Nella nuova indagine di Montalbano Camilleri inventa storie e personaggi e li fa recitare fra le quinte di un teatro di cui è lui il regista. Una messinscena che è dramma e commedia insieme. Incorporating contingency into our fundamental thinking about architecture contradicts the way we theorize, practice, and historicize the field. Accidents happen, yet architects rarely let chance play a role in their visions. How contingency play a role in architectural design and thinking? How designers incorporate change in their practice? The forward-facing nature of contingency

scholarship, if we give it a name, may embed possible worlds that are more just, more compassionate, and more aware of the inequalities that accompany the uneven distribution of the most vital resource in our times: space. This issue began with the aim of exploring contingency thinking, and is completed from within contingent times, when nothing seems certain and contingency is less a lens than the air we breathe. The new novel in the transporting New York Times bestselling Inspector Montalbano mystery series Vigàta is bustling as the new filming location for a Swedish television series set in 1950. In the production frenzy, the director asks the locals to track down movies and vintage photos to faithfully recreate the air of Vigata in that time. Engineer Ernesto Sabatello, while rummaging in the attic of his house, finds some films shot by his father from 1958 to 1963, always on the same day, March 27 and always the same shot; the outside wall of a country house. Montalbano hears the story, and intrigued by the mystery of it, begins to investigate its meaning. Meanwhile, a middle school is threatened by a group of armed men, and a closer look at the situation finds Montalbano looking into the students themselves and finally delving into the world of social media. Incorporating distinct traditions and styles of crime writing, the three novellas in Judges are united by a theme of idealistic judges in an often futile struggle against crime and corruption. Andrea Camilleri's novella recounts the charming Judge Surra. Leaving his family behind, Surra arrives in the 19th-century Sicilian town of Montelusa from Turin and is given quirky gifts from the locals, but is oblivious to the veiled threats accompanying them. Finally forced to contend with a hostile community and an imminent attempt on his life, Surra proves he is relentless in his quest for justice. Carlo Lucarelli's novella presents a darkly hued Bologna in the 1980s, where judges are frequent targets of assassination attempts. The protagonist, Judge Valentina Lorenzi--"La Bambina"--stumbles upon an extensive money laundering operation involving prominent public officials. Determined to nip Valentina's investigations in the bud, the criminals attack the judge

and leave her clinging to life. Ultimately, Valentina is faced with a troubling question: will she break her vow to uphold the letter of the law in order to bring those responsible to justice? The final novella, *The Triple Dream of the Prosecutor*, by judge and novelist Giancarlo De Cataldo, teeters between dream and reality. Prosecutor Mandati is engaged in a life-long feud with the corrupt mayor of Novere, and his efforts finally pay off on the night before the trial of his life. Kafkaesque, tumultuous, and thoroughly gripping. "An illustrated introduction to the major subjects of Western philosophy, guided by Heraclitus"-- In *The Sicilian Method*, Andrea Camilleri's twenty-sixth novel in the Inspector Montalbano mystery series, Montalbano finds his answers to a murder in a theatrical play. Mimi Augello is visiting his lover when the woman's husband unexpectedly returns to the apartment. Hurriedly, he climbs out the window and into the downstairs apartment, but from one danger to another. In the dark he sees a body lying on the bed. Shortly afterwards another body is found and the victim is Carmelo Catalanotti, a director of bourgeois dramas with a harsh reputation for the acting method he developed for his actors: digging into their complexes to unleash their talent, a traumatic experience for all. Are the two deaths connected? Catalanotti scrupulously kept notes and comments on all the actors he worked with as well as strange notebooks full of figures, dates and names . . . Inspector Montalbano finds all of Catalanotti's dossiers and plays, the notes on the characters and the notes on his final drama, *Dangerous Turn*. It is in the theatre where he feels the solution lies.

