*Broken to Be Made Whole Nov 08 2021 Broken To Be Made Whole is a book that tells my true story. It chronicles my journey of loss, pain and brokenness after a minor accident caused the stillbirth of my baby. I developed complications and was faced with options that were fatal. I was angry at God for not preventing it and at the people around me for not understanding the extent of the pain. I was angry at society for downplaying the pain and agony mothers go through after a still birth or a miscarriage. How did I rise above the hopelessness and the nothingness? How did I move from brokenness into being whole? How did I harness my remaining ounce of strength into eternal truths that became the pillars for my progress? The most unimaginable misfortunes happen to many people, but what distinguishes them is how they handle such situations. Find out how I handled mine. Be inspired.*

*The Broken Road Oct 19 2022 Patrick Leigh Fermor recounts the last leg of his epic walk across Europe as he makes his way through Bulgaria, Romania, and finally Greece. In the winter of 1933, eighteen-year-old Patrick ("Paddy") Leigh Fermor set*

*out on a walk across Europe, starting in Holland and ending in Constantinople, a trip that took him almost a year. Decades later, Leigh Fermor told the story of that life-changing journey in A Time of Gifts and Between the Woods and the Water, two books now celebrated as among the most vivid, absorbing, and beautifully written travel books of all time. The Broken Road is the long-awaited account of the final leg of his youthful adventure that Leigh Fermor promised but was unable to finish before his death in 2011. Assembled from Leigh Fermor's manuscripts by his prizewinning biographer Artemis Cooper and the travel writer Colin Thubron, this is perhaps the most personal of all Leigh Fermor's books, catching up with young Paddy in the fall of 1934 and following him through Bulgaria and Romania to the coast of the Black Sea. Days and nights on the road, spectacular landscapes and uncanny cities, friendships lost and found, leading the high life in Bucharest or camping out with fishermen and shepherds—in the The Broken Road such incidents and escapades are described with all the linguistic bravura, odd and astonishing learning, and overflowing exuberance that Leigh Fermor is famous for, but also with a melancholy awareness of the passage of time, especially when he meditates on the scarred history of the Balkans or on his troubled relations with his father. The book ends, perfectly, with Paddy's arrival in Greece, the country he would fall in love with and fight for. Throughout it we can still hear the ringing voice of an irrepressible young man embarking on a life of adventure.*

*The Broken Road Home Oct 27 2020 This is Evie's sad tale of surviving sexual abuse, as well as domestic abuse as a young child. Evie much later on also became a survivor of Domestic Violence, as a young wife and mother. Melvin, a family friend, and sexual predator carved a path for himself using Evie's young innocence, by showing her kindness in a place of loneliness. Evie had no one to turn to, her mother an alcoholic, and her step-father a cruel, and vicious man. Evie through the years was placed in several different foster homes; Evie ran away from them all, even living on the cold streets of London at eleven years old. A homeless traveller took Evie under their wing, kept her safe, and eventually helped to guide her home. All she had to cling to in the end was her biological father, also an alcoholic, her Nan, and her great love of horses. Evie would later marry Andrew, yet another man in her life who deceived her in every heartbreaking way imaginable. Andrew viciously beat Evie many times over during a six-year period, and he had numerous affairs with prostitutes, as well as affairs with other women whom she knew. Evie had nowhere to run to, that Andrew would not find her, and bring her back. She felt broken in mind, body, and spirit, with no one to protect her. Evie sometimes felt like giving up her very existence, though it was her deep bond, and love for her children that she found the strength to keep on going. Evie's great fondness for books eventually led her to find spirituality, which gave her calm and peaceful moments, and through spirituality she met two amazing women, and with their help she found the strength to take back her life, and then she met Steve. Steve gave Evie a love story, which she would never, ever forget. Evie wanted to keep her readers in mind, and so her re-account of her childhood memories of being sexually abused is written in such a way, as to not to be too upsetting, and so she decided to write about it very softly, and only touching on this subject very briefly. Her story may appear very harrowing, though it has it does have it's up's and down's, as well it's funny and sad moments. Evie does however eventually experience a beautiful love, and she does have her happy ever after, by walking a broken road...home.*

But in this groundbreaking work, the author is sent on a journey across thousands of miles to speak to Hindus, Muslims, Buddhists, and Christians like himself following the 2004 colossal tsunami waves that killed more than 230,000 people. In the wake of such carnage, why do some people lose their faith while others emerge with it intact and strengthened? Are these events in the natural world really linked to divine justice as "punishment for sin"? And if not, what are the best possible explanations for why an intelligent and caring deity would fashion a world in which babies can die of leukemia and the elderly fall victim to deadly viruses such as COVID-19? *The Journey into a Man's Broken Heart* Feb 17 2020 A story is just the formation of words used to paint the picture of an event. My story is not any different. Each word used, is full of emotions, with hopes of painting a portrait of LOVE. I always heard people say, Its better to have LOVED and lost than not to have LOVED at all. And at times, I was completely in agreement with this. Well that was until I LOVED and lost and was never able to LOVE again. I cant blame LOVE for this, but I can blame me. In order to remove the stain that guilt has left on the remaining pieces of my heart, I painted this picture, with my words, in hopes that you will end up appreciating the gift of LOVE.
