Since its original release in 1968, the Planet of the Apes franchise has shocked and captivated authors, artists, filmmakers, and fans across the world with its incredible effects and brilliant narrative. Now, return to the worlds of Planet of the Apes, both old and new, realized by a collection of classic and modern artistic voices in celebration of one of cinema's most celebrated works. The Planet of the Apes Artist Tribute features illustrations from renowned artists and bold new voices alike, including Alex Ross, Paolo Rivera, Michael Allred, Gabriel Hardman, Joe Quinones, and more. MOTOR TREND Magazine, the world's automotive authority with an audience of over 6.7MM. Covers more cars, trucks & SUVs than any other magazine. More vehicle tests than any other magazine. Industry's most coveted awards: Car, Truck & Sport Utility of the Year. Provides extensive automobile buying guide for consumers. The Story of Ferrari is a pocket-sized and exceptionally designed celebration of the legendary manufacturer. Speed, luxury, excellence and innovation have defined Ferrari as the world's most revered car manufacturer for more than 70 years. In The Story of Ferrari, every key aspect of the Prancing Horse's history is explored and showcased, from the first car built under the Ferrari name in 1947 through to the global giant and cultural force it has become today. Delving into the design and engineering philosophies instilled by Enzo Ferrari, this book highlights the most iconic models across decades of Ferrari history, including the 125 S, F40, Testarossa and Enzo. Ferrari is also the most successful name in motorsport, with 16 Formula 1 Constructors' Championship titles to its name. The stories of its victories and adversities on the track, as well as the drivers and engineers who helped make it such a success, are covered here as well. Filled with stunning imagery and insightful commentary, The Story of Ferrari charts the history of this legendary marque in a package worthy of the name. Jeff Buckley made only one album, but the one he made has proved to be seminal. His talent awed industry giants and moved the hearts of fans spanning generations. But Buckley's untimely death in 1997 left his fans to wonder about all the sonic magic that could have been. Photographer Merri Cyr was there along the way. She has documented Buckley's career from his days at the East Village coffee shop Sin-e to his iconic Grace cover shoot to his rigorous tour around the world as he promoted his unprecedented debut. In 25 Years of Grace, Cyr joins forces with Jeff Buckley biographer Jeff Apter to produce an illustrated tribute to this classic album in celebration of its twenty-fifth anniversary. The book features brand new interviews with Buckley insiders, revealing the details about Buckley's signing to a major label, the songwriting process and final song selections, key meetings and collaborations, recording techniques, memorable moments in the studio and more. The book also includes reflections about Buckley and Grace from an array of music artists. Lavishly illustrated with many never-before-seen photographs, 25 Years of Gracetakes a fresh look at the making and legacy of this classic album. What makes a man a true hero? Is it the role he plays or the life he leads? Explore the life of legendary actor and philanthropist Christopher Reeve in this tribute to the man behind Superman's cape. Excerpt from Abraham Lincoln a Tribute Republics had heretofore been limited to small can tons, or cities and their dependencies; America, doing that of which the like had not before been known upon the earth, or believed by kings and statesmen to be possible, extended her republic across a continent. Under her auspices the vine of liberty took deep root and filled the land; the hills were covered with its shadow. Excerpt from Victoria: Being a Tribute to Our Late Beloved Queen The editor-in-chief of the Eagle is St. Clair mckelway, a.m LL. D., whose fame as a writer and speaker is so well known as to scarcely need further mention. He was born in Columbia, Mo., but came cast with his parents in 1853. He studied law, and in 1866 was admitted to the bar. Early in life he showed an inclination for newspaper work. While at school he became a correspondent for a number of papers, among them the Eagle, and it was on that paper that he did his first real work. It's the ultimate celebration of the blue bomber, featuring the characters of Mega Man classic, Mega Man X, Mega Man Zero, Mega Man ZX, and Mega Man Legends in every style you can imagine! Back in early 1970's RCA released the LPs of Charles Gerhardt "Classic Film Scores", a tribute to Hollywood Golden Era film scores. It was a now legendary series of albums with gorgeous recordings and splendid work of both Charles Gerhardt, the National Philharmonic Orchestra and sound engineer Kenneth Wilkinson. Pictures of the recording sessions are extremely rare but I had the luck to be invited as young photographer at London's Kingsway Hall during the recording session of the "Lost Horizon - Classic Film Scores of Dimitri Tiomkin" album in 1975, and found back the pictures recently. Luckily, the great