Questa nuova edizione è adatta per studiare o ripassare le principali materie che si trovano nei test di ammissione o nelle prove concorsuali. Ciascuna materia trattata è seguita da una serie di esercizi mirati utili per esercitarsi e mettere alla prova quanto appena studiato. Completano ogni sezione le risposte commentate a tutti gli esercizi proposti, così da verificare il proprio risultato, conoscere il metodo di risoluzione e fare un veloce ripasso. A fine volume, una serie di esercizi supplementari, risolti e

commentati, su tutti gli argomenti trattati facilitano il ripasso e aiutano a fissare bene i concetti e colmare così ogni lacuna. La nuova edizione di questo manuale, aggiornato agli ultimi programmi ministeriali d'esame e interamente a colori, fornisce gli strumenti essenziali per affrontare il test di ammissione, ovvero:

- la trattazione teorica completa degli argomenti del test, corredata di immagini, tabelle e grafici

"You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano." A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Witty and entertaining, the Montalbano novels by Andrea Camilleri—a master of the Italian detective story—have become favorites of mystery fans everywhere. In this latest installment, an unidentified corpse is found near Vigàta, a town known for its soil rich with potter's clay. Meanwhile, a woman reports the disappearance of her husband, a Colombian man with Sicilian origins who turns out to be related to a local mobster. Then Inspector Montalbano remembers the story from the Bible—Judas's betrayal, the act of remorse, and the money for the potter's field, where those of unknown or foreign origin are to be buried—and slowly, through myriad betrayals, finds his way to the solution to the crime. "You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen...transporting. Long live Camilleri, and long live Montalbano." —A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* *The Shape of Water* is the first book in the sly, witty, and engaging Inspector Montalbano mystery series with its sardonic take on Sicilian life. Silvio Lupanello, a big-shot in Vigàta, is found dead in his car with his pants

around his knees. The car happens to be parked in a part of town used by prostitutes and drug dealers, and as the news of his death spreads, the rumors begin. Enter Inspector Salvo Montalbano, Vigàta's most respected detective. With his characteristic mix of humor, cynicism, compassion, and love of good food, Montalbano battles against the powerful and corrupt who are determined to block his path to the real killer. Andrea Camilleri's novels starring Inspector Montalbano have become an international sensation and have been translated into numerous languages. Mimi Augello is visiting his lover when the woman's husband unexpectedly returns to the apartment; he climbs out the window and into the downstairs apartment, but one danger leads to another. In the dark he sees a body lying on the bed. Shortly after, another body is found, and the victim is Carmelo Catalanotti, a director of bourgeois dramas with a harsh reputation for the acting method he developed for his actors. In the new novel in the transporting New York Times bestselling Inspector Montalbano mystery series, Montalbano finds his answers to a murder in a theatrical play Mimi Augello is visiting his lover when the woman's husband unexpectedly returns to the apartment; he climbs out the window and into the downstairs apartment, but one danger leads to another. In the dark he sees a body lying on the bed. Are the two deaths connected? Catalanotti scrupulously kept notes and comments on all the actors he worked with, as well as strange notebooks full of figures and dates and names. Inspector Montalbano finds all of Catalanotti's dossiers and plays, the notes on the characters, and the notes on his last drama, Dangerous Turn--the theater is where he'll find the answer. Antonio Giangrande, orgoglioso di essere diverso. Si nasce senza volerlo. Si muore senza volerlo. Si vive una vita di prese per il culo. Noi siamo quello che altri hanno voluto che diventassimo. Facciamo in modo che diventiamo quello che noi avremmo (rafforzativo di saremmo) voluto diventare.

Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italici. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

Pablo Borla's marriage is reduced to confrontations with his wife over their daughter's rebellious ways and his firm builds only repellent office blocks destroying the fabric of old Buenos Aires. It all changes with the arrival of a young woman who brings to light a murder committed decades ago by those in his office. A murder everyone assumed was forgotten. Claudia Piñeiro, after working as a professional accountant, became a journalist, playwright and television scriptwriter and in 1992 won the prestigious Pléyade journalism award. She has more recently turned to fiction; *All Yours* (finalist for the 2003 Planeta Prize) and *Thursday Night Widows*. The new novel in the transporting New York Times bestselling Inspector Montalbano mystery series *Giovanni Trincanato* has brought ruin to the shipyard he inherited from his father and when a worker he fires hangs himself on the construction site, Inspector Montalbano is called to the scene. In short order, the inspector loses his temper with the crass Giovanni, delivers a slap to his face, and unfortunately, it won't be the last he sees of Trincanato. Meanwhile, a mysterious schooner called *Halcyon* shows up in the harbor, seemingly deserted except for just one man. With its presence comes even more mysteries, another death, and the arrival of the FBI. Alongside Sicilian-American Agent Pennisi, Montalbano and his team must attempt a suspenseful infiltration operation in this new, page-turning Inspector Montalbano mystery. In *The Sicilian Method*, Andrea Camilleri's twenty-sixth novel in the Inspector Montalbano mystery series, Montalbano finds his answers to a murder in a theatrical play. Mimi Augello is visiting his lover when the woman's husband unexpectedly returns to the apartment. Hurriedly, he

climbs out the window and into the downstairs apartment, but from one danger to another. In the dark he sees a body lying on the bed. Shortly afterwards another body is found and the victim is Carmelo Catalanotti, a director of bourgeois dramas with a harsh reputation for the acting method he developed for his actors: digging into their complexes to unleash their talent, a traumatic experience for all. Are the two deaths connected? Catalanotti scrupulously kept notes and comments on all the actors he worked with as well as strange notebooks full of figures, dates and names . . .

