Delia I watched my enemies murder my father. On the run, I plot to return home and lead my mafia family as my father did. But some would kill for my inheritance, and unearthing those people from the shadows would be impossible without Jackson. He rescued me, has saved me over and over again—and he could be the key to my survival. The problem is, his morals keep getting in the way. Jackson It takes a lot to scrub bad deeds from a man's soul, but God, I've been trying. All my efforts evaporate when I meet Delia. That woman has trouble written all over her, and she sucks me into the mud faster than I can throw a punch. Love has a way of blurring the lines, and Delia is igniting all of my old urges. I'm trying to be good, I really am. The problem is, I kind of like being bad. This action-packed star-crossed lovers story is the first installment in an exciting new romantic suspense series from S. Massery. Start this steamy, thrilling series today! A woman in danger... Serena Brooks is a bestselling author of

erotic fiction. She knows how to write a happy ending but hasn't managed to find one of her own. Divorced and alone, she has no one to turn to when a stalker begins to threaten her life. The cops don't believe her. Her ex-husband thinks she's making the whole story up. She has no one left to turn to except a pair of hired bodyguards. They promise to guard her body, but no one can protect her heart. Two men in search of love... Adam Miles and Jacob Dean are halves of a whole. They've spent their entire adult lives searching for the one woman who can handle them both. Adam is the playful, indulgent lover, while Jacob is the possessive, loving Dom. When Serena comes into their lives, Adam is certain that she's the one. But Jacob's past comes back to haunt them all. He is suspicious of Serena's story, and his concerns are driving a wedge between him and Adam. But when the stalker strikes, they will have to come together or lose each other forever... A Masters and Mercenaries Novel by Lexi Blake

The Galactics arrived with their Battle fleet in 2052. Rather than being exterminated under a barrage of hell-burners, Earth joined a vast Empire that spans the Milky Way. Our only worthwhile trade goods are our infamous mercenary legions, elite troops we sell to the highest alien bidder. In 2122 a lost colony expedition contacts Earth, surprising our government. Colonization is against Galactic Law, and Legion Varus is dispatched to the system to handle the situation. Earth gave them sealed orders, but Earth is thirty-five lightyears away. The Legion commanders have a secret plan of their own. And then there's James McGill, who was never too good at listening to authority in the first place... In DUST WORLD, book two of the Undying Mercenaries Series, McGill is promoted to Specialist and sent to a frontier planet outside the Empire. Earth's status within the Empire will never be the same. --- Bruised not broken. Loved. Always. --- Clover's life was perfect a year ago.

He'd found four men to love, each essential to making him whole. Each one of them tough in their own way, part of a crew of mercenaries living on the wrong side of the law. Tank was his loving Daddy, Pyro the wild one always pulling him into mischief, Boar taught him how to cook, and Drake showed him how to use knives in a wholly different fashion. All Clover wanted was to finally be an equal in the group. So he trained, he pushed, and risked, but when real danger stared him in the face, he broke like a twig. Now, with one of his lovers taken, Clover can't find a way back to his former self. Each of the relationships they'd so meticulously built is fractured, and might never be the same. If their group is to ever be whole again, Clover needs to find the courage he's lost, but that means facing the monster who scarred him, and truths none of his men want to confront. \*THEIR PROPERTY is a dark gay harem contemporary romance, book 3 in the "Four Mercenaries" trilogy. The story contains scenes of explicit violence, offensive language, morally ambiguous characters and lots of scorching hot, emotional, explicit scenes. POSSIBLE SPOILERS: Themes: polyamory, mercenaries, bounty hunters, albinism, commitment issues, dark past, male bonding, human trafficking, size difference, danger, alpha male, found family, size difference, distrust, shared, victim and protector, revenge, organized crime, angst, trauma, rescue, missing Length: 75,000 words THE new PLAN: \* Find Marc \* DON'T find Marc \* Take down a Russian Bratva boss \* Don't have sex with Kingsley \* Find Marc \* Take down a Colombian drug lord \* Don't fall for Marc again \* DON'T FIND MARC \* Kill every - \* \* \* SCREW THE PLAN AND JUST WING IT This is the story of what happens when best laid plans fail, and a vengeful woman is forced to find her own way once again. A bond broken, trust shattered, and too many lies to keep track of find Marc and Lily all out of plans and running out of time. Can they find their way back to

