A one night stand. A secret. A mistake they tried to forget. On leave from the army, Tyler Dare was just looking for a little fun, but his sister's best friend is off limits. But unable to deny how sexy and alluring she is, he finds it all too easy to succumb to a night of passion and heat that ends the next morning in the worst way possible. There are just some guys you don't touch—even someone as innocent and inexperienced as Ella Shaw knows that. But when her best friend's brother is up for grabs and willing, she can't resist. After all, she's wanted him for years... Now, Ella is

stranded on a tropical island with a hurricane bearing down, and only Tyler can save her. It's his chance to make amends for the past and show the woman he's never forgotten that he's coming after her...in more ways than one. Have you asked someone a question today? Asking questions makes us human, it helps us to establish connections and understand each other. Learn from the best in class, like Socrates, a hairdresser, Oprah, a police investigator, Confucius and a therapist. Use the practical tips and fun facts in this book to your advantage during birthday parties, networking events, a first date or at the bus stop. Are you ready to turn the focus to the other, ask questions and create deeper connections? *A Desperate Young Lady...* Miss Grace Weston is in trouble. In fact, Miss Weston is in about the worst trouble a young unmarried lady can get herself into. No amount of regret will change the fact that she was nitwit enough to be seduced by a handsome face and a lot of romantic nonsense. No amount of weeping will change the fact that she will have a child out of wedlock. She will break her parents' hearts and taint the whole family with her shame. Her folly will forever exclude her from the society to which she belongs... Unless something extraordinary happens. *A Quiet Man...* Mr Sterling Oak is a man of few words. Raised by his ambitious father to be a gentleman, he treads a line between his family's lowly past and the society that scorns him. An educated farmer with a fine house and dirt beneath his nails, he hides behind silence rather than reveal the man he really is. When Sterling's keen eye detects that which no one else has yet noticed, something moves him to make the delicately lovely Miss Weston an offer of marriage. *A Devil's Bargain...* Grace does not know what to make of Mr Oak. He appears little more than a big,

mannerless brute with a scowl, a man who would rather grunt a reply than endure a conversation. Yet what choice has she? Her husband-to-be is fierce and intimidating, but Grace is desperate, and not as fragile as her fair beauty may suggest. Accepting the devil's bargain is probably the second-worst mistake of her life... Unless it turns out to be the beginning of something wonderful. For everyone, parent and child that has a dream and wants to accomplish that dream. Go with Jade on her journey with her dance team, and her family as they navigate the highs and lows of Jades summer as she achieves her individual and team goals while overcoming her fears. "Sometimes we are met with overwhelming challenges that knock us off our feet-but [Lizzie has] been able to embody the power of hope and compassion in everything [she does]." --Michelle Obama Born with a rare genetic condition, Lizzie Velasquez always knew she was different, but it wasn't until she was older that she understood what that meant to herself and others. In this daring, inspirational book, Lizzie reveals the hidden forces that give rise to self-doubt and empowers us to unlock empathy and kindness for ourselves and others. Through her own battles with anxiety and depression she demonstrates how we can overcome obstacles and move forward with greater positivity and hope. Dare to Be Kind offers the path to self-acceptance, love, and tolerance, and provides a framework for living with confidence and resilience, and ultimately, forging a radically compassionate world. "Dare to Inspire shows how to spark and sustain exponential growth." --Shawn Achor, New York Times bestselling author of Big Potential and The Happiness Advantage Inspiration is a most critical resource to be managed in modern work. The problem is that the power of inspiration often feels fleeting. But