Hollywood composer Dimitri Tiomkin was there to watch and listen the recording of an album all about his legendary film scores, and you'll see him on the pictures, sitting in the background. This eBook, which includes a foreword by Charles Gerhardt' friend Robert E Benson, is a tribute to both Charles Gerhardt and the London National Philamonic Orchestra for their splendid work. Through this never-seen-before collection of black and white pictures you will be able to feel the "atmosphere" of the recording session at London's Kingsway Hall. The original homage to the world's most extraordinary drink! In 1922, William H. Ukers wrote the definitive work on coffee. As the founder of The Tea and Coffee Trade Journal, an industry magazine still active today, he spent seventeen years traveling the world and uncovering everything there was to know about both the bean and the beverage. From its historic roots and the drinking customs of different countries to its effects on the mind and the preparation of the perfect cup, this book captures all the rich and complex history of coffee. Filled to the brim with robust facts, aphorisms, and more, All About Coffee culls the best of Ukers's research and observations sip after sip, page after page. From the author of the classic "The Tao of Pooh" comes a vivid reinterpretation of a childhood classic: The Hardy Boys. Line drawings throughout. A prominent Viennese psychiatrist before the war, Viktor Frankl was uniquely able to observe the way that both he and others in Auschwitz coped (or didn't) with the experience. He noticed that it was the men who comforted others and who gave away their last piece of bread who survived the longest, and who offered proof that everything can be taken away from us except the ability to choose our attitude in any given set of circumstances. The sort of person the prisoner became was the result of an inner decision and not of camp influences alone. Only those who allowed their inner hold on their moral and spiritual selves to subside eventually fell victim to the camp's degenerating influence, while those who made a victory of those experiences turned them into an inner triumph. Frankl came to believe man's deepest desire is to search for meaning and purpose. This outstanding work offers us all a way to transcend suffering and find significance in the art of living. Excerpt from A Son's Tribute Then principal of Cortland Academy from 1830 to 1852. He was Trustee of Hamilton College from 1836 to 1880; President of the Board of Trustees of Hamilton College from 1874 to 1880, and received from Hamilton the degree of LL.D. He was the founder and the first President of the New York State Teacher's Association - 1847-1848. In 1852 he became principal, at that time, of the first and only New York State Normal School at Albany. In 1856-1880 he was Secretary of the Board of Regents. He was the originator of the Regents questions, and of the summer convocations of the Regents. He died in Brooklyn, N. Y., June 30, 1880, and was buried in Homer, July 3, 1880. Eighty years of life, sixty years of public service as an educator, an uninterrupted life work. It was a grave question whether he should make the change from his established work in the Academy to the new and somewhat experimental Normal School, which had not entirely overcome the prejudice of the public. At Homer he left a school of very high character, of about five hundred pupils. Five thousand pupils had passed under his care. The Academy a financial success, no debt, and some thousands of dollars in the treasury - and he was supported by a community of rugged, sturdy, honest people, who loved the Academy and were united in giving it their undivided support. A brilliant picture book biography about Thurgood Marshall, who fought for equality during the Civil Rights Movement and served as the first Black justice on the Supreme Court, from Coretta Scott King Honor winners Kekla Magoon and Laura Freeman. Growing up in Baltimore, Thurgood Marshall could see that things weren't fair. The laws said that Black and white people couldn't use the same schools, parks, or water fountains. When Thurgood had to read the Constitution as punishment for a prank at school, his eyes were opened. It was clear to him that Jim Crow laws were wrong, and he was willing to do whatever it took to change them. His determination to make sure all Americans were treated equally led him to law school and then the NAACP, where he argued cases like Brown v. Board of Education in front of the Supreme Court. But to become a Justice on the highest court in the land, Thurgood had to make space for himself every step of the way. Readers will be inspired by Kekla Magoon's concise text and Laura Freeman's luminous illustrations, which bring Thurgood Marshall's incredible legacy and achievements to life. * An SLJ Best Book of the Year * A Jane Addams Children's Book Award Finalist * A Texas Topaz Nonfiction selection * Wisconsin State Reading Association's 2022 Picture This Recommendation List* A Tribute for the Negro: Being a Vindication of the Moral, Intellectual, and Religious Capabilities of the Coloured Portion of Mankind; with Particular Reference to the African Race Authored by Wilson Armistead Excerpt from The Tribute: A Miscellaneous Volume in Prose and Verse Whatever of literary vanity may have been mixed up with the first thought of publication, has completely oozed out at the point of the pen which corrected the proofs; These tedious readings and re-readings furnish too abundant testi mony of the many defects, not to make more experienced authors tremble for the manner in which their literary progeny may be received by the world. How,

