Angel of Starlight Nov 25 2020 Angel of Starlight is a book from the author of What Humanity Never Knew; We Were Born With Spaceships, about the science of ascension from the author's direct experience of it. Aryana who presented what alchemy was in her previous books, now brings answers to what the angel of alchemy and science is all about as a being who rode hyper space to incredible phenomenon and became advanced Golden Humanity, according to her teachings. People of all backgrounds and education will appreciate the gift of her work this brilliant writing from a real angelic messenger who attained immortality. Bonus chapter added with cessation of ageing new theory revealed that proved to work for others who studied it for years now, previously unknown!.

Work, Work, Work Jun 20 2020 Grumbling about his unending labors, an industrious gopher burrows from dawn until dusk under an enchanted land and never sees the strange goings-on above him.

Radiance of Tomorrow Feb 26 2021 A haunting, beautiful first novel by the bestselling author of A Long Way Gone When Ishmael Beah's A Long Way Gone was published in 2007, it soared to the top of bestseller lists, becoming an instant classic: a harrowing account of Sierra Leone's civil war and the fate of child soldiers that "everyone in the world should read" (The Washington Post). Now Beah, whom Dave Eggers has called "arguably the most read African writer in contemporary literature," has returned with his first novel, an affecting, tender parable about postwar life in Sierra Leone. At the center of Radiance of Tomorrow are Benjamin and Bockarie, two longtime friends who return to their hometown, Imperi, after the civil war. The village is in ruins, the ground covered in bones. As more villagers begin to come back, Benjamin and Bockarie try to forge a new community by taking up their former posts as teachers, but they're beset by obstacles: a scarcity of food; a rash of murders, thievery, rape, and retaliation; and the depredations of a foreign mining company intent on sullyng the town's water supply and blocking its paths with electric wires. As Benjamin and Bockarie search for a way to restore order, they're forced to reckon with the uncertainty of their past and future alike. With the gentle lyricism of a dream and the moral clarity of a fable, Radiance of Tomorrow is a powerful novel about preserving what means the most to us, even in uncertain times. Named one of the Christian Science Monitor's best fiction books of 2014

The Call Me Ishmael Phone Book Jan 16 2020 For fans of My Ideal Bookshelf and Bibliophile, The Call Me Ishmael Phone Book is the perfect gift for book lovers everywhere: a quirky and entertaining interactive guide to reading, featuring voicemails, literary Easter eggs, checklists, and more, from the creators of the popular multimedia project. The Call Me Ishmael Phone Book is an interactive illustrated homage to the beautiful ways in which books bring meaning to our lives and how our lives bring meaning to books. Carefully crafted in the style of a retro telephone directory, this guide offers you a variety of unique ways to connect with readers, writers, bookshops, and life-changing stories. In it, you'll discover... -Heartfelt, anonymous voicemail messages and transcripts from real-life readers sharing unforgettable stories about their most beloved books. You'll hear how a mother and daughter formed a bond over their love for Erin Morgenstern's The Night Circus, or how a reader finally felt represented after reading Gene Luen Yang's American Born Chinese, or how two friends performed Mary Oliver's Thirst to a grove of trees, or how Anne

Frank inspired a young writer to continue journaling. -Hidden references inside fictional literary adverts like Ahab's Whale Tours and Miss Ophelia's Psychic Readings, and real-life literary landmarks like Maya Angelou City Park and the Edgar Allan Poe House & Museum. -Lists of bookstores across the USA, state by state, plus interviews with the book lovers who run them. -Various invitations to become a part of this book by calling and leaving a bookish voicemail of your own. -And more! Quirky, nostalgic, and full of heart, The Call Me Ishmael Phone Book is a love letter to the stories that change us, connect us, and make us human. **Ishmael** Dec 15 2019