what if you could design your own way to be inspired at work on a regular basis? What if you could make your own inspiration last? Rooted in 18 engines of inspiration that emerged from interviews with leaders across different industries, *Dare to Inspire* shows how to supercharge inspiration for yourself, your team, and your organization. Each chapter offers tools, strategies, and examples of how to make inspiration happen and last. Through stories of pioneers in business, health, education, and other industries, readers learn how to effectively use the engines to spark inspiration, along with specific practices to sustain it. *Dare to Inspire* features Chef Wes Avila, the founder of L.A. sensation Guerrilla Tacos, who was inspired to revolutionize his industry; crowdfunding pioneer Charles Best, who founded DonorsChoose to meet the challenge of connecting teachers in need with donors interested in supporting educational programs; and many others. This will be a vital book for anyone interested in creativity, success, achievement, and happiness. In these tough economic times, former Green Beret officer Bob Mayer uses military techniques to show readers how to succeed by conquering fear. In today's fast-moving world, change occurs constantly, competition is fierce, and it is becoming increasingly difficult for people to achieve success—both personal and professional. Bob Mayer argues that for most, the one most common obstacle standing in the way is fear. *Who Dares Wins* shares the time-tested techniques of the Special Forces, proven elite warriors trained to conquer fear, dare to be different, and accomplish what others consider impossible. Mayer outlines specific steps for discovering what is holding you back and offers hands-on exercises for increasing motivation to reach those goals. Bringing his unique blend of

practical Special Operations Strategies and Tactics mixed with the vision of an artist, Mayer helps readers get to know themselves, identify blind spots, and overcome fear to achieve success. "Bob Mayer gives us a unique and valuable window into the shadowy world of our country's elite fighting forces and how you can apply many of the concepts and strategies they use for success in your own life and organization." —Jack Canfield, creator of the Chicken Soup book series

Empowered to Heal Where do sickness and disease come from, and what can we do about it? In this book, Becky Dvorak conveys a clear message from Scripture—human beings have been created in the mirror image of the Father, Son, and Holy Spirit; we are a little lower than Elohim; and we've been given authority over satan and all of his works by the redeeming Blood of Jesus Christ. Dare to Believe traces sickness and disease from the Garden of Eden through the ascension of Christ and teaches you how to walk in divine healing and miracles. This book will equip the Body of Christ by showing how satan is the one responsible for sickness and disease—and Christians aren't subject to the devil's works! You will: Discover where sickness and disease originated from. Be equipped to walk in divine healings and miracles. Learn who you are in Christ and how to put your faith into action. Understand your authority over satan and all of his works, including sickness and disease. Learn how to use the ten faith principals that Jesus Christ put into practice when ministering to the sick. We can live in the manifest presence of God and create miracles if we dare to believe! Take the dare today! "Like the A-10 aircraft she flew in combat, retired colonel and fighter pilot Martha McSally is a gritty individual who loves our Air Force and personified its core values of excellence,

integrity, and service before self, while standing up to make it a better institution for everyone who serves. How to be resolute, do the right thing, persevere, find gratitude, and learn compassion are just some of the lessons in her inspirational life story.” —Ron FOGLEMAN, General (ret.), U.S. Air Force; former Air Force Chief of Staff

Combining the soulful honesty of *Make Your Bed* with the inspiring power of *You Are a Badass*, America’s first female combat jet pilot and Arizona Senator Martha McSally shows you how to clear the runway of your life: embrace fear, transform doubt, succeed when you are expected to fail, and soar to great heights in this motivational life guide. Martha McSally is an extraordinary achiever whose inner strength and personal principles have helped her overcome adversity throughout her life. Initially rejected from Air Force flight school because she was too short, she refused to give up, becoming the first female fighter pilot to fly in combat and the first to command a combat fighter squadron in United States history. During her twenty-six-year military career, she fought to free American servicewomen stationed in the Middle East from restrictions requiring them to don full-body, black abayas and ride in the backs of cars – and won. McSally has continued to serve America, first in the House of Representatives, and now as a U.S. Senator from Arizona. McSally is also a survivor. She shares how her experiences propelled her to become a fighter for justice in and out of the cockpit. In this powerful, uplifting book, McSally reflects on her successes and failures, shares key principles that have guided her, and reveals invaluable lessons to break barriers, thrive through darkness, and make someone proud in your life. “Courage isn’t magic or genetics. It is a choice. By choosing to do things afraid,