Inspector Montalbano finds all of Catalanotti's dossiers and plays, the notes on the characters and the notes on his final drama, *Dangerous Turn*. It is in the theatre where he feels the solution lies. El presente volumen recoge cerca de treinta ensayos, realizados por investigadores de diferentes países, que reflejan el vasto panorama cultural italiano, proponiendo nuevas claves e interpretaciones para su estudio. Un preciado legado, patrimonio histórico de la humanidad, que abarca los más diferentes campos: desde el arte y los grandes maestros de la pintura, como Brunelleschi, o los más destacados pintores vanguardistas de los años Treinta y Cuarenta, como Filippo Casorati, Mario Sironi, Ardengo Soffici, Renato Guttuso, Atanasio Soldati o Giacomo Manzù, entre otros muchos; a la arquitectura, con Roma, la ciudad eterna, como ejemplo más emblemático; al cine y sus más universales cineastas, como Giuseppe Tornatore, Luchino Visconti, Roberto Rossellini, Ettore Scola o Vittorio De Sica, y sus internacionales cintas, como las míticas *Roma città aperta*, *Ladri di biciclette* o la más reciente *Suburra*, con miles de visualizaciones en todo el mundo; a la música, con la tan aclamada Raffaella Carrà, diva e icono mundial de la libertad, como principal protagonista, en homenaje a su reciente fallecimiento...

Antepenúltima entrega del comisario Montalbano. Un misterio apasionante que sabe a puro teatro. Es una velada como cualquier otra para el incansable mujeriego Mimí Augello en la alcoba de su enésima amante. Pero cuando el marido de ésta regresa inesperadamente a casa, la fiel mano derecha del comisario Montalbano decide deslizarse por la ventana y

buscar refugio en el piso de abajo. De un peligro a otro: en el apartamento vislumbra en la oscuridad un cuerpo tendido en la cama, elegantemente vestido y rígido por el frío de la muerte. A la mañana siguiente, una llamada a la comisaría notifica el hallazgo de un cadáver bajo las mismas circunstancias, excepto que no coincide con el primer muerto. ¿Cómo ha podido pasar esto? ¿Y qué ha sucedido con el otro cuerpo? ¿Por qué toda la escena del crimen tiene algo extraño que sabe a teatro? La crítica ha dicho... «Si no te gusta Andrea Camilleri es que todavía no lo has leído. Cada novela de esta serie adictiva y completamente mágica, ambientada en Sicilia y protagonizada por un detective único en el género, te refresca la mente como una inyección de oxígeno puro. Luminosa, colorida, rebosante de ingenio... limpia y fresca como el marisco mediterráneo: una novela, en suma, transportadora. Larga vida a Camilleri, larga vida a Montalbano.» A.J. Finn, autor del superventas *The Woman in the Window* «El idiosincrásico Montalbano es absolutamente enternedor.» *The New York Times* «Camilleri es un autor tan hábil y encantador como su protagonista detective.» *The Washington Post Book World* «Camilleri te muestra todo el pasado de un personaje con medio párrafo.» *The New Yorker* «Las novelas de Andrea Camilleri respiran los paisajes, el sentido del humor y la desesperación que flota en el aire de Sicilia.» Donna Leon *Un manuale specifico rivolto a chi deve apprendere le conoscenze teoriche di base per affrontare il test di ammissione ai corsi di laurea dell'area giuridica; il testo offre infatti gli strumenti giusti per prepararsi al meglio: trattazione teorica curata, esempi svolti e agili indici analitici. Il volume, suddiviso in cinque sezioni che corrispondono ai programmi d'esame richiesti dai bandi universitari, tratta in modo completo e argomentato tutti i concetti teorici che bisogna memorizzare e mettere in pratica nel test ufficiale; gli esempi, infatti, che spiegano passo passo come svolgere correttamente un quesito, rappresentano un utile strumento di confronto per verificare il livello di preparazione. Formato: broccura*