Blues City Mar 30 2021 Oakland is a blues city, brawling and husky . . . Often overshadowed by San Francisco, its twinkling sister city across the Bay, Oakland is itself an American wonder. The city is surrounded by and filled with natural beauty—mountains and hills and lakes and a bay—and architecture that mirrors its history as a Spanish mission, Gold Rush outpost, and home of the West's most devious robber barons. It's also a city of artists and blue-collar workers, the birthplace of the Black Panthers, neighbor to Berkeley, and home to a vibrant and volatile stew of immigrants and refugees. In Blues City, Ishmael Reed, one of our most brilliant essayists, takes us on a tour of Oakland, exploring its fascinating history, its beautiful hills and waterfronts, and its odd cultural juxtapositions. He takes us into a year in the life of this amazing city, to black cowboy parades and Indian powwows, to Black Panther reunions and Gay Pride concerts, to a Japanese jazz club where a Lakota musician plays Coltrane's "Naima." Reed provides a fascinating tour of an un-tamed, unruly western outpost set against the backdrop of political intrigues, ethnic rivalries, and a gentrification-obsessed mayor, opening our eyes not only to a singular city, but to a newly emerging America.

The Ten Thousand Doors of January Feb 15 2020 "A gorgeous, aching love letter to stories, storytellers and the doors they lead us through...absolutely enchanting."--Christina Henry, bestselling author of Alice and Lost Boys LOS ANGELES TIMES BESTSELLER! In the early 1900s, a young woman embarks on a fantastical journey of self-discovery after finding a mysterious book in this captivating and lyrical debut. In a sprawling mansion filled with peculiar treasures, January Scaller is a curiosity herself. As the ward of the wealthy Mr. Locke, she feels little different from the artifacts that decorate the halls: carefully maintained, largely ignored, and utterly out of place. Then she finds a strange book. A book that carries the scent of other worlds, and tells a tale of secret doors, of love, adventure and danger. Each page turn reveals impossible truths about the world and January discovers a story increasingly entwined with her own. Lush and richly imagined, a tale of impossible journeys, unforgettable love, and the enduring power of stories awaits in Alix E. Harrow's spellbinding debut--step inside and discover its magic.

Ishmael Feb 21 2023 One of the most beloved and bestselling novels of spiritual adventure ever published, Ishmael has earned a passionate following. This special twenty-fifth anniversary edition features a new foreword and afterword by the author. "A thoughtful, fearlessly low-key novel about the role of our species on the planet . . . laid out for us with an originality and a clarity that few would deny."—The New York Times Book Review Teacher Seeks Pupil. Must have an earnest desire to save the world. Apply in person. It was just a three-line ad in the personals section, but it launched the adventure of a lifetime. So begins an utterly unique and captivating novel. It is the story of a man who embarks on a highly provocative intellectual adventure with a gorilla—a journey of the mind and spirit that changes forever the way he sees the world and humankind's place in it. In Ishmael, which received the Turner Tomorrow Fellowship for the best work of fiction offering positive solutions to global problems, Daniel Quinn parses humanity's origins and its relationship with nature, in search of an answer to this challenging question: How can we save the world from ourselves? Explore Daniel Quinn's spiritual Ishmael trilogy: ISHMAEL • MY ISHMAEL • THE STORY OF B Praise for Ishmael "As suspenseful, inventive, and socially urgent as any fiction or nonfiction you are likely to read this or any other year."—The Austin Chronicle "Before we're halfway through this slim book . . . we're in [Daniel Quinn's] grip, we want Ishmael to teach us how to save the planet from

ourselves. We want to change our lives.”—The Washington Post “Arthur Koestler, in an essay in which he wondered whether mankind would go the way of the dinosaur, formulated what he called the Dinosaur’s Prayer: ‘Lord, a little more time!’ Ishmael does its bit to answer that prayer and may just possibly have bought us all a little more time.”—Los Angeles Times

Emily Windsnap: Six Swishy Tails of Land and Sea Nov 13 2019 Half-mermaid, half-human, and all magic, Emily Windsnap has had middle-grade readers under her spell for more than a decade. Best Friends with Emily Windsnap booklet

The Teachings Mar 10 2022 My novel Ishmael was a slow starter. In its early years it had only a few thousand readers. But those thousands told tens of thousands, the tens of thousands told hundreds of thousands, and the hundreds of thousands told millions. Ishmael was just the first course, however. The rest of the meal was still to come -- in Providence, The Story of B, My Ishmael, and Beyond Civilization. But, though I didn't stop with Ishmael, most of my readers did. Very few of them went on to sample any of the later courses. That's why I decided to put this book together. It's a collection of appetizers, generous samples of all the books that followed Ishmael -- and of the books that came BEFORE Ishmael. Reading here, you'll see that in earlier writings -- Tales of Adam and The Book of the Damned -- I accomplished some things that I never managed to surpass in any of the later books (including Ishmael).

