From the moment she came into the world - two weeks early, throwing her parents' lives into disarray - Mary has gracefully but firmly done things her own way. Born in 1935, in the city of Bath, Mary's childhood was a curious mix of idyllic picnics and ramblings, and alarming air raids; of a spirited and outdoorsy home life and a dreaded school existence. All nearly cut horribly short by an almost fatal bout of polio when she was thirteen, which isolated Mary in hospital, away from beloved family and friends for months. Recovery saw her turn to her one true passion - cookery. And so began a love affair that has - so far - spanned six remarkable decades; from demonstrating ovens in the early 1950s to producing glossy food magazines in the 60s and 70s, gradually becoming the country's most prolific and - many would say - best loved cookery writer. Until her emergence in the 21st century as a TV sensation and style icon on the Great British Bake Off. As a working mother, at the heart of a busy household, Mary became an expert at the art of juggling, even bringing her working life into her home with her Aga school. And there have been challenges, one terrible tragedy and many joys along the way. In this touching, evocative and fascinating memoir, we accompany Mary on her journey of nearly eighty years; a life lived to the full, with a wicked sense of fun and an eye for the absurd, it is the life of a delightfully traditional but thoroughly modern woman. Fans of The Great British Bake Off can't wait to get their hands on Mary Berry's Recipe for Life. Born in 1935, Mary has been teaching Britain how to cook for over half a century. Her far-reaching culinary career has taken her from recipe tester, cookery editor, author and entrepreneur to TV personality. Mary lives in Buckinghamshire with her husband Paul. This inexpensive small text can save you time at work and make you look good in the process! These three works of fiction - two by Mary Wollstonecraft, the radical author of A Vindication of the Rights of Woman, and one by her daughter Mary Shelley, creator of Frankenstein - are powerfully emotive stories that combine passion with forceful feminist argument. In Mary Wollstonecraft's Mary, the heroine flees her young husband in order to nurse her dearest friend, Ann, and finds genuine love, while Maria tells of a desperate young woman who seeks consolation in the arms of another man after the loss of her child. And Mary Shelley's Matilda - suppressed for over a century - tells the story of a woman alienated from society by the incestuous passion of her father. Humane, compassionate and highly controversial, these stories demonstrate the strongly original genius of their authors.
