doing it to prepare us for Jesus' return. Get ready for a journey through the Bible that will help you: • Challenge your Christian experience and knowledge of Jesus' teachings • Learn the true heart of Christ's teachings as recorded in God's Word • Discover the Kingdom life Jesus provided for, exemplified, and taught • Shed any belief barriers that have inhibited your spiritual life to this point • Embrace and renew a walk with God that is alive, growing, fresh, and purposeful Empowering women to be all that God wants them to be! In early New Testament times, women gathered at the well, drawing water and talking to one another about their lives and probably helping to advise each other about the problems or dilemmas in their lives. But one woman went to the well when she knew the others would not be there because of her shameful lifestyle that was unacceptable. She waited until much later, thinking she would avoid a confrontation with those who she knew would avoid her and look on her with disdain. But along came Jesus, who knew when she would be there and brought along understanding, compassion, and love. He left out condemnation and judgment and instead brought GRACE. (God's Riches At Christ's Expense) It was this encounter that changed her life and her lifestyle. The purpose and the vision of Women on the R.U.N. for Jesus is to minister to the total woman (spirit, soul, and body); gather women from different ethnic backgrounds and Christian denominations; open the doors of communication through fellowship; and provide the tools necessary to become the women that God has called us to be. Women on the R.U.N. for Jesus started with two women who were hungry for the Word of God. "For where two or three are gathered together in My name, I am there in the midst of them" (Matt. 18:20). The group meets once a month to empower women to become all that God wants them to be. Please join us! *identity. Some people ask God for temporal gifts. In the author's case, he has never asked God for anything. But being a devout Hindu for twenty years was only bringing misery, disease, poverty, hunger, and social ostracization in his life. There had to be a better path for him to follow. In his forties he started to engage with the Light--Christ--that he had done so in his formative years. He just asked for his will to be done in his life. He found more solace and less confusion and more clarity with God. This book relates the author's journey, an ongoing one, towards Jesus Christ, his One and Only LORD and Savior now. On the way home from a vacation, JoAn kept hearing what she thought was a song running through her head. Eventually, she realized it was a message. She wrote it down on a scrap of paper and later typed it, wondering why that message, which was a poem, had come to her. Following an auto accident and her descent into an abyss of pain and critical illness, she realized the poem was a gift to encourage her on the most difficult journey of her life. That critical illness led to the study of the scriptures on healing and an intensive search for the healing ministry of Jesus. Her book takes the reader on that journey as she prayed and hoped for the healing Jesus offered in his earthly ministry. Her hope is to encourage and empower the seeker to trust in the God of creation on their own journey, for God has not left us defenseless but has equipped us for the journey no matter where that journey may lead. No dogma please. And hold the mustard. For something to be called Christianity, it should be based on the teachings of Jesus Christ. Jesus never said he needed to die for our sins so we could be "saved." Only Paul and John make this claim. Christianity has therefore become a form of Paulism and Johnism that emphasize the Savior aspect of Jesus. But Paul had never met or heard Jesus teach, and John tells a story that's so different from the other disciples that we must seriously question him as a source. stories about how Judas dies? And Mary Magdalene wasn't a prostitute until the Pope made her one in the sixth century. Pope Urban II even made killing non-Christians acceptable in the eleventh century. Other subjects include ancient Buddhist records about Jesus traveling to India and studying Buddhism. Jesus may even have studied and practiced Kabbalah. Subsequently, *What Did Jesus Really Say* is an easy to read introduction that also reflects on God, Karma, Buddhism, Kabbalah, Reincarnation, Politics, and even Astrophysics. A Study Guide and a Teacher's Manual *Gospel Principles* was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith. When thinking about Christ's birth, we often focus our attention on Luke's detailed gospel account. But to appreciate the main point of the story--that the eternal Son of God assumed our flesh-and-blood human nature--we need to learn from the rest of the Bible why Christ came to earth. Why did Christ come? In this book, thirty-one thoughtful meditations answer this vital question, and the answers encourage us to celebrate Christ's birth more deeply, see more clearly how it is connected with the rest of His ministry, and recognize its importance for our lives. weaknesses, and challenges. More important, you'll learn about the remarkable spiritual experiences that allowed each one to personally testify of the Savior. Bible teachers have an ideal model for evaluating their pedagogy: the Master Teacher Jesus. Read through the Gospels, and you quickly reach the conclusion that Jesus was a dynamic, remarkably effective teacher; never boring, always stimulating; never obtuse, always clear; never pompous or distant, always personal and lovingly concerned. Ó writes Roy Zuck. Zuck explores Jesus' involvement of students in the learning process, his modeling of truth, his method of responding to questions, his use of rhetorical technique, visuals, and illustrations, and his attitude toward those who sat under his instruction. Zuck covers the Rabbi's overall style and its impact on disciples, the general public, and those who rejected him. In this urgently relevant, wholly enlightening discussion of modern moral decisions, the Harvard theology professor Harvey Cox considers Jesus's contemporary significance. Moving far beyond the simple question "What Would Jesus Do?" Cox shows how we can extrapolate moral guidance from the parables of Jesus. As he did in his undergraduate class "Jesus and the Moral Life"-a course that grew so popular that the lectures were held in a theater often used for rock concerts-Cox holds contemporary dilemmas in the light of lessons gleaned from the Gospels. Delving into centuries of theological exploration, he "pulls off a near miracle as he gathers disparate scholarly and religious views of Jesus, while demonstrating respectful, deep knowledge of Jewish, Muslim, and Buddhist traditions, and various Christian teachings" (Seattle Times). Invigorating and incisive, this book encourages an intellectual approach to faith and inspires a clear way of thinking about moral choices for all readers. Jesus proclaimed God's imminent universal kingdom. His Jewish followers were faithful to him. Paul misunderstood Jesus and subverted his message, but