Work Aug 23 2020 "This book is a tour de force." --Adam Grant, New York Times bestselling author of Give and Take A revolutionary new history of humankind through the prism of work by leading anthropologist James Suzman Work defines who we are. It determines our status, and dictates how, where, and with whom we spend most of our time. It mediates our self-worth and molds our values. But are we hard-wired to work as hard as we do? Did our Stone Age ancestors also live to work and work to live? And what might a world where work plays a far less important role look like? To answer these questions, James Suzman charts a grand history of "work" from the origins of life on Earth to our ever more automated present, challenging some of our deepest assumptions about who we are. Drawing insights from anthropology, archaeology, evolutionary biology, zoology, physics, and economics, he shows that while we have evolved to find joy, meaning and purpose in work, for most of human history our ancestors worked far less and thought very differently about work than we do now. He demonstrates how our contemporary culture of work has its roots in the agricultural revolution ten thousand years ago. Our sense of what it is to be human was transformed by the transition from foraging to food production, and, later, our migration to cities. Since then, our relationships with one another and with our environments, and even our sense of the passage of time, have not been the same. Arguing that we are in the midst of a similarly transformative point in history, Suzman shows how automation might revolutionize our relationship with work and in doing so usher in a more sustainable and equitable future for our world and ourselves.

Company of One Oct 25 2020 What if the real key to a richer and more fulfilling career was not to create and scale a new start-up, but rather, to be able to work for yourself, determine your own hours, and become a (highly profitable) and sustainable company of one? Suppose the better--and smarter--solution is simply to remain small? This book explains how to do just that. Company of One is a refreshingly new approach centered on staying small and avoiding growth, for any size business. Not as a freelancer who only gets paid on a per piece basis, and not as an entrepreneurial start-up that wants to scale as soon as possible, but as a small business that is deliberately committed to staying that way. By staying small, one can have freedom to pursue more meaningful pleasures in life, and avoid the headaches that result from dealing with employees, long meetings, or worrying about expansion. Company of One introduces this unique business strategy and explains how to make it work for you, including how to generate cash flow on an ongoing basis. Paul Jarvis left the corporate world when he realized that working in a high-pressure, high profile world was not his idea of success. Instead, he now works for himself out of his home on a small, lush island off of Vancouver, and lives a much more rewarding and productive life. He no longer has to contend with an environment that constantly demands more productivity, more output, and more growth. In Company of

One, Jarvis explains how you can find the right pathway to do the same, including planning how to set up your shop, determining your desired revenues, dealing with unexpected crises, keeping your key clients happy, and of course, doing all of this on your own.

Tales of Adam Jul 14 2022 Ever since the publication of Ishmael in 1992, readers have yearned for a glimpse into a dimension of spiritual revelation the author only hinted at in that and later books. Now at long last they have it in seven profound but delightfully simple tales that illuminate the world in which humans became humans. This is a world seen through animist eyes: as friendly to human life as it was to the life of gazelles, lions, lizards, mosquitos, jellyfish, and seals — not a world in which humans lived like trespassers who must conquer and subdue an alien territory. It's a world in which humans have a place in the community of life — not as rulers but as equals — with the paths of all held together in the hand of god. This is not an ancient world or a lost world. It exists as surely today as it ever did — for those who have eyes to see it. Tales of Adam, delightfully illustrated by Michael McCurdy, is a book that will come to be shelved alongside The Prophet, Jonathan Livingston Seagull, and The Alchemist.

Animals as Teachers and Healers Jun 01 2021 Susan Chernak McElroy credits her astounding triumph over cancer to the love of the animals in her life. In Animals as Teachers & Healers she shares her remarkable story along with true stories from others who have been touched by the loving energies of animals. A woman escapes an abusive relationship by observing how her boyfriend treated her two Arabian horses . . . a German shepherd cocoons its body around a toddler during a house fire . . . a coyote gives a couple wisdom about their rebellious daughter . . . a little three-legged frog imparts a valuable lesson to a frightened nine-year-old girl. Unique and compelling, Animals as Teachers & Healers invites us to reconnect with the boundless gifts of joy, wisdom, and deep healing that flow from our ageless and intimate relationship with the animal kingdom.

