*No matter how much experience you have with JavaScript, odds are you don't fully understand the language. This concise yet in-depth guide takes you inside scope and closures, two core concepts you need to know to become a more efficient and effective JavaScript programmer. You'll learn how and why they work, and how an understanding of closures can be a powerful part of your development skillset. Like other books in the "You*

*Don't Know JS" series, Scope and Closures dives into trickier parts of the language that many JavaScript programmers simply avoid. Armed with this knowledge, you can achieve true JavaScript mastery. Learn about scope, a set of rules to help JavaScript engines locate variables in your code Go deeper into nested scope, a series of containers for variables and functions Explore function- and block-based scope, "hoisting", and the patterns and benefits of scope-based hiding Discover how to use closures for synchronous and asynchronous tasks, including the creation of JavaScript libraries Could a murder at Bletchley Park cost Britain the war? November, 1939. The British government has assembled a small group of intellectuals at an estate north of London as part of a top-secret codebreaking effort. Everything about it is clandestine. The facility is ringed with a veil of silence until one of the young female linguists is murdered. Britain's counterintelligence spymaster tasks Olivia Redmond with finding the killer and the motive. Olivia is sent in alone, without clues or suspects. Did the murder victim uncover a mole? Could Britain's program to break German enigma cyphers be compromised? If Olivia fails, it could mean the destruction of Britain. [?] Deadly Cypher, book seven of the Deadly Series, is for fans of World War II era spy thrillers and classical cozy mysteries, of intrepid lady sleuths with spunk and smarts. No explicit cursing, sex, or violence. "Historic Oddities and Strange Events, 2nd Series" by Sabine Baring-Gould. Published by Good Press. The definitive chronicle of the Allied triumph in Europe during World War II, Rick Atkinson's Liberation Trilogy is now together in one boxed set From the War in North Africa to the Invasion of Normandy, the Liberation Trilogy recounts the hard fought battles that led to Allied victory in World War II. Pulitzer Prize-winning and New York*

*Times bestselling author Rick Atkinson brings great drama and exquisite detail to the retelling of these battles and gives life to a cast of characters, from the Allied leaders to rifleman in combat. His accomplishment is monumental: the Liberation Trilogy is the most vividly told, brilliantly researched World War II narrative to date. Over 300 classical and contemporary dramatic works are summarized and critiqued. As Britain prepares for an imminent invasion, the murder of a celebrated Arctic explorer leads to the discovery of a web of Nazi spies on the south coast. July, 1939. Newlywed Olivia Denis Redmond plans to spend a peaceful honeymoon in the country before war rips her soldier husband away. But when she finds a dead body in the midst of a blackout, Olivia is drawn into the investigation. Since the police inspector isn't interested in clues pointing to espionage and blackmail, Olivia must unlock secrets hidden for years in this idyllic village and face the wrath of an unseen enemy. As danger stalks her, can Olivia expose a cunning killer before she becomes the next victim? The New York Times and USA Today bestselling series Betrayal and sacrifice in the skies ... Ten years ago, Hell Diver Xavier "X" Rodriguez fell to Earth. Those he left behind went on without him aboard the airship he once called home. Michael Everhart—the boy once known as Tin—has grown into a man and the commander of Hell Diver Raptor Team. While Michael dives to help keep the Hive in the air, Captain Leon Jordan rules with an iron fist at the helm of the ship. But unrest stirs under his strict leadership as a prophecy of hope sweeps the lower decks. When a mysterious distress signal calls the Hell Divers to the surface, Michael and his loyal team begin to uncover long-buried truths and the secrets Captain Jordan will do anything to keep. They dive so humanity survives ... but will they survive the ultimate betrayal? Nicholas Sansbury Smith delivers another heart-pounding thriller in Hell Divers II: Ghosts, the second book in the acclaimed science fiction series. From the #1 New York Times bestselling author of the Penn Cage series comes a gripping World War II thriller that "vaporizes almost every cliché about the limits of the genre...[it's] good enough to read twice"(Kirkus Reviews). It is January 1944—and as Allied troops prepare for D-Day, Nazi scientists develop a toxic nerve gas that will repel and wipe out any invasion force. To salvage the planned assault, two vastly different but equally determined men are sent to infiltrate the secret concentration camp where the poison gas is being perfected on human subjects. Their only objective: destroy all traces of the gas and the men who created it—no matter how many lives may be lost...including their own. Everyone's favorite pranksters are at it again! School's out, and Miles and Niles are running wild in the woods outside town: climbing trees, exploring caves, and, yes, pranking. But these leafy, lazy days of mischief darken when bully Josh Barkin and his cadets from a nearby kids' boot camp discover the merrymakers—and vow to destroy them. Are our heroes' sharp minds any match for these hooligans' hard fists? The latest installment of the witty, on-target illustrated series is another "fast paced, laugh-out-loud novel" (School Library Journal) that proves once again that, in the hands of the powerless, pranks can be tools of justice—plus, they're funny. Viking in Wonderland Magnus Ericsson is a simple man. He loves the smell of fresh-turned dirt after springtime plowing.*