then, must he feel, who, for the first time, makes the adventure. The delay which this little volume experienced in its publication, may give expectancy a greater scope; but it will be perceived, by some topics illustratively introduced, that many of the articles were written from pen to press, though others have been lying for years by the author. Excerpt from A Tribute to Our Lamented Queen In the same breath we say, The Queen is dead, long live the King! It is reassuring to re?ect that His Imperial Majesty is the son of our lamented Sovereign. And that it is his expressed determination to follow in the footsteps of his noble mother; not ruling as an absolute or arbitrary sovereign, but reigning as a constitutional monarch. I am sure we all heartily unite in the prayer that the King of kings may so replenish him with grace that he may always incline to do God's will and walk in his way. And nowhere throughout his broad empire will there be more loyal and devoted subjects than in this Dominion. Viktor Frankl, bestselling author of Man's Search for Meaning, explains the psychological tools that enabled him to survive the Holocaust Viktor Frankl is known to millions as the author of Man's Search for Meaning, his harrowing Holocaust memoir. In this book, he goes more deeply into the ways of thinking that enabled him to survive imprisonment in a concentration camp and to find meaning in life in spite of all the odds. He expands upon his groundbreaking ideas and searches for answers about life, death, faith and suffering. Believing that there is much more to our existence than meets the eye, he says: 'No one will be able to make us believe that man is a sublimated animal once we can show that within him there is a repressed angel.' In Man's Search for Ultimate Meaning, Frankl explores our sometimes unconscious desire for inspiration or revelation. He explains how we can create meaning for ourselves and, ultimately, he reveals how life has more to offer us than we could ever imagine. Excerpt from *The Perfect Tribute* Occupied, unassuming; a man awkward and ill-dressed; a man, as he leaned slouchingly against the wall, of no grace of look or manner, in whose haggard face seemed to be the suffering of the sins of the world. Abraham Lincoln, President of the United States, journeyed with his party to assist at the consecration, the next day, of the national cemetery at Gettysburg. The quiet November landscape slipped past the rattling train, and the President's, deep-set eyes stared out at it gravely, a bit listlessly. From time to time he talked with those who were about him; from time to time there were flashes of that quaint wit which is linked, as his greatness, with his name, but his mind was to-day dispirited, unhelpful. Relive the legendary 1970 Joe Cocker Mad Dogs & Englishmen Tour and the 2015 tribute concert at the Lockn' Festival with Tedeschi Trucks Band, both of which were captured by the lens of tour photographer Linda Wolf. *Tribute: Cocker Power* features exclusive, never-before-seen documentary photos, stories, and vignettes from both the Joe Cocker Mad Dogs & Englishmen Tour, which has been called one of the greatest rock-and-roll tours of all time, and the 2015 tribute concert at the Lockn' Festival with Tedeschi Trucks Band and the original tour alumni. This visually stunning volume includes contributions from over one hundred musicians and crew members, including Leon Russell, Chris Stainton, Rita Coolidge, Claudia Lennear, Derek Trucks, and many more. A true labor of love to all who played a part in these exceptional times in the history of music and culture, and to everyone, collectively, who played their part in making it all happen, *Tribute: Cocker Power* is a must-have for devoted fans and newcomers alike. Excerpt from *Charles S. Francis: A Personal Tribute* This volume is dedicated to Hon. Charles S. Francis by the compilers, and is intended only for circulation among his friends. It is a personal tribute. The occasion thereof is the appointment by President McKinley of Mr. Francis to the position of Envoy Extraordinary and Minister Plenipotentiary of the United States to Greece, Roumania and Servia, with the demonstration of respect, marvelous in extent and intensity, with which press and people received the appointment. The expressions which have been made justify, in our opinion, their collection in a permanent form. We are not at all sure that this work of compilation, performed clandestinely in Mr. Francis' absence from this country and without his knowledge and consent, will be approved by him. But we have taken the liberty of friends, and if in so doing