Educated Dec 11 2021 #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST •

FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

Creating Your Library's Business Plan Nov 29 2020 Ten years ago, few libraries had business plans. Today, more and more libraries are required to write them, or they do so because business plans help clarify goals, set reasonable time frames, articulate standards, measure performance, and announce a library's successes. Chock-full of templates, worksheets, case studies, and samples from a wide variety of libraries, big and small, this how-to guide will help you create your business plan quickly and efficiently, saving you time, money, and frustration. One of the forerunners in library business plan development and a popular workshop leader, Harriman guides you through every step of the process, beginning with the whys and wherefores of writing a plan and the function of each component--from the cover page to the appendix and everything in-between. Thirty worksheets will help you pull your plan together, one component at a time. More than twenty sample plans from academic, public, medical, and special libraries worldwide represent best practices. What's more, all of the templates, worksheets, and samples are reproduced on a companion CD-ROM so you can get started now. This is the only reference you need to take your business plan from concept to completion efficiently, effectively, and without reinventing the wheel.

Tracing British Battalions on the Somme Jan 20 2020 Although seventy-eight years have passed since the Battle of the Somme was fought, interest in this, the bloodiest battle of the First World War, has never waned. Ray Westlake has collated all the information so painstakingly gathered, to produce a comprehensive compendium of the exact movements of every battalion involved in the battle. This book is invaluable not only to researchers but to all those visiting the battlefield and anxious to trace the movements of their forbears.