Descrizione del libro *Un manuale che offre tutti gli strumenti giusti, trattazione curata e mirata ed esempi*

svolti per conoscere le migliori strategie di risoluzione, per prepararsi al test di ammissione a Formazione primaria e ai corsi dell'area educazione; chiudono il volume utili indici analitici che consentono di trovare con facilità l'argomento desiderato. Il volume, suddiviso in grandi macroaree che corrispondono esattamente ai programmi ministeriali, tratta schematicamente e allo stesso tempo in modo completo tutti gli argomenti indispensabili per affrontare il test di ammissione. Le materie trattate sono suddivise per argomenti e, in alcuni casi, sono presenti delle tabelle di approfondimento per una chiara lettura e lo studio nel dettaglio della disciplina. Industriali e banchieri, servitori delle istituzioni e accademici, uomini dello spettacolo e della cultura, umanisti e scienziati, laici e cattolici. Personaggi noti, colti nei loro lati più inediti, e personalità che, invece, in pochi conoscono. In questo libro Paolo Bricco ha costruito una galleria di ritratti che permette di andare al cuore delle persone e che consente di capire che cosa sia oggi il cuore dell'Italia. Ognuno di loro ha una storia di successi e di fallimenti, di paure e di speranze, di dolori e di felicità, di passato e di futuro. Tutti questi ritratti compongono la storia corale di un'Italia impegnata in un'eterna transizione e sempre in bilico fra declino e trasformazione. Un Paese qualche volta feroce prima di tutto verso se stesso, ma non di rado caratterizzato da slanci di generosità verso gli altri. Un Paese meno centrale e importante di un tempo, in una crisi profonda, ma ancora animato da una vitalità e da una capacità di mutare pelle che sono lo specifico dell'enigma italiano. Sicilia è classicità, contaminazione culturale e natura straordinaria che attraversano una terra fatta di storia, di musica, di arte culinaria. Nei disegni di questo itinerario emerge la maestosità di una natura mai arida, ricca di agrumi, di fichi d'India, di ulivi, di verdi diversi che si mescolano armoniosamente con mille altri colori. Ovunque si ritrova un mare amico che unisce, che offre dall'altra parte dell'orizzonte non minacce ma fratelli e culture da accogliere. Un'indagine sull'universo gastronomico di Andrea Camilleri, espresso attraverso il suo

illustre personaggio: il commissario Montalbano, goloso e continuamente affetto da un "pititto" smisurato. Per lui il cibo è il principale oggetto del desiderio e deve essere conquistato a tutti i costi; ma i segreti delle succulente pietanze sono custoditi da altri, la "cammarera" Adelina, Calogero, Enzo. Le ricette sono svelate in queste gustose pagine da assaporare in silenzio e solitudine, con animo lieto e mente sgombra, come quando Montalbano si siede a degustare i suoi piatti preferiti. Ne viene fuori un'antologia invitante come una tavolata ben imbandita, con rievocazioni di alimenti e pietanze tratte dai ricordi di infanzia di Camilleri in Sicilia. Edizione ampliata e aggiornata "The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily." —Donna Leon

Montalbano investigates the death of wealthy accountant Barletta in a case involving a string of mistresses and family secrets. Inspector Montalbano enjoys simple pleasures: delicious food, walks along the water, the occasional smoke—yet these are just the backdrop to his duties as a detective. His latest case is the killing of the wealthy Cosimo Barletta. Thought to be a widower living out a quiet life by the sea, Cosimo's sudden death, by gunshot to the neck, opens up his past to scrutiny. What Montalbano uncovers is Cosimo's trove of salacious photographs, used to extort young women, and a history full of greed and corruption. Montalbano, though resolved to find the killer, muses on where justice lies—in his pursuit of a suspect or with one of Cosimo's innumerable victims getting the revenge they deserved?

