Matthew Bender Practice Guide: California Trust Litigation Jul 19 2022 Matthew Bender Practice Guide: California Trust Litigation, a one-

volume practice guide, provides detailed, practical, up-to-date, and authoritative information on litigating disputes arising out of the creation and operation of trusts in California. Key topics include:

- Proceedings attacking the validity and/or existence of a trust (trust contests).
- Disputes involving the ownership of trust property.
- Petitions for instructions relating to the operation of a trust.
- Compelling a trust accounting.
- Suits involving claims of breach of duty or malfeasance by the trustee.
- Removal of a trustee.
- Related matters such as financial abuse of an elder or dependent adult by a trustee, case evaluation, ethical issues, the recovery of trustee and attorney's fees in litigation, and the mediation and settlement of trust disputes.

Trust litigation can be a highly lucrative field for California attorneys. However, it presents unique issues and procedures that set it apart from other types of general civil litigation, and presents many pitfalls for the unwary and inexperienced. This publication gives estate planners and general civil litigators the basic guidance that they will need to expand their practice into trust litigation, as well as serving as a handy reference source of up-to-date practice information for experienced estate

litigators. Matthew Bender Practice Guide: California Trust Litigation establishes a new standard in practice guides. You'll find streamlined chapter organization, precise guidance on finding pertinent online information, cross references to additional relevant content, and Strategic Points, Warnings, and other types of practical tips highlighted by icons and headings that classify the tips by type so you can tell at a glance what type of information you will find in the tip. You can be sure you are fully prepared with the step-by-step guidance of checklists and the ready availability of time-saving forms. Cross references give you instant access to relevant cases, statutes, rules, public records and secondary sources that include Matthew Bender's indispensable online publications. And with updates twice a year, you'll always have fast, accurate and up-to-date answers to procedural questions. Matthew Bender Practice Guide: California Trust Litigation offers expert analyses, procedures, forms, and references for total research and guidance support. Contributing Authors • David W. Matthew Bender Practice Guide: New Appleman California Insurance Law Nov 11 2021 This publication makes the consideration and handling of substantive and procedural issues relating to California insurance litigation much simpler and less stressful by providing practical, step-by-step guidance in easy to understand language. It was prepared for use as a resource by lawyers representing insurers, insureds and others with interests relating to insurance disputes, insurance claims adjusters, third-party administrators, insurance brokers and agents, risk managers, risk consultants, insurance regulators and judges. Distilling more than 90 years of combined experience from four distinguished California insurance law practitioners, this publication explains how to analyze, resolve and litigate key issues that can arise at every stage of an insurance dispute in California. Designed to be a practical tool for daily use, it covers both key general considerations in insurance litigation and issues that arise in the context of specific lines of insurance. The guide combines how-to practice guidance, task-oriented checklists, strategic

points, tips, and warnings, in an easy-to-read format. It includes references to current pertinent state and federal legislation, case law, and sources essential to a proper understanding and command of insurance litigation in California. • The publication is a comprehensive guide to understanding the purpose of insurance, how it is regulated, interpreted and applied in California. • The publication addresses many of the major types of insurance coverages that are available on the market. • The publication is written in a way that makes it accessible to first time users or those unfamiliar with insurance issues, as well as in-depth analysis of critical issues needed by experienced practitioners. • The publication provides crucial insight into litigating insurance issues in California courts, both State and Federal. • The publication includes up-to-date, practitioner-developed forms and practice tips essential to the litigation of insurance disputes. • The publication explains, in easy-to-read fashion, the obligations of the parties to insurance contracts and the consequences faced by insureds and insurers should they fail to fulfill them. • This publication is superior to other insurance guides since it contains greater in depth analysis regarding the

interpretation and application of insurance policies under California law. It provides more comprehensive practitioner-focused discussions of key coverage and litigation issues and their outcomes under California law. As such, it gives the reader a deeper understanding of how and why certain results have been reached and thus provides better guidance as to how and why certain results may be reached with regard to their issue(s). In addition, the publication includes up-to-date, practitioner-developed forms and practice tips essential to the litigation of insurance disputes, including extra-contractual claims. As a result, the publication provides a greater and more lasting educational benefit than other guides.