you discover your own power to overcome.” Filled with fresh stories and insights, Dare to Fly will help each of us find the courage inside to break our barriers, endure turbulence, and keep flying high. In this inspirational book, veteran teacher and school leader Will Place shares the importance of caring about others. He explains the concepts that are vital to a successful principalship: leadership, management, knowledge, and accountability - and caring. Drawing on personal experience and detailed examples, Place conveys the very human need for caring and its essential role in the success of a school. He knows how to score ...on the field and in the bedroom. But Alex Dare isn't prepared for the injury that sidelines him into early retirement. Still, if it means working closely with the one woman who ever meant more to him than a one night stand, he's all on board. But there is no amount of wealth or charm that could persuade social worker, Madison Evans, back into Alex's bed. Good thing Alex loves a challenge. But soon seducing Madison becomes more than just a goal, it just might define his future. Get the motivation and the information you need to rise up to the next level of success! No matter what line of work you're in, the marketplace constantly challenges you. No matter how savvy an entrepreneur or skilled a professional you are, you risk losing ground every day you don't push forward. That's why you need every advantage possible to achieve the prosperity you're after. Now, America's #1 Success Coach, Jack "Chicken Soup for the Soul" Canfield, has gathered together the top business minds from around the world in one powerful book. This guide to prosperity contains their secret strategies to conquer the competition and bring ongoing abundance into your life. Dare to achieve your greatest ambitions. Dare to break through to new

levels of professional and personal accomplishment. Dare to discover the happiness and fulfillment you've always wanted to attain. Dare to Succeed-and dare to live your dream. Boys can be anything they want to be! In this sequel to the New York Times bestseller *Stories for Boys Who Dare to Be Different*, Ben Brooks introduces seventy-six more boys and men who will inspire young readers to live boldly and true to themselves. What do environmental activist Xiuhtezcatl Martinez, philosopher Socrates, and singer Ed Sheeran all have in common? Each of them defied expectations -- going against the grain and pursuing their dreams despite a seemingly impossible barrage of obstacles and difficulties. Their stories are incredible, as are those of tap dancer Evan Ruggiero, Pokémon creator Satoshi Tajiri, the brave Chernobyl Divers, and the other inspirational boys who fill the pages of this extraordinary book. Together, their stories offer young boys the welcome alternative message that masculinity can mean many things -- that it's okay to be sensitive, to be bold, and to follow their hearts. A brand new book from the internationally bestselling author of *Did I Mention I Love You* The higher the stakes, the greater the fall. MacKenzie Rivers knows the kind of impact death can have on those it leaves behind. She's felt that grief firsthand. So when Jaden, her crush and almost-boyfriend, loses his parents in a car accident, MacKenzie steps back. It might not be the right thing to do, but with an alcoholic mother and a father who deals with their family problems by not dealing at all, self-preservation is her only option. Then the pair meet by chance one night, reunited for the first time in months. Before MacKenzie can throw up her walls again, old feelings resurface and new memories are made. MacKenzie has missed Jaden more than

anything. But can she dare to fall for the one person she's so afraid of growing close to? Praise for *Did I Mention I Love You*: "A solid romance with a tantalizing helping of forbidden love."  
—Booklist on *Did I Mention I Love You*? A woman who needs to run her own life. A man who needs to exert control. Can she surrender to his demands without losing her sense of self once more? After ending a relationship to a cheating, domineering man, Isabelle Masters takes off in her leased Mercedes, only to be arrested for grand theft and hauled to a local police station. To her surprise, she is rescued by the most unlikely person, Gabriel Dare, a man she's been attracted to for far too long. Although Gabe yearns to possess Isabelle, he knows all too well he must fight his primitive need to bind her to him, and instead help bring out the independent woman she yearns to become — or risk losing her for good. Unconditional love is eagerly promised at weddings, but rarely practiced in real life. As a result, romantic hopes are often replaced with disappointment in the home. But it doesn't have to stay that way. *The Love Dare*, the New York Times No. 1 best seller that has sold five million copies and was major plot device in the popular movie *Fireproof*, is a 40-day challenge for husbands and wives to understand and practice unconditional love. Whether your marriage is hanging by a thread or healthy and strong, *The Love Dare* is a journey you need to take. It's time to learn the keys to finding true intimacy and developing a dynamic marriage. This second edition also features a special link to a free online marriage evaluation, a new preface by Stephen and Alex Kendrick, minor text updates, and select testimonials from *The Love Dare* readers. Take the dare! "A must read." —Margaret Atwood A vital, necessary playbook for navigating and defending free speech