*succeeded when the truth was accidentally lost in history. If Jesus came to your house, would he be your age and height? How would you treat him? Would you give him your nicest toys and let him have the longest turn on your rocking horse? In this simple, touching story, a young boy realizes that he can treat others according to the lessons he would learn if Jesus really did come to his house. "Thomas's rhyming reflection on the place Jesus has in a young boy's life still provides inspiration and comfort to today's readers." —School Library Journal*

*A classic for over half a century, *If Jesus Came to My House* is a tender tale of how a young boy realizes that he can welcome Jesus into his life by helping all people both young and old. This rhymed reflection provides refreshing insight on how we all can learn to be respectful, courteous, giving, and loving toward others. The original two-color illustrations by Henri Sorensen bring the simple inspirational message of this story to life. For generations to come, parents and children will find inspiration in Joan Gale Thomas's classic book time and time again.*

*The information herein is based on the disciples coming to Jesus privately, saying, "Tell us, (1) when will these things be, and (2) what will be the sign of your coming, and (3) of the end of the age?" (Matthew 24:3) These questions refer to the end of an age, which was referred to in Matthew 24:1-2, 1 Jesus came out from the temple and was going away when his disciples came up to point out the temple buildings to him. 2 And he said to them, "Do you not see all these things? [the temple buildings] Truly I say to you, not one stone here will be left upon another, which will not be torn down." In Matthew 24:3-28, Jesus is referring to the end of the Jewish age, which was to culminate in 66-70 C.E., with the desolation and destruction of Jerusalem and its temple. The disciples' questions were based on a presumption the end of the temple to them, equaled the end of the age, encompassing Christ's return, the judgment of the wicked and the setting up of his*

kingdom. Verses 3-28 are Jesus answering their question. In his words, he does address what will lead up to the end of the Jewish age, but what about the end of wicked humankind and the ruler of the world, the age (era) of Satan, and his second coming, Jesus' kingdom, and his thousand year reign. We have to understand the end of the Jewish age as well, because all prophecy has a meaning to those who hear it, which will help us understand if it could be applicable to us. In conservative, evangelical, grammatical-historical interpretation, an author has only one referent for his words, as two referents would result in two meanings. Our position is that there is only one meaning of what an author meant by his words. This may sound complex now, but it will be unfolded more in later chapters, in a very easy to understand way. In chapters 1 and 2, we must address why Jesus is saying there would be an end of the Jewish age. In chapter 3, we will take a deep look at the signs that establish the great tribulation is closing in, and when is it time to flee. In chapter 4, we will go over the signs of the end of the Jewish age. In chapter 5, we will walk through the events leading up to the end of the Jewish age from 66 – 70 C.E. In chapter 6, we will cover the second coming of Jesus where the reader will get the answers as to whether verses 3-28 apply to his second coming. We will close out with chapter 7, and how we should understand the signs, and how we do not want to be led astray, just as Jesus warned even some of the chosen ones would be misled. We will also address what comes after the end. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the