we have offended his own feeling of reserve and idea of modesty, we must throw ourselves upon his mercy. Ours be the blame, if any. But we are confident that the host of friends of Mr. Francis will applaud our act, will rejoice that this deserved testimonial to him is now in existence and will assure him that though we may not have pleased him by bringing together this gallery of portraiture drawn by many admiring hands, we have done a service to his friends and have performed what has seemed to be an act of the most manifest justice. From the New York Times bestselling author of *Deacon King Kong* and *The Good Lord Bird*, winner of the National Book Award for Fiction: *The Color of Water* is the modern classic that Oprah.com calls one of the best memoirs of a generation and that launched James McBride's literary career. More than two years on The New York Times bestseller list. As a boy in Brooklyn's Red Hook projects, James McBride knew his mother was different. But when he asked her about it, she'd simply say 'I'm light-skinned.' Later he wondered if he was different too, and asked his mother if he was black or white. 'You're a human being! Educate yourself or you'll be a nobody!' she snapped back. And when James asked about God, she told him 'God is the color of water.' This is the remarkable story of an eccentric and determined woman: a rabbi's daughter, born in Poland and raised in the Deep South who fled to Harlem, married a black preacher, founded a Baptist church and put twelve children through college. A celebration of resilience, faith and forgiveness, *The Color of Water* is an eloquent exploration of what family really means. **'A BRILLIANT TRIBUTE TO A BRILLIANT MAN.'** **BOOK OF THE MONTH - CLASSIC AND SPORTS CAR** --- A celebration of the extraordinary life of legendary commentator Murray Walker, with tributes from key figures in Formula 1 and motorsport. Murray Walker was the voice of Formula One, matching the thrill of the track with his equally fast-paced and exhilarating commentary, delivering the euphoria of motor racing to millions. Commentating on his first grand prix for the BBC at Silverstone in 1949, Murray's broadcasting career spanned over fifty years. His natural warmth and infectious enthusiasm won great affection with audiences, whilst his passion and knowledge of motorsport allowed him to hone his instinctive presenting style into a craft. When Murray passed away in March 2021, tributes came flooding in from every corner of the sporting world. This book, compiled by Murray's great friend and colleague Maurice Hamilton, celebrates the extraordinary life of this truly legendary man. With contributions from drivers and industry figures, and many friends from the

world of motorsport and beyond, Incredible! combines fond memories, never-before-told stories and famous Murrayisms with reflections on the highlights of a life lived at full throttle. Find hope even in these dark times with this rediscovered masterpiece, a companion to his international bestseller *Man's Search for Meaning*. Eleven months after he was liberated from the Nazi concentration camps, Viktor E. Frankl held a series of public lectures in Vienna. The psychiatrist, who would soon become world famous, explained his central thoughts on meaning, resilience, and the importance of embracing life even in the face of great adversity. Published here for the very first time in English, Frankl's words resonate as strongly today—as the world faces a coronavirus pandemic, social isolation, and great economic uncertainty—as they did in 1946. He offers an insightful exploration of the maxim “Live as if you were living for the second time,” and he unfolds his basic conviction that every crisis contains opportunity. Despite the unspeakable horrors of the camps, Frankl learned from the strength of his fellow inmates that it is always possible to “say yes to life”—a profound and timeless lesson for us all. *Steve McQueen: A Tribute to the King of Cool*, tells the actor's story in chronological order through the eyes of those who knew him best: family, friends, co-stars, business associates, acquaintances and adoring fans from around the globe. Written in passage form, each person brings a different view to the man and legend, presenting him in an unsurpassed 360-degree perspective. 'It's unique in its presentation because it reads like a biography, but it's really a photo and tribute book,' Terrill said, who spent nearly three years compiling the information. There's really nothing else on the market quite like it. 'I know it will please McQueen fans.' Accompanying the 200 passages are hundreds of photos taken of McQueen throughout his life and movie career, many seen here for the first time, as well as personal items, documents and movie memorabilia. The book will also include a foreword by Barbara McQueen, a Steve McQueen family tree, quotes by several Hollywood luminaries. Each book is signed by the author, Marshall Terrill, and by Barbara McQueen and includes a CD with a recording taken at Loyola Marymount University in 1978 of Steve McQueen giving a rare lecture about his life. It is encased in a custom slipcase.