Providence Aug 15 2022 Providence is Quinn's fascinating memoir of his life-long spiritual voyage. His journey takes him from a childhood dream in Omaha setting him on a search for fulfillment, to his time as a postulant in the Trappist order under the guidance of eminent theologian Thomas Merton. Later, his quest took him through the deep self-discovery of psychoanalysis, through a failed marriage during the turbulent and exciting 60s, to finding fulfillment with his wife Rennie and a career as a writer. In Providence Quinn also details his rejection of organized religion and his personal rediscovery of what he says is humankind's first and only universal religion, the theology that forms the basis for Ishmael. Providence is an insightful book that address issues of education, psychology, religion, science, marriage, and self-understanding, and will give insight to anyone who has ever struggled to forge and enact a personal spirituality.

Die Wise Sep 23 2020 Die Wise does not offer seven steps for coping with death. It does not suggest ways to make dying easier. It pours no honey to make the medicine go down. Instead, with lyrical prose, deep wisdom, and stories from his two decades of working with dying people and their families, Stephen Jenkinson places death at the center of the page and asks us to behold it in all its painful beauty. Die Wise teaches the skills of dying, skills that have to be learned in the course of living deeply and well. Die Wise is for those who will fail to live forever. Dying well, Jenkinson writes, is a right and responsibility of everyone. It is not a lifestyle option. It is a moral, political, and spiritual obligation each person owes their ancestors and their heirs. Die Wise dreams such a dream, and plots such an uprising. How we die, how we care for dying people, and how we carry our dead: this work makes our capacity for a village-mindedness, or breaks it. Table of Contents The Ordeal of a Managed Death Stealing Meaning from Dying The Tyrant Hope The Quality of Life Yes, But Not Like This The Work So Who Are the Dying to You? Dying Facing Home What Dying Asks of Us All Kids Ah, My Friend the Enemy

Ishmael; an Adventure of the Mind and Spirit Oct 05 2021 Ishmael lays out a theory of what has gone wrong with human civilization and how to correct it -- Library Journal

The Life of God (as Told by Himself) Nov 06 2021 At the center of Franco Ferrucci's inspired novel is a tender, troubled God. In the beginning is God's solitude, and because God is lonely he creates the world. He falls in love with earth, plunges into the oceans, lives as plant and reptile and bird. His every thought and mood serve to populate the planet, with consequences that run away from him—sometimes delightfully, sometimes unfortunately. When a new arrival emerges from the apes, God believes he has finally found the companion he needs to help him make sense of his unruly creation. Yet, as the centuries pass, God feels

more and more out of place in the world he has created; by the close of his memoir, he is packing his bags. Highly praised and widely reviewed, *The Life of God* is a playful, wondrous, and irresistible book, recounting thousands of years of religious and philosophical thought. "A supreme but imperfect entity, the protagonist of this religiously enlightened and orthodoxically heretical novel is possessed by a raving love for his skewed, unbalanced world. . . . Blessed are the readers, for this tale of God's long insomnia will keep them happily awake. . . . Extraordinary." —Umberto Eco "The Life of God is, in truth, the synthesis of a charming writer's . . . expression of his boundless hopes for, and poignant disappointments in, his own human kind." —Jack Miles, *New York Times Book Review* "Rather endearing. . . . This exceedingly amusing novel . . . is a continuous provocation and delight; there isn't a dull page in it." —Kirkus Reviews "A smart and charming knitting of secular and ecclesiastic views of the world. . . . The character of God is likable—sweet, utterly human. . . . The prose is delightful . . . the writing is consistently witty and intelligent and periodically hilarious." —Allison Stark Draper, *Boston Review* "'God's only excuse is that he does not exist,' wrote Stendhal, but now Franco Ferrucci has provided the Supreme Being with another sort of alibi." —James Morrow, *Washington Post Book World*

