Richest Man in Babylon has been a favorite of Dave Ramsey's for years. Set in ancient Babylon, this book is an inspiring collection of stories about people who have struggled with—and overcome—the same money problems most Americans face: feeling trapped by debt, living paycheck to paycheck, with little to no savings. In this exclusive edition of George Clason's classic, George gives his timeless principles for building lasting wealth, while Dave shares his proven money advice using quotes directly from The Dave Ramsey Show. With powerful storytelling, The Richest Man in Babylon gives fresh perspective and encouragement to all who want to change their lives and win with money. Join George and Dave as they share how to: -Get out of debt -Budget -Live on less than you make -Invest wisely -Save for the future -Enjoy your life and money As George says, "Money is plentiful for those who understand the simple rules of its acquisition." If you follow the wisdom of Babylon, financial peace—and a life of freedom—are just seven steps away. Take charge of your finances and achieve financial independence – the Clever Girl way Join the ranks of thousands of smart and savvy women who have turned to money expert and author Bola Sokunbi for guidance on ditching debt, saving money, and building real wealth. Sokunbi, the force behind the hugely popular Clever Girl Finance website, draws on her personal money mistakes and financial redemption to educate and empower a new generation of women on their journey to financial freedom. Lighthearted and accessible, Clever Girl Finance encourages women to talk about money and financial wellness and shows them how to navigate their own murky financial waters and come out afloat on the other side. Monitor your expenses, build a budget, and stick with it Make the most of a modest salary and still have money to spare Keep your credit in check and clean up credit card chaos Start and succeed at your side hustle Build a nest egg and invest in your future Transform your money mindset and be accountable for your financial well-being Feel the power of real-world stories from other "clever girls" Put yourself on the path to financial success with the valuable lessons learned from Clever Girl Finance. Now available for Pre-Order! A common resolution set at the beginning of a new year is to "get my financial house in order." But how can you build a house, let alone pour any kind of foundation, without a blueprint? There are dozens of books and gurus trying to push their advice and tell you how to spend and invest your money. And then, there are three suburban dads just trying to make the world a little bit better. Meet Brad Barrett and Jonathan Mendonsa of the award-winning ChooseFI podcast and Chris Mamula of the popular blog "Can I Retire Yet?". They have walked the talk and now want to share their knowledge with you. Together, these three regular guys will show you how they did something extraordinary. They are all financially independent and doing meaningful work that fulfills them. All three left their corporate 9 to 5 jobs and are reaping the benefits of extra time with their families. Mirroring the format of the popular ChooseFI podcast, this book pulls from the collective knowledge of those who have decided to build a lifestyle around their passions instead of allowing their finances to dictate their future. These stories demonstrate universal principles, giving you the opportunity to pick the elements that are the most applicable to your financial situation and "choose your own adventure." The book covers a wide range of topics that will help you build a strong financial foundation: Developing a growth mindset Defining your values and aligning them with your spending Cutting years from your estimated retirement date Questioning the status quo on "required expenses" Cutting travel expenses and putting family vacations within your reach Learning how to earn more and live with abundance Updating the commonly accepted wisdom on college education and the debt associated with it Cutting through the noise on investing to discover strategies that work Showing how to implement investment strategies that enable the lifestyle you desire while controlling downside risk FI or Financial Independence is the new debt-free and getting back to 0 is just the beginning of a wonderful journey. Whether you have mountains of debt now or are recently debt free and wondering what to do next, Choose FI: Your Blueprint to Financial Independence will give you the information to guide your next move. When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In Retire Inspired, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you

want to. You can retire inspired! This simple way to manage your household income and expenses includes a stylish cover, coin purse, places for your checkbook and check register, memo pad, debit card holders, and extra cash-management envelopes. In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Provides a step-by-step guide on how to get out of debt, build surplus wealth, communicate with a spouse about joint economic decisions, attain financial security, and more, and includes eighteen financial management forms. The book *Starting Over* is the product of consumer demand. Dave Ramsey's Debtor Education (DRDE) provides pre-discharge financial education to debtors filing Chapter 7 and 13 bankruptcy as mandated by the United States Trustee, delivered to its users by their attorneys. Many of those attorneys have asked that DRDE provide something to help discharged debtors avoid the pitfalls they'll face as they leave the Bankruptcy Court's jurisdiction and their lawyers' protection and return to the real world. *Starting Over* begins with the moving story of the Director of Dave Ramsey's Debtor Education. He has been through the trenches and has great empathy for those who have to start over, as he did himself. This chapter reinforces the credibility of those who are offering this advice. After that the chapters are divided into several sections designed to track the debtors' progress, beginning with the days after discharge. It begins with a "To-Do List" of issues that should be addressed right away--the sooner the better--listed in more or less chronological order. Some of these may seem obvious--secure your home, don't go into debt for anything, cut up credit cards, etc.--but in truth, many people who have no history of fiscal responsibility need elementary guidance and a dose of hope in their effort to change their behaviors. The next several chapters make up what is called the "Next Steps." These are matters which will take longer, and about which one may need to do some serious planning. This includes finding a career that really fits, setting short term and long term goals, working on the attitudes and behaviors that caused the bankruptcy, making sure you have the right insurance protection, to name a few. Finally there is a section entitled "Advice for Moving Forward." In addition to some real-life suggestions and examples from successful bankruptcy lawyers, this part deals with major decisions such as renting versus buying, what to do about an upside-down car or home, the arguments against cosigning, and--hopefully unnecessary--dealing with collectors and creditors. What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind? Buy now to get the main key ideas from Dave Ramsey's Complete Guide to Money Dave Ramsey's Complete Guide to Money (2011) is the handbook of Financial Peace University, his nine-lesson course about personal finance. It answers questions about money and shows you how to figure out your finances in baby steps. Ramsey teaches about saving money, getting out of debt, and investing. He covers everything from kids' allowances to retirement planning. You will learn tips for negotiating a deal, picking the right insurance plan, and buying or selling a house. After you build your wealth, you will be able