today by the CEO of PEN America, *Dare To Speak* provides a pathway for promoting free expression while also cultivating a more inclusive public culture. Online trolls and fascist chat groups. Controversies over campus lectures. Cancel culture versus censorship. The daily hazards and debates surrounding free speech dominate headlines and fuel social media storms. In an era where one tweet can launch—or end—your career, and where free speech is often invoked as a principle but rarely understood, learning to maneuver the fast-changing, treacherous landscape of public discourse has never been more urgent. In *Dare To Speak*, Suzanne Nossel, a leading voice in support of free expression, delivers a vital, necessary guide to maintaining democratic debate that is open, free-wheeling but at the same time respectful of the rich diversity of backgrounds and opinions in a changing country. Centered on practical principles, Nossel's primer equips readers with the tools needed to speak one's mind in today's diverse, digitized, and highly-divided society without resorting to curbs on free expression. At a time when free speech is often pitted against other progressive axioms—namely diversity and equality—*Dare To Speak* presents a clear-eyed argument that the drive to create a more inclusive society need not, and must not, compromise robust protections for free speech. Nossel provides concrete guidance on how to reconcile these two sets of core values within universities, on social media, and in daily life. She advises readers how to: Use language conscientiously without self-censoring ideas; Defend the right to express unpopular views; And protest without silencing speech. Nossel warns against the increasingly fashionable embrace of expanded government and corporate controls over speech, warning that such strictures can reinforce the marginalization of

lesser-heard voices. She argues that creating an open market of ideas demands aggressive steps to remedy exclusion and ensure equal participation. Replete with insightful arguments, colorful examples, and salient advice, *Dare To Speak* brings much-needed clarity and guidance to this pressing—and often misunderstood—debate. He doesn't do anything half way... In bed or out. And when Dylan Rhodes, Travel Director for the Miami Thunder football team, decides to pursue Olivia Dare, he goes all in. When the Pro-Bowl takes them to the desert oasis of Arizona, Dylan is determined to make sure their time together isn't all business. What happens while at the luxury resort is life altering but when Olivia admits her deepest secret, will Dylan be able to prove he's a man with staying power? Or will Olivia be disappointed again, this time by the most important man in her life? John Randal, an American lieutenant serving in the British Army, joins the first British commando troop during World War II, but must face grueling training in Scotland and growing pains with his comrades during their first missions. He's about to find a baby on his doorstep ... and his assistant in his bed. Austin Prescott is a lot of things. Ex football player. Sports agent. And as of this morning? Father. Finding a baby on his doorstep should have been a joke but the pink sticky note and baby carrier she came in is deadly serious. What's an out of his depth bachelor to do? Call his tempting and beyond gorgeous executive assistant and beg her to move in. Quinnlyn Stone agrees to help Austin until he can straighten out his messy life. It's just another item on her very long To-Do list. It's absolutely not because she's attracted to her very single and extremely handsome boss. Close quarters. A baby. Undeniable chemistry. What could possibly go wrong? Packed

with 100 inspiring, creative, fun challenges for boys, this project from violence-prevention organization A Call to Men answers parents' cries for building healthy manhood, respect, and emotional awareness in their sons. Dare to prove a stereotype wrong Dare to watch a movie about someone who's different from you Dare to ask a friend to teach you something they're good at Dare to be a leader This collection of 100 original dares will help boys expand their worldview, inspire more respect toward girls and non-binary kids, and generally develop a healthier idea of manhood. The book features a voicey intro to draw in readers, plus an afterword that's both a call to action and a resource for parents and educators. Inspired by A Call to Men's tried-and-tested curriculum, this is a way of guiding boys and young men to being their most authentic selves. Boys will be boys and girls will be girls? Not in this book. The follow-up to Ben Brooks's New York Times bestselling *Stories for Boys Who Dare to Be Different*, this book offers more extraordinary true stories of amazing people who broke the mold and changed the world for the better. The resulting message? Be yourself, and your dreams might come true. With the help of Quinton Winter's striking full-color illustrations, Brooks offers an accessible compilation of 76 famous and not-so-famous influencers from the past to the present day, every single one of them a rule-breaker and stereotype-smasher in his or her own way. Entries include Emma Gonzalez, Andy Warhol, Bjork, Hans Christian Andersen, Sally Ride, and so many more -- heroes from all walks of life and from all over the world. **#1 NEW YORK TIMES BESTSELLER** • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders,

change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and

examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, “One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It’s learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It’s why we’re here.”