Deep Ecology and Ishmael Jul 02 2021

After Dachau Dec 27 2020 Daniel Quinn, well known for *Ishmael* – a life-changing book for readers the world over – once again turns the tables and creates an otherworld that is very like our own, yet fascinating beyond words. Imagine that Nazi Germany was the first to develop an atomic bomb and the Allies surrendered. America was never bombed, occupied, or even invaded, but was nonetheless forced to recognize Nazi world dominance. The Nazis continued to press their campaign to rid the planet of “mongrel races” until eventually the world – from Capetown to Tokyo – was populated by only white faces. Two thousand years in the future people don’t remember, or much care, about this distant past. The reality is that to be human is to be Caucasian, and what came before was literally ancient history having nothing to do with those then living. Now imagine that reincarnation is real, that souls migrate over time from one living creature to another, and that a soul that once animated an American black woman living at the time of World War II now animates an Aryan in Quinn’s new world, and that due to a traumatic accident memories of this earlier incarnation assert themselves. Compared by readers and critics alike to *1984* and *Brave New World*, *After Dachau* is a new dystopian classic with much to say about our own time, and the dynamics of human history.

At Play in the Fields of the Lord Feb 09 2022 In a malarial outpost in the South American rain forest, two misplaced gringos converge and clash in this novel from the National Book Award-winning author. Martin Quarrier has come to convert the elusive Niaruna Indians to his brand of Christianity. Lewis Moon, a stateless mercenary who is himself part Indian, has come to kill them on the behalf of the local comandante. Out of this struggle Peter Matthiessen creates an electrifying moral thriller—adapted into a movie starring John Lithgow, Kathy Bates, and Tom Waits. A novel of Conradian richness, *At Play in the Fields of the Lord* explores both the varieties of spiritual experience and the politics of cultural genocide.

Writing Monsters Sep 04 2021 Monsters are more than things that go bump in the night... Monsters are lurking in the woods, beneath the waves, and within our favorite books, films, and games--and there are good reasons why they appear so often. Monsters are manifestations of our fears and symbols of our society--not to mention they're a lot of fun--but each should serve a purpose and enhance the themes and tension in your fiction. In *Writing Monsters*, best-selling author Philip Athans uses classic examples from books, films, and the world around us to explore what makes monsters memorable--and terrifying. You'll learn what monsters can (and should) represent in your story and how to create monsters from the ground up. *Writing Monsters* includes: • In-depth discussions of where monsters come from, what they symbolize, and how to best portray them in fiction • Informative overviews of famous monsters, archetypes, and legendary creatures • A Monster Creation Form to help you create your monster from scratch • An annotated version of H.P. Lovecraft's chilling story "The Unnamable" Whether you write fantasy, science fiction, or horror, your vampires, ghouls, aliens, and trolls need to be both compelling and meaningful. With *Writing Monsters*, you can craft creatures that will wreak havoc in your stories and haunt your readers' imaginations--and nightmares.

My Ishmael Dec 19 2022 An extraordinary and startlingly original sequel to *Ishmael* “Enthralling,

shocking, hope-filled, and utterly fearless, Daniel Quinn leads us deeper and deeper into the human heart, history, and spirit. In *My Ishmael*, Quinn strikes out into entirely new territory, posing questions that will rock you on your heels, and providing tantalizing possibilities for a truly new world vision.”—Susan Chernak McElroy, author of *Animals as Teachers & Healers* When *Ishmael* places an advertisement for pupils with “an earnest desire to save the world,” he does not expect a child to answer him. But twelve-year-old Julie Gerchak is undaunted by *Ishmael*’s reluctance to teach someone so young, and convinces him to take her on as his next student. *Ishmael* knows he can't apply the same strategies with Julie that he used with his first pupil, Alan Lomax—nor can he hope for the same outcome. But young Julie proves that she is ready to forge her own spiritual path and arrive at her own destination. And when the time comes to choose a pupil to carry out his greatest mission yet, *Ishmael* makes a daring decision—a choice that just might change the world. Explore Daniel Quinn’s spiritual *Ishmael* trilogy: *ISHMAEL* • *MY ISHMAEL* • *THE STORY OF B*

Bedhead Ted Apr 18 2020 Perfect for fans of *Hilo* and *Lunch Lady*, this charming and funny young middle grade graphic novel follows one boy as he discovers that his perceived flaw—wild, red hair—may just be what saves the day. Ten-year-old Ted just wants to fit in. But his wild, red hair is a target for school bullies. Fortunately, he has his best friend, Stacy, to take his mind off all the mean comments. But Stacy needs Ted’s help to uncover the truth of a local urban legend—the elusive giant raccoon known as the Brookside Beast! However, after Stacy starts making new friends, Ted feels more alone and weirder than ever...until Ted discovers that he has a superpower! His hair can lift, stretch, and catch anything. For the first time in his life, Ted wonders if his unruly hair is a gift rather than a curse. Could it be the one thing that not only helps solve their town’s greatest mystery but also gets his best bud back?