"[Camilleri's mysteries] offer quirky characters, crisp dialogue, bright storytelling—and Salvo Montalbano... a delightful creation, an honest man on Sicily's mean streets." —USA Today

The day gets off to a bad start for Montalbano: while trying to break up a fight on Marinella beach, he hits the wrong man and is stopped by the Carabinieri. When he finally gets to the office, the inspector learns about a strange abduction: a woman was abducted, drugged, and then released unharmed only hours later. Within a few days, the same thing happens again. Both women are thirty years old and work in a bank. Montalbano also has to deal with an arson case. A shop has burned down, and its owner, Marcello Di Carlo, seems to have vanished into thin air. At first this seems like a trivial case, but a third abduction—yet again of a girl who works in a bank—and the discovery of a body bring up new questions. A new series of hardboiled crime fiction set in contemporary Naples by the author of the internationally bestselling Commissario Ricciardi series. They've made a fresh start at the Pizzofalcone precinct of Naples. They fired every member of the investigative branch after they were found guilty of corruption. Now, there's a new group of detectives, a new commissario, and a new superintendent. The new cops immediately find themselves investigating a high-profile murder that has the whole town on edge. Heading the

investigation is Inspector Lojacono, known as the Chinaman, a cop with a chequered past and a reputation as crack investigator. Lojacono's partner is Aragona, who wants to be known as Serpico, but the name doesn't stick. Luigi Palma is the Commissario, Francesco Romano, aka Hulk, the self-deluded lieutenant. Lojacono, Aragona, Palma and Romano are joined by a cast of cops portrayed by de Giovanni with depth and intimate knowledge of the close-knit world of police investigators. De Giovanni is one of the most dexterous and successful writers of crime fiction currently working in Europe. His award winning and bestselling novels, all set in Naples, offer a brilliant vision of the criminal underworld and the lives of the cops in Europa's most fabled, atmospheric, dangerous, and lustful city.

Antonio Giangrande, orgoglioso di essere diverso. ODIO OSTENTAZIONE ED IMPOSIZIONE. Si nasce senza volerlo. Si muore senza volerlo. Si vive una vita di prese per il culo. The answer to all questions about aging and nutrition. When science journalist Bas Kast collapsed with chest pains when he was only 40, he was faced with an existential question: had he ruined his health with junk food? He decided to radically change his eating habits in order to heal himself.

But what is really good for you? This was the beginning of a journey of discovery into the latest research into aging and nutrition--and it lasted several years. What do people with a particularly long life span eat? How can you lose weight efficiently? Are afflictions typical of old age avoidable? Can you "eat yourself young" with certain foods? Much of what we think is healthy can even be harmful. Bas Kast has compared thousands of sometimes contradictory studies to deliver scientifically founded findings about what really makes for healthy eating. "Wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction... altogether transporting."--A.J. Finn, #1 New York Times bestselling author A WASHINGTON POST BEST MYSTERY OF 2019 A BEST BOOK OF 2019, NPR's Book Concierge A wave of refugees has arrived on the Sicilian coast, and Inspector Montalbano and his team have been stationed at port, alongside countless volunteers, to receive and assist the newcomers. Meanwhile, Livia has promised their presence at a friend's wedding, and the inspector, agreeing to get a new suit tailored, meets the charming master seamstress Elena Biasini. But while on duty at the dock one late night, tragedy strikes, and a woman is found gruesomely murdered. Between managing the growing crowds at the landing, Montalbano delves into the world of garments, in the company of an orphaned cat, where he works to weave together the loose threads of the unsolved crimes and close the case. In the new novel in the transporting New York Times bestselling Inspector Montalbano mystery series, Montalbano finds his answers to a murder in a theatrical play Mimi Augello is visiting his lover when the woman's husband unexpectedly returns to the apartment; he climbs out the window and into the downstairs apartment, but one danger leads to another. In the dark he sees a body lying on the bed. Shortly after, another body is found, and the victim is Carmelo Catalanotti, a director of bourgeois dramas with a harsh reputation for the acting method he developed for his actors. Are the two deaths connected? Catalanotti scrupulously kept notes and comments on all the actors he worked with, as well as strange notebooks full of figures