each other before trouble finds them first, or is it really the end of their journey? From New York Times and USA Today bestselling author Lexi Blake comes a new story in her Masters and Mercenaries series.. A second chance at first love Years before, Wade Rycroft fell in love with Geneva Harris, the smartest girl in his class. The rodeo star and the shy academic made for an odd pair but their chemistry was undeniable. They made plans to get married after high school but when Genny left him standing in the rain, he joined the Army and vowed to leave that life behind. Genny married the town's golden boy, and Wade knew that he couldn't go home again. Could become the promise of a lifetime Fifteen years later, Wade returns to his Texas hometown for his brother's wedding and walks into a storm of scandal. Genny's marriage has dissolved and the town has turned against her. But when someone tries to kill his old love, Wade can't refuse to help her. In his years after the Army, he's found his place in the world. His job at McKay-Taggart keeps him happy and busy but something is missing. When he takes the job watching over Genny, he realizes what it is. As danger presses in, Wade must decide if he can forgive past sins or let the woman of his dreams walk into a nightmare... \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\* "James McGill is sent to the Core Worlds! In an unprecedented first, Earth sends a message to Mogwa Prime. Unfortunately, the messenger is not met with enthusiasm. Misunderstandings soon threaten all of Humanity. Forced to prove Earth can serve the Empire better than any rival, McGill does his best. Eager to prove our worth to the Galactics, the frontier war between Rigel and Earth is expanded to Storm World. Circled by six moons, the planet is ravaged by wild storms and tides. Battles are fought in raging

hurricanes, and death stalks the soldiers on both sides. McGill grimly fights and dies in the mud until the job gets done, but will it be enough to satisfy the angry Mogwa?"--Cover, page 4. Natalia Heath is a survivor. She'll survive an alien fight pit. No problem. On the run from her crime lord father most of her life, Nat knows how to survive in the worst places in the universe. Being kidnapped by aliens and thrown into a gladiatorial arena to fight for her life is just another turn of bad luck in a lifetime of them. She just needs to figure out a plan to escape. What she doesn't plan on though is the sexy alien who says he's here to rescue her... or the sparks that fly between them. Beauty's secret could get him killed... not revealing it will mean her death. Former pit champion and now a member of the famous mercenary unit, the Warborne, Beauty has two goals in life; keep his head down and die of old age in his own bed. Unfortunately he picked the wrong profession for that. When a team member's sister is captured, he must head back to the gladiatorial fight pits and reclaim his place as champion to save her. Unfortunately for him, she turns out to be a spiky, snippy little human female with plans to save herself. Worse, her scent is the most tantalizing he's ever encountered... She's beautiful, alluring, and HIS. His mate. But the rules have changed. The pits are no longer a place where skill in combat can elevate a fighter to freedom. It's a place of despair and hopelessness with no way out. To save them all, he must deal with the devils of his past and fight a new champion, one shrouded in secrecy who kills all who dare to step onto the sands in challenge... Keywords: alien mate romance, alien romance, space books for adults, sci fi, sci fi books, sci fi romance, sci fi adventure, sci fi series, space marine, alien warrior. They had met before. Battled before. And Captain Maya Stevenson had never again wanted to lay eyes on Major Dane York--the man who

had once tried to destroy her military career. But she was ready for him now. This time, they were on her turf--on her mission. Dane knew this assignment was his last chance to save his career. And Maya wasn't going to make it easy. Even though he sensed she knew she needed his expertise. And even though there was something happening behind the flash of her eyes that spelled wanting, and tenderness, and danger. The best-selling video game from Pandemic Studios is the next new Dynamite Entertainment comic book event, collected here for the very first time! Get ready to join up with the Mercenaries! Mercenaries the game has revolutionized the world of 3rd-person action-shooters by putting players in the middle of real-world combat with the kind of freedom only a mercenary has. Featuring covers by red-hot artist Michael Turner, a stellar script from Mercenaries writer Brian (Ms. Marvel, Red Sonja) Reed, and art from Dynamite up-n-comer Edgar Salazar, The Mercenaries trade paperback puts you into the middle of the Mercenaries next adventure. Warning: Contains language, violence, sex, and killing. For mature audiences. Contains sexy men behaving very badly. Book 5 in the Hunter Mercenary series. Payback is his goal. Someone has his child, and Jagger Armstrong isn't playing a game with her life. He's been given the address, and told to head there. Oh, he is, all right. His plan is to raise all kinds of hell in the French Quarter until he gets his child back. Failure is not an option. Only, when he gets there, he sees that this is a desperate situation, and he's stuck between a rock and a hard place. Mainly, between retiring with his daughter and the woman he's madly in love with, or staying to help a bunch of strangers--some Marines and some ex-Feds--save a city on the brink of self-destruction. It's one hell of a choice. And he's not the only one with one to make...Maura Gaines-Mars has had her life turned upside down, and she's so damn lost. While she knows the path