*He loves the feel of a soft woman under him in the bed furs. He loves the heft of a good sword in his fighting arm. But, Holy Thor, what he does not relish is the bothersome brood of children he's been saddled with. Or the mysterious happenstance that strands him in a strange new land—the kingdom of Holly Wood. Here is a place where the folks think he is an act-whore (whatever that is), and the woman of his dreams—a winemaker of all things—fails to accept that he is her soul mate, a man of exceptional talents, not to mention . . . a very virile viking*

*The sequel to NEGUS volume one, NEGUS II continues with another compilation of African-American Science Fiction. With memories of the planet Earth not too far behind, Huey's journey on the new planet of Negus resumes with Rosa and Kwame. Rosa discovers another phenomenon related to the decalcification of pineal glands. Previously introduced in book one and the stand-alone e-book, The Melanins continue as visitors from another planet trek to the United States. The collection also includes brand new stories such as The Guardians, told from the perspective of spirit guides, and Skin Deep, a tale of a modern day bride in an alternate universe, who undergoes an eye-opening transformation. Whether you're obsessed with outer space, spirituality, conspiracy theories, magic or science fiction, NEGUS II explores the 'what-ifs', intended to leave readers in deep thought. This book continues the story of the secret government and alien involvement as well as information about the photon belt, cosmic holograms photographed in the sky, a new vortex forming near Sedona, and nefarious mining on the sacred Hopi land. Dedicated, driven real estate agent Julie Ferris is enjoying a day at the beach with her sister Laura when a strange, almost undetectable charge fills the air. Then, under the hot Malibu sun, time stops altogether. Neither sister can explain their "lost day"--nor the blinding headaches and horrific nightmares that follow--but Julie chalks it up to the stress she's been under since her boss's son took over Donovan Real Estate. Patrick Donovan would be a real catch if not for his notorious playboy lifestyle and matching attitude. But when a cocaine-fueled heart attack nearly kills him Patrick makes an astonishingly fast--and peculiar--recovery. Julie barely recognizes*

*the newly sober Patrick as the same man she once struggled to resist. Maybe it's the strange beach experience fueling her paranoia but she can't help sensing something just isn't...right. As Julie's feelings for Patrick intensify she's about to discover how that day at the beach links her newfound happiness with her wildest suspicions.... From the #1 New York Times bestselling author of the Penn Cage series comes a heartstopping thriller about one of the great unsolved mysteries of World War II. The Spandau Diary—what was in it? Why did the secret intelligence agencies of every major power want it? Why was a brave and beautiful woman kidnapped and sexually tormented to get it? Why did a chain of deception and violent death lash out across the globe, from survivors of the Nazi past to warriors in the new conflict now about to explode? Why did the world's entire history of World War II have to be rewritten as the future hung over a nightmare abyss? “Entirely plausible, totally engrossing...a remarkable, impressive novel.”—Nelson DeMille “An incredible web of intrigue and suspense, an avalanche of action from first page to last.”—Clive Cussler History's most exciting and terrifying events come to life in these ten books in the New York Times bestselling I Survived series.