and dates and names. Inspector Montalbano finds all of Catalanotti's dossiers and plays, the notes on the characters, and the notes on his last drama, *Dangerous Turn*--the theater is where he'll find the answer. In this dark yet humorous novel based on a true story, a man uncovers a sordid conspiracy in a Sicilian village, but not everyone wants to know the truth. Lawyer and journalist Matteo Teresi discovers the existence of a secret sect whose members include priests, politicians, and regional VIPs. During the early morning hours, when the town's churches are closed, the "Sect of the Angels" meets in the sacristy to carry out their holy office: initiating devout virgins into the rites of married life. Preying on their victims' naivete, the hooded "elect" commit ignominious acts while promising the young women divine grace. In 1901, at a time of immense changes in Sicilian society, the scandal breaks nationwide. But far from being hailed as a hero, Teresi is accused of disrupting the status quo and irrationally blamed for an outbreak of disease and a series of calamities. From the salons, churches and social clubs of Sicily to the country's highest courts, Camilleri's novel is a fast-paced, at times funny, passionately rendered portrait of the machinations of power and the difficult destiny of a local hero. Praise for *The Sect of Angels* "A devastating portrait of how political power, the mafia, Catholic cover-ups, and family shame kept rural Sicily in a medieval time warp long into the twentieth century." —Foreword Reviews Antonio Giangrande, *orgoglioso di essere diverso*. **ODIO OSTENTAZIONE ED IMPOSIZIONE. The Sunday Times bestselling, twenty-eighth and final novel in the thrilling, wickedly funny Inspector Montalbano Mysteries series by Andrea Camilleri. 'Contrary to what you think, I'm carrying out this investigation as best I can. But let's do this: if I get stuck, if I find I can't go forward or back, then I'll let you know, and you can step in. And offer me a way out. You've gained a bit of detective work through me, haven't you? What do you say?' 'I'm game,' said the Author . . .

When Inspector Montalbano receives an early-morning phone call it proves to be the start of a very trying day. For the caller expects Montalbano to arrive imminently at a rendezvous with some friends. But before he can reply the caller announces himself as someone called Riccardino and hangs up. Later that day news comes in of a brutal slaying in broad daylight by an unknown assassin who makes his getaway on a motorbike. And when the Inspector learns of the victim's identity – a man called Riccardino – his troubles are only just beginning. For soon he must contend with the involvement of a local bishop and a fortune teller who reports some strange goings-on in her neighbourhood. All roads soon lead to a local salt mine but the case proves stubbornly intractable until Montalbano receives another unexpected call . . .

'Camilleri has contrived a fitting goodbye to a dear old friend who operates, to the very last, on his own terms' - Guardian "You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen...transporting. Long live Camilleri, and long live Montalbano." —A.J. Finn, #1 New York Times bestselling author of The Woman in the

Window Inspector Montalbano uncovers corruption and mafia ties in the world of construction and contracts On a gloomy morning in Vigàta, a call from Fazio rouses Inspector Montalbano from a nightmare. A man called Giugiù Nicotra has been found dead in the skeletal workings of a construction site, a place now entombed by a sea of mud from recent days of rain and floods. Shot in the back, he had fled into a water supply system tunnel. The investigation gets off to a slow start, but all the evidence points to the world of construction and public contracts, a world just as slimy and impenetrable as mud. As he wades through a world in which construction firms and public officials thrive, Montalbano is obsessed by one thought: that by going to die in the tunnel, Nicotra had been trying to communicate something.

Antonio Giangrande, orgoglioso di essere diverso.? Si nasce senza volerlo. Si muore senza volerlo. Si vive una vita di prese per il culo. Noi siamo quello che altri hanno voluto che diventassimo. Facciamo in modo che diventiamo quello che noi avremmo (rafforzativo di saremmo) voluto diventare. Oggi le persone si stimano e si rispettano in base al loro grado di utilità materiale da rendere agli altri e non, invece, al loro valore intrinseco ed estrinseco intellettuale. Per questo gli inutili sono emarginati o ignorati. Se si è omologati (uguali) o conformati (simili) e si sta sempre dietro alla massa, non si sarà mai primi nella vita, perché ci sarà sempre il più furbo o il più fortunato a precederti.

Sicilian Elements in Andrea Camilleri's Narrative Language examines Camilleri's unique linguistic repertoire and techniques over his career as a novelist. It focuses on the intensification of Sicilian linguistic features in Camilleri's narrative works, in particular features pertaining to the domains of sounds and grammar, since these have been marginalized in linguistic-centered research on the evolution of Camilleri's narrative language and remain overall understudied. Through a systematic comparative analysis of the distribution patterns of selected Sicilian features in a selection of Camilleri's historical novels and novels of the Montalbano series, the author identifies the individual features that have become most widespread and the

lexical items that are targeted with highest frequency and consistency. The results of the analysis show that in the earlier novels, Sicilian features are rather sparse and can be attributed to linguistic situational functionality; that is, they function as indices of salient, distinctive aspects of topics, settings, events/situations, and characters. Conversely, in the latest novels, Sicilian elements pervade the entire novels and the texts are written almost entirely in Camilleri's own Sicilian, vigatese, so that Sicilian is stripped of any linguistic situational functionality.
