**"A fully explained beginner's French Grammar comes with translations for every French sentence found in the book. Written by a former English teacher, the book is very clearly laid out with many example sentences for each term, . The book covers all the basic parts of the French grammar. ... Many hundreds of exercises (all with answers) that come with the book will make the learning efficient"-- Learning French. ... French is considered one of the easiest languages for a native English speaker to learn. The grammar and sentence structure are different from English, but simpler. Because both languages have Latin roots, they also share thousands of cognates - words that sound the same and have the same meanings. This questions and answers flashcards cover full basic grammar for all level of French learners. This practical grammar book is the result of 16 years of teaching online to adults and young students located all over the world. I believe that French grammar should not been a stumbling block to learning the language and should not discourage learners of French to embrace the beautiful journey of becoming fluent. Hence, I felt that it was important to explain the grammar rules in English and in the simplest way possible without including too much grammar jargon, so that a beginner could grasp the essential elements of**
