Lockdown Liaisons Nov 18 2022 As the world is shaken by a virus, Shobhaa De - a writer who understands the human heart and how it beats - felt the need to document not just what she is going through personally but what the entire world is experiencing. And out of this need emerged many unique narratives ... Lockdown Liaisons is a collection of short stories, from the varying perspectives of both men and women - young and old, brave and cowardly, cheerful and weighed down - each story an unique offering from a writer who understands how very fragile human relationships can be as they break, suffer and are redefined under trying circumstances. Explore, read and understand the subterranean world of shifting emotions during Covid-19, through stories that will speak to you. There is a woman with a young child who discovers that she doesn't love her husband after all, there is an elderly woman who lives alone in a building who can't bear her nosey neighbours, there is a migrant worker who has to make a tough choice as he gets ready to walk hundreds of uncertain kilometres homewards. And many more. But what binds these stories together is love. These are stories that show how Covid-19 is affecting the hearts of hundreds of people as they struggle to make sense of altered circumstances, of the 'new normal' that will emerge in a post-Covid world.

Fun, savvy and, above all, pragmatic, this is the ultimate relationship book for all those who want to make the adventure of marriage last a lifetime.
