Central Africans, Atlantic Creoles, and the Foundation of the Americas, 1585-1660

Nov 22 2022 This book shows that the first generation of Africans taken to English and Dutch colonies before 1660 were captured by pirates from these countries from slave ships coming from Kongo and Angola. This region had embraced Christianity and elements of Western culture, such as names and some material culture, the result of a long period of diplomatic, political, and military interaction with the Portuguese. This background gave them an important role in shaping the way slavery, racism, and African-American culture would develop in English and Dutch colonies throughout the Western Hemisphere.

The Bookshop at 10 Curzon Street Feb 13 2022 Nancy Mitford was a brilliant personality, a remarkable novelist and a legendary letter writer. It is not widely known that she was also a bookseller. From 1942 to 1946 she worked in Heywood Hill's famous shop in Curzon Street, and effectively ran it when the male staff were called up for war service. After the war she left to live in France, but she maintained an abiding interest in the shop, its stock, and the many and varied customers who themselves form a cavalcade of the literary stars of post-war Britain. Her letters to Heywood Hill advise

on recent French titles that might appeal to him and his customers, gossip engagingly about life in Paris, and enquire anxiously about the reception of her own books, while seeking advice about new titles to read. In return Heywood kept her up to date with customers and their foibles, and with aspects of literary and bookish life in London. Charming, witty, utterly irresistible, the correspondence gives brilliant insights into a world that has almost disappeared.

Daughters of Sparta Jan 24 2023 THE NATIONAL BESTSELLER! For millennia, men have told the legend of the woman whose face launched a thousand ships—but now it's time to hear her side of the story. *Daughters of Sparta* is a tale of secrets, love, and tragedy from the women behind mythology's most devastating war, the infamous Helen and her sister Klytemnestra. As princesses of Sparta, Helen and Klytemnestra have known nothing but luxury and plenty. With their high birth and unrivaled beauty, they are the envy of all of Greece. But such privilege comes at a cost. While still only girls, the sisters are separated and married to foreign kings of their father's

choosing—the powerful Agamemnon, and his brother Menelaos. Yet even as Queens, each is only expected to do two things: birth an heir and embody the meek, demure nature that is expected of women. But when the weight of their husbands' neglect, cruelty, and ambition becomes too heavy to bear, Helen and Klytemnestra must push against the constraints of their society to carve new lives for themselves, and in doing so, make waves that will ripple throughout the next three thousand years. *Daughters of Sparta* is a vivid and illuminating reimagining of the Siege of Troy, told through the perspectives of two women whose voices have been ignored for far too long. "Required reading for fans of *Circe*, and a remarkable, thrilling debut." —Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue* "[A] gorgeous retelling of the classic Greek myth... Absolutely riveting!" —Alka Joshi, New York Times bestselling author of *The Henna Artist*

Politics Oct 21 2022 This textbook provides a comprehensive introduction to the study of politics, covering areas as diverse as comparative government and political philosophy, international relations and political economy, from an international perspective.

Thomas Heywood's Theatre, 1599–1639 Mar 14 2022 In this major reassessment of his

subject, Richard Rowland restores Thomas Heywood-playwright, miscellanist and translator-to his rightful place in early modern theatre history. Rowland contextualizes and historicizes this important contemporary of Shakespeare, locating him on the geographic and cultural map of London through the business Heywood conducts in his writing. Arguing that Heywood's theatrical output deserves the same attention and study that has been directed towards Shakespeare, Jonson, and more recently Middleton, this book looks at three periods of Heywood's creativity: the end of the Elizabethan era and the beginning of the Jacobean, the mid 1620s, and the mid to late 1630s. By locating the works of those years precisely in the political and cultural conflicts to which they respond, Rowland initiates a major reassessment of the remarkable achievements of this playwright. Rowland also pays attention to Heywood in performance, seeing this writer as a jobbing playwright working in an industry that depended on making writing work. Finally, the author explores how Heywood participated in the civic life of London in his writings beyond the playhouse. Here Rowland examines pamphlets, translations, and the sequence of lord mayor's pageants that Heywood produced as the political crisis deepened. Offering close readings of Heywood that establish the range, quality and theatrical significance of the writing, *Thomas Heywood's Theatre, 1599-1639* fits a fascinating piece into the emerging

picture of the 'complete' early modern English theatre.

What Does Jeremy Think? Jan 12 2022

Heywood Hospital Feb 25 2023 Heywood Hospital, an independent, 153-bed, nonprofit community hospital located in north central Massachusetts, has served the residents of the Greater Gardner area for over 100 years. A gift to the community, its birth in 1907 was thanks to the vision and generosity of the prominent Heywood family. Henry Heywood had wished that workers at his world-renowned furniture manufacturing company would have medical treatment available to them locally. Upon his death, his wife and daughter provided the funds needed for the land and hospital building, as well as an endowment for its operation. Situated upon a hill overlooking Crystal Lake to the west and the Heywood family farm to the north and east, the Henry Heywood Memorial Hospital was established. A visual history reflecting the deep connection between a community hospital and its residents, Heywood Hospital celebrates the hospital as a benefactor and major employer firmly entrenched in a highly supportive

community.

The Plays of John Heywood Aug 07 2021 The series is performing an important service by providing fully annotated editions of Tudor humanists and playwrights in the original Tudor English, with glossaries and listing of textual variants and doubtful readings. COMPARATIVE DRAMA `A first-rate edition that substantially advances the cause of scholarship.' COMPARATIVE DRAMA First complete and fully annotated collection of John Heywood's plays in the original language. It makes possible a reevaluation of his remarkable achievement as actor-playwright and an appreciation of his lively contribution to the English language. In all their experimental variety the comedies are seen to have the stamp of an idiosyncratic, theatrical intelligence coupled with a surprising seriousness and Heywood emerges as a resourceful apologist for traditional Catholic doctrine in a time of Reformation. In arguing for a new chronology, the editors suggest that Henry VIII's servant and

entertainer was capable of refreshing irreverence and political daring. Contents: Witty and Witles, Johan Johan, The Pardoner and theFrere, The Foure PP, A Play of Love, The Play of the Wether. Notes.Appendices: Verses from a lost Play of Reason, Translation of . RICHARD AXTON is a Fellow of Christ's College, Cambridge, and University lecturer in English. PETER HAPPÉis the former Principal of Barton PeverilSixth-Form College.