that she's supposed to be on, there's something about the city that has made her feel...at home. What she does know is that women are being sold into a sex ring, and that's unacceptable to her. Period. FBI. HUNTERS. MERCENARIES...To her, right is right, and she's still a Marine until the end. Will New Orleans be the place where they say goodbye after years of having each other's backs? Or will this be a brand new adventure for the son of a mob man, and a badass Marine?In New Orleans, the City of Second Chances, one can never tell...Acrimony is on the menu, and it's going to be one hell of a fight. Warning: Contains language, violence, sex, and killing. For mature audiences. Contains sexy men behaving very badly. Book 3 in the Hunter Mercenary series.Crossover with the Croft Mob Family series. New Orleans is a down and dirty town built to test even the strongest of men. It is a place where you can buy a killer, sell your soul, and find yourself in a whole lot of trouble. Now, it's gotten worse. There's a killer in town, and he's hooked up with the same animals that Dakota Rakin and his not so merry band of mercenaries have been contracted to take out. This animal is making the underbelly of N'awlins look all kinds of clean. That's an issue. What else is an issue? Well, for starters, there are a new set of hunters on their turf--and not your average ones. They aren't there to make a buck. No. They're there to settle a score. Only, they're all after the same group of criminals. What's a Hunter to do when a famous Mob man is in his territory? Can two good guys, masquerading as bad guys, get the job done?Or is New Orleans finally going to rise up, fight back, and make their lives a total hell?There's only one way to find out, and in the end, Amends will be made. One way or another. From New York Times and USA Today bestselling author Lexi Blake comes a new story in her Masters and Mercenaries series... David Hawthorne has a great life. His job as a professor at a prestigious

Dallas college is everything he hoped for. Now that his brother is back from the Navy, life seems to be settling down. All he needs to do is finish the book he's working on and his tenure will be assured. When he gets invited to interview a reclusive expert, he knows he's gotten lucky. But being the stepson of Sean Taggart comes with its drawbacks, including an overprotective mom who sends a security detail to keep him safe. He doesn't need a bodyguard, but when Tessa Santiago shows up on his doorstep, the idea of her giving him close cover doesn't seem so bad. Tessa has always excelled at most anything she tried, except romance. The whole relationship thing just didn't work out for her. She's not looking for love, and she's certainly not looking for it with an academic who happens to be connected to her boss's family. The last thing she wants is to escort an overly pampered pretentious man-child around South America to ensure he doesn't get into trouble. Still, there's something about David that calls to her. In addition to watching his back, she will have to avoid falling into the trap of soulful eyes and a deep voice that gets her heart racing. But when the seemingly simple mission turns into a treacherous race for a hidden artifact, David and Tess know this assignment could cost them far more than their jobs. If they can overcome the odds, the lost treasure might not be their most valuable reward.

The combination of the two made this a five star read." - cheryl33610 "All the ingredients necessary for heart-pounding action, high

heat romance, and naturally a HEA" - A Wonderful World of Words "Treasured is a quick, fun, and steamy read." - Becky on Books After a long winter of training and reorganization, the Pelicans Mercenary Regiment marches out of obscure Ironport to look for a contract. There is indeed work available for sharp halberds and accurate bows, and not just locally, as the slowly-approaching storm take on more definite shape. Gold and Glory is the second of the four volumes of the Mercenaries Series, following Storm Approaching. A Wall Street Journal bestseller. Love is the best defense in New York Times bestselling author Susan Stoker's explosive Mountain Mercenaries novel. Gorgeous women don't just stumble onto Ronan Cross's remote property. But this one--vulnerable, victimized, and needing the kind of help only Ronan can offer--tells a story that makes his blood boil almost as hot as his need to protect her. Since her father's death, Chloe Harris has become a prisoner. Her own brother, a flesh peddler and low-level player in the Denver Mafia, is forcing her to sell her body for an endgame Chloe never saw coming: control over a vast fortune. Her only way out is to run--straight into the arms of the one hard-bodied man she can trust. Defending Chloe could rain punishment down on the Mountain Mercenaries. Her brother has Mob connections and the local police in his pocket. But Ronan still has an edge--the unshakable loyalty of his deadly teammates. As well as an unquenchable thirst for retribution...and Chloe. This book assesses the use of 'mercenaries' by states, and their integration into the national armed forces as part of a new hybridisation trend of contemporary armies. Governments, especially in the West, are undertaking an unprecedented wave of demilitarisation and military budget cuts. Simultaneously, these same governments are increasingly opening their armies up to foreign nationals and outsourcing military operations to private companies.

*This book explores the impact of this hybridisation on the values, cohesion and effectiveness of the armed forces by comparing and contrasting the experiences of the French Foreign Legion, private military companies in Angola, and the merging of private contractors and American troops in Iraq. Examining the employment of foreign citizens and private security companies as military forces and tools of foreign policy, and their subsequent impact on the national armed forces, the book investigates whether the difficulties of coordinating soldiers of various nationalities and allegiances within public-private joint military operations undermines the legitimacy of the state. Furthermore, the author questions whether this trend for outsourcing security can realistically provide a long term and positive contribution to national security. This book will be of much interest to students of private military companies, strategic studies, international security and IR in general.*