My Ishmael Apr 30 2021 In this companion novel, *Ishmael* takes on a new, younger pupil - one of his most rewarding yet - and decides to teach her alongside his previous pupil (known to the readers of *Ishmael*). *Ishmael* can't follow the same strategy with either student, or expect the same outcome. But when his life starts to fall apart, he must choose one of his students to entrust with his great secret - and a great mission. **A Newcomer's Guide to the Afterlife** Jun 13 2022 The guide of choice for anyone who plans to die someday--are YOU ready for the AFTERLIFE? To find out, take this simple quiz: 1. Like Earth, the Afterlife has celebrities, outcasts, deadheads, losers, and busybodies. True False 2. Is there an Afterlife after the Afterlife? Yes No 3. When you first arrive on "the Other Side," you will be given: a) a set of wings b) a toaster c) a copy of *A Newcomer's Guide to the Afterlife* Don't worry if you're not sure how to respond. *A Newcomer's Guide to the Afterlife* has answers to these questions and more--and if you're lucky, some of them may turn out to be right! An irreverent, one-of-a-kind compendium from the award-winning author of *Ishmael*, *A Newcomer's Guide to the Afterlife* can be read as a parable, an allegory, a work of fiction--or exactly what it claims to be: a helpful handbook for the recently deceased. It is filled with uncommon wisdom, bizarre imaginings, uncanny perceptions, and unexpected humor. Is it fantastic escapism or a seminal event in human history? Read it and find out.... Face it. The Afterlife is the ultimate test. You might as well study.

The Story of B Nov 18 2022 From the author of the critically acclaimed, award-winning bestseller *Ishmael* and its sequel, *My Ishmael*, comes a powerful novel with one of the most profound spiritual testaments of our time “A compelling ‘humantale’ that will unglue, stun, shock, and rearrange everything you’ve learned and assume about Western civilization and our future.”—Paul Hawken, author of *The Ecology of Commerce* Father Jared Osborne has received an extraordinary assignment from his superiors: Investigate an itinerant preacher stirring up deep trouble in central Europe. His followers call him B, but his enemies say he’s something else: the Antichrist. However, the man Osborne tracks across a landscape of bars, cabarets, and seedy meeting halls is no blasphemous monster—though an earlier era would undoubtedly have rushed him to the burning stake. For B claims to be enunciating a gospel written not on any stone or parchment but in our very genes, opening up a spiritual direction for humanity that would have been unimaginable to any of the prophets or saviors of traditional religion. Pressed by his superiors for a judgement, Osborne is driven to penetrate B’s inner circle, where he soon finds himself an anguished collaborator in the dismantling of his own religious foundations. More than a masterful novel of adventure and suspense, *The Story of B* is a rich source of compelling ideas from an author who challenges us to rethink our most cherished beliefs.

Ishmael Sep 16 2022

Call Me Ishmael May 12 2022 First published in 1947, this acknowledged classic of American literary criticism explores the influences—especially Shakespearean ones—on Melville's writing of Moby-Dick. One of the first Melvilleans to advance what has since become known as the "theory of the two Moby-Dicks," Olson argues that there were two versions of Moby-Dick, and that Melville's reading King Lear for the first time in between the first and second versions of the book had a profound impact on his conception of the saga: "the first book did not contain Ahab," writes Olson, and "it may not, except incidentally, have contained Moby-Dick." If literary critics and reviewers at the time responded with varying degrees of skepticism to the "theory of the two Moby-Dicks," it was the experimental style and organization of the book that generated the most controversy. Passionate in his poetry, Olson was no less passionate in his reading of Melville. Impatient with what he regarded as traditional forms of literary criticism, Olson engaged his own creativity to write a book as robust, original, and compelling as Melville's masterpiece. "Not only important, but apocalyptic."—New York Herald Tribune "One of the most stimulating essays ever written on Moby-Dick, and for that matter on any piece of literature, and the forces behind it."—San Francisco Chronicle "Olson has been a tireless student of Melville and every Melville lover owes him a debt for his Scotland Yard pertinacity in getting on the trail of Melville's dispersed library."—Lewis Mumford, New York Times "Records, often brilliantly, one way of taking the most extraordinary of American books."—W. E. Bezanson, New England Quarterly "The most important contribution to Melville criticism since Raymond Weaver's pioneering contribution in 1921."—George Mayberry, New Republic