Whether you’ve read *Daring Greatly* and *Rising Strong* or you’re new to Brené Brown’s work, this book is for anyone who wants to step up and into brave leadership. A fully illustrated book collecting important, impactful, and inspiring words from amazing people who have made a difference by a New York Times bestselling author and illustrator team. The things we say, write, and sing can inspire, comfort, uplift, and excite other people. But words do not only provoke emotions, they lead to action too. This book, like most others, is a collection of words. What makes these words different is how they changed the world and changed peoples' lives. Some of them were heard by millions of people around the planet, while others were written in personal letters from one person to another. Learn more about 75 people throughout history who have used their words to make a difference in the world, including Ralph Waldo Emerson, Nujeen Mustafa, Lin Yutang, Lydia Maria Child, Malala, Socrates, Sampa the Great, and more. Fully illustrated with art by Quinton Winter, this new middle grade book is sure to uplift and inspire young readers to use words to change the world. From the bestselling, award-winning author of *You Are Awesome* comes the much-

anticipated follow-up, Dare to Be You. What would you dare to try if you stopped worrying about fitting in? If you're the kind of person who thinks: I don't like standing out from the crowd ... I wish I could be more like the cool kids ... There's no point trying to change things ... then this book is for you. Because guess what? There's no such thing as normal. Drawing examples from sport, science and even business, Dare to Be You empowers young readers to follow their own path, love what makes them different and question the world around them. With You Are Awesome's trademark mix of hilarious text, stylish illustration, personal insights and inspiring real-life examples, including Greta Thunberg and Malala Yousafzai, Matthew Syed introduces children to the power of diverse thinking. When you stop doubting yourself, embrace change and let your kindness loose, you become your own action hero. This groundbreaking, practical and positive book will help kids develop the inner confidence to grow into happy adults who know - and, more importantly, LIKE - themselves. Praise for You Are Awesome, children's book of the year 2019 and Sunday Times no. 1 bestseller: "A very funny and inspiring read! Brilliantly practical with a wide variety of examples that make it relevant for both boys and girls (and adults)!" - Online customer review "Genuinely funny and engaging ... It's a must read." - Online customer review

The fate of the world is often driven by the curiosity of a girl. What happened to the Lost Colony of Roanoke remains a mystery, but the women who descended from Eleanor Dare have long known that the truth lies in what she left behind: a message carved onto a large stone and the contents of her treasured commonplace book. Brought from England on Eleanor's fateful voyage to the New World, her

book was passed down through the fifteen generations of daughters who followed as they came of age. Thirteen-year-old Alice had been next in line to receive it, but her mother's tragic death fractured the unbroken legacy and the Dare Stone and the shadowy history recorded in the book faded into memory. Or so Alice hoped. In the waning days of World War II, Alice is a young widow and a mother herself when she is unexpectedly presented with her birthright: the deed to Evertell, her abandoned family home and the history she thought forgotten. Determined to sell the property and step into a future free of the past, Alice returns to Savannah with her own thirteen-year-old daughter, Penn, in tow. But when Penn's curiosity over the lineage she never knew begins to unveil secrets from beneath every stone and bone and shell of the old house and Eleanor's book is finally found, Alice is forced to reckon with the sacrifices made for love and the realities of their true inheritance as daughters of Eleanor Dare. In this sweeping tale from award-winning author Kimberly Brock, the answers to a real-life mystery may be found in the pages of a story that was always waiting to be written. Praise for *The Lost Book of Eleanor Dare*: "From the haunting first line, *The Lost Book of Eleanor Dare* transports the reader to a mysterious land, time and family . . . the captivating women of the Dare legacy must find their true inheritance hiding behind the untold secrets." —Patti Callahan, *New York Times* bestselling author

