Here's how Scott describes this book's brilliant premise: "If you and I were out on a shoot, and you asked me, 'Hey, how do I get this flower to be in focus, with the background out of focus?,' I wouldn't stand there and give you a photography lecture. In real life, I'd just say, 'Put on your zoom lens, set your f-stop to f/2.8, focus on the flower, and fire away.' That's what this book is all about: you and I out shooting where I answer questions, give you advice, and share the secrets I've learned just like I would with a friend—without all the technical explanations and techie photo speak."

With over 200 of the most closely guarded photographic "tricks of the trade," this book gets you shooting dramatically better-looking, sharper, more colorful, more professional-looking photos every time.

It's a Road Map that will help get your customers to buy from you It's a Guide that will prepare you for each day It's a Tool that gives you proven scripts to help you win B2B Sales Secrets will help you: CRUSH your cold calls Open more opportunities Win the deals you're in Create a winning mindset Become a magnet for new business Get crystal clear about your message B2B Sales Secrets is a best friend and coach for any person who's selling a product or a service to other organizations. You may be the absolute BEST at what you do and no one knows more about your business than you do. Maybe you're a marketing expert, a corporate trainer, a medical biller, a consultant, a DJ, an insurance agent, a moving company, or a copier sales rep (like I was). You get out there every day, HUSTLE, meet with potential clients, tell them about your passion and how you can help them, give them a proposal, and then wait, and wait. You follow up, but there are no returned calls. So you drop in, and "they're in a meeting". Does this sound like you or someone you know? GREAT NEWS!!! It's not your fault! See, you've always been told "sales is a numbers game" and, just like I used to, you probably believe that if only you make more calls... You'll close more business! Right?... That's the furthest thing from the truth. The craziest part of all is that you see people in your industry, your hometown, your company, who are working less than you and seeing more success than you. Don't you just hate that? I used to struggle to get clients into my sales process just like you are right now. Then I realized that people hate to go through someone's sales process, but they love to buy and even more, they love to be on

their own journey. So I took a look at tons of my failures, interviewed the people who said no, people who said yes, ones who fired me, and ones who hire me. I reflected on my best wins and created the Buyer's Journey that B2B Sales Secrets takes you through.