The Essential Urban Farmer Dec 07 2021 The "how-to" guide for a new generation of farmers from the author of Farm City and a leading urban garden educator. In this indispensable guide, Farm City author Novella Carpenter and Willow Rosenthal share their experience as successful urban farmers and provide practical blueprints—complete with rich visual material—for novice and experienced growers looking to bring the principles of ethical food to the city streets. The Essential Urban Farmer guides readers from day one to market day, advising on how to find the perfect site, design a landscape, and cultivate crops. For anyone who has ever grown herbs on windowsills, or tomatoes on fire escapes, this is an invaluable volume with the potential to change our menus, our health, and our cities forever.

Dreamer Aug 03 2021 Greg has just fallen in love with Ginny Winters when the dreams begin—nightmares of chasing Ginny through a strange, deserted city. Then Greg wakes up and discovers that he's Richard, an emotionally-disturbed man committed to a sanitarium—and married to Ginny. Dreamer foreshadows the complexity of Quinn's Turner Award-winning book Ishmael.

Sustaining the Earth Mar 18 2020 SUSTAINING THE EARTH provides the basic scientific tools for understanding and thinking critically about the environmental problems we face. About half the price of other environmental science texts, this 14-chapter, one-color core book offers an integrated approach that emphasizes how environmental and resource problems and solutions are related. The new edition of SUSTAINING THE EARTH is fully updated with the latest statistics and reports of important scientific studies. New Connections boxes show surprising but important connections between environmental problems and aspects of daily life. In addition, new Thinking About boxes help students apply the concepts of the book to their own lives. Sustainability is the integrating theme of this current and thought-provoking book. The concept-centered approach transforms complex environmental topics and issues into key concepts that students will understand and remember. By framing the concepts with goals for more sustainable lifestyles and human communities, students see how promising the future can be. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

At Woomeroo Jan 28 2021 At Woomeroo is a land . . . where mirrors wink in the sunlight as people signal one another from the hilltops . . . where a squirming pink infant, babbling with excitement, arrives by mail . . . where a man turns his kite over to his small son, who is borne off by it over the hill . . . where a rooster says, "Oh good. Wonderful fine beautiful good. Really. Because now I'm going to kill you" . . . where between Tiffany's and Ferragamo stands Tetwilder's, a boutique dealing in designer children . . . where a king struggles to evade an inescapable curse . . . where, with the addition of a girl's packing crate, the boy's

refrigerator carton becomes a commodious two-room hovel . . . where a digger finds all sorts of things in the ground, including an attractive young woman . . . where a top court confirms: No Civil Rights for Stomachs . . . where it gets to be time for visits, and the children from the workhouse come, weeping in their rags and sooty shoes, and everyone begins to feel much better . . . where a girl standing in the boundless sea shakes her head and asks with perfect innocence: "What is land?" . . . where as a captive in Japan, a U.S. State Department courier hones his skills playing table tennis with the unacknowledged son of the Emperor Hirohito.

A Language Older Than Words May 20 2020 At once a beautifully poetic memoir and an exploration of the various ways we live in the world, A Language Older Than Words explains violence as a pathology that touches every aspect of our lives and indeed affects all aspects of life on Earth. This chronicle of a young man's drive to transcend domestic abuse offers a challenging look at our worldwide sense of community and how we can make things better.