If anyone knew the truth about Beth Risk's home life, they'd send her mother to jail and seventeen-year-old Beth who knows where. So she protects her mom at all costs. Until the day her uncle swoops in and forces Beth to come live with him and an aunt who doesn't want her there. Now she's starting over in a school where she doesn't fit in. At all. Except with the one guy who shouldn't get her, but does.... Ryan Stone is the town golden boy, a popular baseball star jock—with secrets he can't tell anyone. Not even the friends he shares everything with, including the constant dares to do crazy things. The craziest? Asking out the Skater girl who couldn't be less interested in him. But what begins as a dare becomes an intense attraction and suddenly, the boy with the flawless image is risking his future for the girl he loves. And the girl who shouldn't let anyone get too close is daring herself to want it all.... Originally published in May 2013. Truth or dare? What begins as a carefree afternoon of celebrating their college graduations for a group of ten friends quickly turns dark when the girls of the group receive word that an abusive ex-boyfriend they had each dated in their time has been released early from prison. Handsome, exotic, and dangerous, John Miller has unfinished business with his latest ex-girlfriend, Taylor Johnson. With the help of her friends Kala, May, Judy, and Cristy, she had put him behind bars with her testimony for almost killing her one cold

November night. After he makes his unwelcomed appearance at their graduation party, and makes it clear he's still in love with Taylor and wants her back, things begin to take a strange twist through the remainder of the day. After a game of truth or dare, the hostess of the party calls out a name to make the "ultimate dare," little does she know she will have to take part. Dared to go in the dead of night to an alley with a violent and bloody history, Taylor, Kala, and May witness one of their friend's brutal murder. They escape from the killer's grasp, barely making it out of the alley alive. The only problem is that the killer has seen them and knows who they are... Things are just getting started in part one of this series. Take the dare and follow the group of friends through one hell of a ride. Foreword by Neil Blumenthal, co-founder of Warby Parker "A beautiful, timely book that will guide you as you find your way to make a difference in the world." —Walter Isaacson You don't have to be a billionaire philanthropist, give up your day job, or wait for retirement to make a difference in the world. You can start now. We all want to make the world a better place, but with busy, demanding lives, most of us struggle with the where, when, and how. Dr. Jordan Kassalow, founder of VisionSpring, the groundbreaking venture that has restored eyesight and hope to millions of people across the globe, has the answers: here, now, and in your own way. Sharing his personal story of integrating real-world responsibilities with his desire to make a difference, Jordan offers you a practical way forward, custom-made for your unique talents and circumstances, to take you from thought to action. The soulful and pragmatic approach in this remarkable book will help you see with your heart and use your head to invest in your highest goals—while still earning a

paycheck, being there for those you love, and enjoying life. To dare to matter, today. “An essential reminder that the greatest challenges of any age are no match for the good will, love, passion, and potential that abides in all human beings. I hope this superb book will inspire its readers to follow in Jordan’s footsteps in making a difference for all.” —Madeleine K. Albright, former Secretary of State “Dare to Matter should be required reading for anyone who dreams of making a difference. The book shines with hard-earned wisdom embedded in spiritual ground and girded with practical advice. Just when she was starting to let her guard down with Braden Prescott, he left for a two year stint with Doctors Without Borders. Now he's back. Dr. Braden Prescott always felt like an outsider in his family of professional sports players. He's traveled the world and is better for it, but now he's home with a job for the Miami Thunder. When he comes face to face with the woman he left behind, their chemistry still smolders. She'll give him her body again but not her heart. He knows leaving her once was the biggest mistake of his life. Can Willow learn to trust him not to leave, especially when adventure comes calling again?