*language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. Christianity is Jesus Christ. It is not the teaching, doctrine, system or organization of Christ. Rather, it is Jesus Christ himself. We need to see Him as God sees Him. Yet this can only come about by revelation from above. The Holy Spirit will reveal Jesus to us. And when we do see Him as God sees Him, we will fall down and worship. Such, then, is the intent of this series of messages, whose overarching theme is best summed up in the author's choice of title to the entire series: "But We See Jesus" (Hebrews 2:9a). All nineteen messages were delivered by the author before a Christian audience in Richmond, Virginia over a three-year period, commencing in the year 1992. May God use this volume to inspire His people to see the Savior and Lord we have so that we may truly worship Him with all our hearts and love Him with all our heart, mind, will and strength. Jesus alone is worthy! Jesus' death on the cross and resurrection from the grave are the cornerstone of our Christian faith. But it's important to remember the events leading up to that time—the ones in which Christ taught His disciples important lessons that should still be imprinted on our hearts today. Bill Crowder walks you through those key moments of the Last Supper, the garden of Gethsemane, and the trial before Pilate, as well as Christ's death and resurrection, to give you a complete picture of the Savior. The most important questions anyone can ask are: Why was Jesus Christ crucified? Why did he suffer so much? What has this to do with me? Finally, who sent him to his death? The answer to the last question is that God did. Jesus was God's Son. The suffering was unsurpassed, but the whole message of the Bible leads to this answer. The central issue of Jesus' death is not the cause, but the meaning. That is what this book is about. John Piper has gathered from the New Testament fifty reasons in answer to the most important question that each of*

*us must face: What did God achieve for sinners like us in sending his Son to die? SEARCHING FOR JESUS IS EVERYTHING YOU THOUGHT YOU KNEW ABOUT HIM IS EVERYTHING THAT YOU DON'T KNOW ABOUT HIM AND IS EVERYTHING YOU WILL LEARN ABOUT HIM This book is not about how Jesus Christ fulfilled scripture prophecies, or how many miracles he performed, or an explanation of his parables. But rather it is about his physical presence throughout the Holy Bible [from Genesis to Revelation], and how he interacted with the people and their life stories. It is designed with intertwining scriptures and commentary to highlight his presence. The proof of this study will be your conclusion of the whole matter. My prayers are with you as you launch out into the deep. Rev. ABRAHAM HOWARD JR. P.S. THIS BOOK WILL TAKE YOU WHERE ONLY A FEW HAVE VENTURED TO GO. This 4-week Bible study leads the reader on a journey with Jesus. Each week contains 5 study days, a suggested text for Scripture memory, and an optional "family time" reading and discussion point. Each day looks at the life of Jesus as well as personal application for our modern day lives. Ideal for the Advent season, this study will help the reader to purposefully practice remembering Jesus. The first question is "Would Jesus Christ do that?" The second question is "What would Jesus do?" This is a heart-level conversation with you, the reader. Every excuse, reason, and roadblock for not coming to Christ is examined and duly dealt with. If you think you may be too bad, or if perhaps you really are bad and you sin either openly or behind closed doors, you will discover that life in Christ is for you too. You can reject the message of salvation by faith, or you can choose to live a life of sin after professing faith in Christ, but you cannot change the truth as it is, either for yourself or for others. As such, it behooves you and your family to embrace truth, claim it for your own, and be genuinely set free for now and eternity. Come, and embrace this free gift of God, and live a victorious life for Him.*