to start giving, which is the ultimate and most important goal in your financial journey. A simple, straight-forward game plan for completely making over your money habits! Best-selling author and radio host Dave Ramsey is your personal coach in this informative and interactive companion to the highly successful New York Times bestseller *The Total Money Makeover*. With inspiring real-life stories and thought-provoking questionnaires, this workbook will help you achieve financial fitness as you daily work out those newly defined money muscles. Ramsey will motivate you to immediate action, so you can: Set up an emergency fund (believe me, you're going to need it) Pay off your home mortgage?it is possible. Prepare for college funding (your kids will love you for it) Maximize your retirement investing so you can live your golden years in financial peace Build wealth like crazy! With incentive exercises that really do exercise your spending and saving habits, Ramsey will get your mind and your money working to make your life free of fiscal stress and strain. It's a no-nonsense plan that will not only make over your money habits, but it will also completely transform your life. The success stories speak for themselves in this book from money maestro Dave Ramsey. Instead of promising the normal dose of quick fixes, Ramsey offers a bold, no-nonsense approach to money matters, providing not only the how-to but also a grounded and uplifting hope for getting out of debt and achieving total financial health. Ramsey debunks the many myths of money (exposing the dangers of cash advance, rent-to-own, debt consolidation) and attacks the illusions and downright deceptions of the American dream, which encourages nothing but overspending and massive amounts of debt. "Don't even consider keeping up with the Joneses," Ramsey declares in his typically candid style. "They're broke!" *The Total Money Makeover* isn't theory. It works every single time. It works because it is simple. It works because it gets to the heart of the money problems: you. This 3rd edition of *The Total Money Makeover* includes a fresh cover design, all new personal success stories, and naysayers, and more. "This book is organized around three concepts fundamental to OS construction: virtualization (of CPU and memory), concurrency (locks and condition variables), and persistence (disks, RAIDS, and file systems"--Back cover. You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you *Baby Steps Millionaires* isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on! With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers *Financial Peace* and *More than Enough*, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right-financially, emotionally, and spiritually. In this new edition of *Financial Peace*, Ramsey has updated his tactics and philosophy to show even more readers: • how to get out of debt and stay out • the KISS rule of investing—"Keep It Simple, Stupid" • how to use the principle of contentment to guide financial decision making • how the flow of money can revolutionize relationships With practical and easy to follow methods and personal anecdotes, *Financial Peace* is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace. This resource will help you recognize the importance of an independent retail store in community life and the opportunities it offers for a rewarding lifestyle. This comprehensive guide shows you how to:

- Spot and capitalize on small retailer trends
- Conduct your own market analysis
- Research and select the most appropriate retailing software
- Run your business day to day
- Attract customers with effective advertising
- Make the leap to online selling

This helpful handbook offers practical advice on retail store planning and management with valuable guidelines and real-world examples that can make the difference between your store's success and failure. This guide provides all the tools you need to run a store that your customers--and you--will enjoy for many years to come! If you want to achieve financial harmony and eliminate your money worries, it's time to get focused and intentional with your money. Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents:

- *How to prepare their child for college
- *Which classes to take in high school
- *How and when to take the ACT and SAT
- *The right way to do college visits
- *How to choose a major

A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. The Guggenheim Fellowship and Whiting Award-winning author Louis Edwards makes his long-awaited comeback with this epic tale of a New Orleans boy whose very creation is so filled with tension that it bedevils his destiny before he is even born. Spanning from the Deep South to the Middle East, Ramadan Ramsey bridges multiple countries and cultures, entwining two families who struggle to love and survive in the face of war, natural disasters, and their equally tumultuous, private mistakes and yearnings. Ramadan Ramsey begins in 1999 with the moving (and funny) teenage love story of Alicia Ramsey, a native New Orleans African American young woman, and Mustafa Totah, a

Syrian immigrant who works in her neighborhood at his uncle's convenience store. Through a series of familial betrayals, Mustafa returns to Syria unaware that Alicia is carrying his child. When the baby is born, Alicia names their son Ramadan and raises him with the help of her mother, Mama Joon. But tragedy strikes when the epochal hurricane of 2005 barrels into New Orleans, shattering both the Ramsey and Totah families. Years later, when Ramadan turns twelve, he sets off to find Mustafa. It is an odyssey filled with breathtaking and brilliant adventures that takes Ramadan from the familiar world of NOLA to Istanbul, and finally Aleppo, Syria, where he hopes to unite with the father he has never known. Intimate yet epic, heartbreaking yet triumphant, Ramadan Ramsey explores the urgency of 21st century childhood and the richness and complexity of the modern family as a shared global experience. It is also a reminder of Louis Edwards' immense talent and fearless storytelling and is a welcome return of this literary light. This collection of Wolfe's essays, articles, and chapters from previous collections is filled with observations on U.S. popular culture in the 1960s and 1970s.

God has a plan for your marriage and your money. It starts with a challenge. Will you accept? For many couples, the collision of marriage and money is the beginning of relational havoc. But does it have to be this way? What if the collision of marriage and money no longer tore couples apart but brought them together? What if money was no longer a topic to argue about but a topic around which couples rallied? What if the collision of marriage and money actually helped couples find contentment and purpose? In *The Marriage Challenge: A Finance Guide for Married Couples*, financial expert and author of *The Money Challenge* Art Rainer takes you on a journey to a financially healthy marriage. Get started on the right foot, or get back on the right track, by accepting the challenge and realizing God's design for money and marriage.

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read."