Thinkers50 Management Thinker of 2015 Whitney Johnson has a goal: to help us identify and achieve our dreams. Her belief is that we can each achieve greater happiness when focusing both on our dreams and on other people in our lives. In this inspiring book, Johnson directs her attention to teaching women, in particular, a three-step model for personal advancement and happiness. She first encourages us to Dare to boldly step out, to consider disrupting life as we know it. Then she teaches us how to Dream, to give life to the many possibilities available, whether to start a business, run a marathon, or travel the world. She shows us how to "date" our dreams (no need to commit!) and how to make space for dreams. Finally, Whitney's model brings out the businesswoman in her; she teaches us to Do, to execute our dreams. She showcases the importance of sharing dreams with others to give them life, creating your own "dream team." Rich with real stories of women who have dared to dream, Dare, Dream, Do offers a practical framework for making remarkable things happen. She arouses his dominant and

protective instincts And he will do anything to possess her ... And does. When billionaire Ian Dare gets one glimpse of the sensual and irresistible Riley Taylor, he knows that he must have her. But any future he might have with Riley means he'll have to confront his past—a past he'd rather forget. And that's something this NFL team owner won't dare to do—not even for love. "Sir, when the regulations of my country clash with the laws of my God, I must obey my God," Ivan declared. The general studied Ivan's face seriously. "Does that include the regulations of your army?"

Religion was suppressed. Christians were forced to practice their faith secretly. Yet one teenage boy found the courage to stand up and speak boldly about his God. Not just to his friends or in a private church meeting but on a military base. In front of nearly 3,000 enlisted men . . . and one colonel. Foolish? Maybe. Risky? Definitely. But Ivan Gumenyuk had determined to follow God's calling, and right then God was calling him to be a missionary in the Soviet army. Like Daniel of old, Ivan faced trials that tested his faith to the limits. And, like Daniel, Ivan accomplished incredible things for God. Boys will be boys and girls will be girls? Not in this book. The follow-up to Ben Brooks's New York Times bestselling *Stories for Boys Who Dare to Be Different*, this book offers more extraordinary true stories of amazing people who broke the mold and changed the world for the better. The resulting message? Be yourself, and your dreams might come true. With the help of Quinton Winter's striking full-color illustrations, Brooks offers an accessible compilation of 76 famous and not-so-famous influencers from the past to the present day, every single one of them a rule-breaker and stereotype-smasher in his or her own way. Entries include Emma Gonzalez, Andy Warhol, Bjork, Hans

Christian Andersen, Sally Ride, and so many more -- heroes from all walks of life and from all over the world. WINNER OF THE CHILDREN'S BOOK OF THE YEAR AT THE NATIONAL BOOK AWARDS 2018 & THE SUNDAY TIMES NUMBER 1 BESTSELLER (April 2018) \_\_\_\_\_ 'This book can save lives. This book can change lives. This book can help to bring forth another generation of boys who dare to be different.'

Benjamin Zephaniah \_\_\_\_\_ Daniel Radcliffe, Galileo Galilei, Nelson Mandela, Louis Armstrong, Grayson Perry, Louis Braille, Lionel Messi, King George VI, Jamie Oliver... all dared to be different. Prince charming, dragon slayer, mischievous prankster... More often than not, these are the role-models boys encounter in the books they read at home and at school. As a boy, there is an assumption that you will conform to a stereotypical idea of masculinity. But what if you're the introvert kind? What if you prefer to pick up a book rather than a sword? What if you want to cry when you're feeling sad or angry? What if you like the idea of wearing a dress? There is an ongoing crisis with regards to young men and mental health, with unhelpful gender stereotypes contributing to this malaise. *Stories for Boys Who Dare to Be Different* offers a welcome alternative narrative. It is an extraordinary compilation of 100 stories of famous and not-so-famous men from the past to the present day, every single one of them a rule-breaker and innovator in his own way, and all going on to achieve amazing things. Entries include Frank Ocean, Salvador Dalí, Rimbaud, Beethoven, Barack Obama, Stormzy, Ai Weiwei and Jesse Owens - different sorts of heroes from all walks of life and from all over the world. A beautiful and transporting book packed with stories of adventure and wonderment, it will appeal to

those who need the courage to reject peer pressure and go against the grain. It is the must-have book for all those boys who worry about stuff and all those parents who worry about their boys who worry about stuff. It will educate and entertain, while also encourage and inspire. \*For tales of even more brilliant men who have dared to be different, **STORIES FOR BOYS WHO DARE TO BE DIFFERENT 2** is out now!\* “An ideal book for anyone who really wants to achieve more in life”\* from Jack Canfield and Mark Victor Hansen, the #1 New York Times bestselling authors of the Chicken Soup for the Soul series.