Ishmael Jan 20 2023 One of the most beloved and bestselling novels of spiritual adventure ever published, Ishmael has earned a passionate following. This special twenty-fifth anniversary edition features a new foreword and afterword by the author. "A thoughtful, fearlessly low-key novel about the role of our species on the planet . . . laid out for us with an originality and a clarity that few would deny."—The New York Times Book Review Teacher Seeks Pupil. Must have an earnest desire to save the world. Apply in person. It was just a three-line ad in the personals section, but it launched the adventure of a lifetime. So begins an utterly unique and captivating novel. It is the story of a man who embarks on a highly provocative intellectual adventure with a gorilla—a journey of the mind and spirit that changes forever the way he sees the world and humankind's place in it. In Ishmael, which received the Turner Tomorrow Fellowship for the best work of fiction offering positive solutions to global problems, Daniel Quinn parses humanity's origins and its relationship with nature, in search of an answer to this challenging question: How can we save the world from ourselves? Explore Daniel Quinn's spiritual Ishmael trilogy: ISHMAEL • MY ISHMAEL • THE STORY OF B Praise for Ishmael "As suspenseful, inventive, and socially urgent as any fiction or nonfiction you are likely to read this or any other year."—The Austin Chronicle "Before we're halfway through this slim book . . . we're in [Daniel Quinn's] grip, we want Ishmael to teach us how to save the planet from ourselves. We want to change our lives."—The Washington Post "Arthur Koestler, in an essay in which he wondered whether mankind would go the way of the dinosaur, formulated what he called the Dinosaur's Prayer: 'Lord, a little more time!' Ishmael does its bit to answer that prayer and may just possibly have bought us all a little more time."—Los Angeles Times

The Invisibility of Success Oct 13 2019 Thirteen essays and speeches delivered (among others) at the University of Georgia Center for Humanities and Arts (Distinguished Lecturer Series); Sixth Annual Rice University Environmental Conference; the 2000 Houston Youth Environmental Leadership Conference (Keynote address); The 1997 Conference of the North American Association for Environmental Education; Earth Day 1998, Kent State University; Student Pugwash Technologies of Peace Conference, Carnegie Mellon University, 1997; The 2000 Fleming Lecture in Religion, Southwestern University, Georgetown, Texas.

Ishmael: and Adventure of the Mind and Spirit Jul 22 2020

If They Give You Lined Paper, Write Sideways. Apr 11 2022 In Ishmael, Daniel Quinn offered new ways of seeing and understanding human history, and our collective future. His message was transformative for millions of people, and Ishmael continues to attract tens of thousands of new readers each year.

Subsequent works, such as The Story of B and My Ishmael, expanded upon his insights and teachings, but only now does he finally tackle the one question he has been asked hundreds of times but has never taken on: "How do you do what you do?" In If They Give You Lined Paper, Write Sideways Quinn elucidates for readers the methods behind his own thought processes, challenging and ultimately empowering them to view the world for themselves in creative, perhaps even revolutionary ways. If They Give You Lines Paper, Write Sideways also includes Quinn's never-before-published essays "The New Renaissance" and "Our Religions." There is a scientific consensus that global warming is approaching a tipping point beyond no return faster than had previously been predicted. Quinn has long portrayed humans as "a species of beings, which, while supposedly rational, are destroying the very planet they live on." So what are we to do? There

has never been a plan for the future - and there never will be. But something extraordinary will happen in the next two or three decades; the people of our culture will learn to live sustainably - or not. Either way, it will be extraordinary. The sooner we understand this reality, the greater the chances that human society will transform itself so that the human race might have a future. From the Trade Paperback edition.

Beyond Civilization Oct 17 2022 In Beyond Civilization, Daniel Quinn thinks the unthinkable. We all know there's no one right way to build a bicycle, no one right way to design an automobile, no one right way to make a pair of shoes, but we're convinced that there must be only one right way to live -- and the one we have is it, no matter what. Beyond Civilization makes practical sense of the vision of Daniel Quinn's best-selling novel Ishmael. Examining ancient civilizations such as the Maya and the Olmec, as well as modern-day microcosms of alternative living like circus societies, Quinn guides us on a quest for a new model for society, one that is forward-thinking and encourages diversity instead of suppressing it. Beyond Civilization is not about a "New World Order" but a "New Personal World Order" that would allow people to assert control over their own destiny and grant them the freedom to create their own way of life right now -- not in some distant utopian future.

The Man who Grew Young Jan 08 2022 A masterful tale of a future world where life runs backward, and the trials of one man who cannot find a mother to return to.
